27 and nationwide;

28 (2) The citizens of Arkansas have twice experienced the tragedy
29 of a school shooting:

30 (A) In 1997 when two (2) Stamps High School students were
31 shot and wounded by sniper fire from a fellow student; and

32 (B) In 1998 when four (4) students and one (1) teacher
33 were killed at Westside Middle School in Jonesboro, and nine (9) more
34 students and one (1) teacher were wounded;

1 public high school students had been threatened or injured with a weapon on
2 school property, compared to the national average of seven and eight-tenths
3 percent (7.8%); and

4 (4) With the increasing levels of crime and violence in our
5 schools, school administrators and personnel must be prepared for more than
6 the academic challenges of teaching students. They must also:

7 (A) Develop and maintain a strong partnership with law
8 enforcement; and

9 (B) Be trained to recognize and assume their roles and
10 responsibilities for preventing and responding to acts of violence,
11 terrorism, natural disaster, and other crimes impacting the school
12 environment.
