25 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

26

27 SECTION 1 Arkansas Code § 26-52-447(f), concerning the sales tax on  
28 partial replacement and repair of certain machinery and equipment that is  
29 subject to refund, is amended to read as follows:

30 *(f) To claim the benefit of the tax refund under this section, a*  
31 *taxpayer shall hold a direct pay or a limited direct pay sales and use tax*  
32 *permit from the Department of Finance and Administration and shall claim the*  
33 *tax refund under the direct pay or limited direct pay permit.*

34

35 SECTION 2. Arkansas Code § 26-52-509(a), concerning the direct payment  
36 of sales and use tax by a consumer or user, is amended to read as follows:

1           (a)(1) ~~In the exercise of his or her discretion, the~~ The Director of  
2 the Department of Finance and Administration by agreement with any consumer  
3 or user may permit:

4                   (A) Permit a consumer or user under the agreement to  
5 accrue and remit gross receipts taxes directly to the Department of Finance  
6 and Administration, instead of the taxes being collected and paid by the  
7 seller as provided in under § 26-52-508; and

8                   (B)(i) Issue limited direct pay authority to permit a user  
9 or consumer to accrue and remit gross receipts and compensating use taxes on  
10 purchases that include eligible purchases.

11                           (ii)(a) A limited direct pay agreement permits a  
12 consumer or user to accrue and remit gross receipts and compensating use  
13 taxes on purchases that include eligible purchases.

14                                   (b) As used in this section, "eligible  
15 purchases" means property or services subject to a refund of tax under §§ 26-  
16 52-447 and 26-53-149.

17                                   (iii)(a) A limited direct pay agreement is available  
18 only to a person eligible for a refund of tax under §§ 26-52-447 and 26-53-  
19 149.

20   (b) A person holding a limited direct pay  
21 permit shall use the permit only to make purchases that include eligible  
22 purchases.

23                   (2)(A) A seller that receives a claim for exemption from a  
24 customer based on a limited direct pay permit shall not collect and remit  
25 gross receipts or compensating use taxes on purchases that include eligible  
26 purchases made by a person holding a limited direct pay permit.

27                           (B) However, if a seller collects and remits gross  
28 receipts or compensating use taxes on eligible purchases from a person  
29 holding a limited direct pay permit, a refund may be obtained under § 26-18-  
30 507.

31                   (3) A person who has entered into a limited direct pay agreement  
32 under this section and makes purchases of property or services under the  
33 authority of that agreement without paying the gross receipts or compensating  
34 use taxes due on those purchases is responsible for remitting the proper  
35 amount of tax due to the director as required by law.

36                   (4)(A) A seller shall collect and remit gross receipts and

1 compensating use taxes on purchases made by a person holding a limited direct  
2 pay permit that are not eligible purchases.

3 (B) If a seller relies on the limited direct pay permit  
4 and fails to properly collect tax on sales other than eligible purchases, the  
5 limited direct pay permit holder shall remit the proper amount of tax to the  
6 state as required under subsection (a)(3) of this section.

7 (5) This section does not eliminate the requirement that a  
8 consumer or user self-assess and remit compensating use tax under §§ 26-53-  
9 123 – 26-53-125.

10  
11 SECTION 3. Arkansas Code § 26-53-149(f), concerning the use tax on  
12 partial replacement and repair of certain machinery and equipment that is  
13 subject to refund, is amended to read as follows:

14 (f) To claim the benefit of the tax refund under this section, a  
15 taxpayer shall hold a direct pay or a limited direct pay sales and use tax  
16 permit from the Department of Finance and Administration and shall claim the  
17 tax refund under the direct pay or limited direct pay permit.

18  
19 SECTION 4. EMERGENCY CLAUSE. It is found and determined by the  
20 General Assembly of the State of Arkansas that most states exempt  
21 modifications, partial replacements, and repairs of manufacturing machinery  
22 and equipment from sales and use tax; that other states apply a reduced rate  
23 to modifications, partial replacements, and repairs; that Arkansas recognized  
24 this discrepancy and reduced, but did not eliminate, the tax rate on most  
25 modifications, partial replacements, and repairs in 2014; that Arkansas has  
26 been classified as the worst of the twelve (12) states in the southeast  
27 region on the taxation of industrial materials used in manufacturing; that  
28 Alabama, Mississippi, North Carolina, and other states have phased in  
29 exemptions for modifications, partial replacements, and repairs of  
30 manufacturing machinery and equipment over time; and that this act is  
31 immediately necessary because Arkansas is not competitive with surrounding  
32 states and states in the southeast region in imposing taxes on many types of  
33 manufacturing modifications, partial replacements, and repairs, which is  
34 costing the state present and future jobs. Therefore, an emergency is  
35 declared to exist, and this act being immediately necessary for the  
36 preservation of the public peace, health, and safety shall become effective

1 on:

2 (1) The date of its approval by the Governor;

3 (2) If the bill is neither approved nor vetoed by the Governor,  
4 the expiration of the period of time during which the Governor may veto the  
5 bill; or

6 (3) If the bill is vetoed by the Governor and the veto is  
7 overridden, the date the last house overrides the veto.
