~~(e) If the director determines that federal law authorizes the state to collect sales and use tax from sellers that do not have a physical presence in the state, then after the first twelve (12) months of collecting sales and use tax from sellers that do not have a physical presence in the state, the director shall:~~

~~(1) After making the deductions required under § 19-5-202(b)(2)(B)(i), certify to the Governor and the Office of Economic and Tax Policy the amount of available net general revenues attributable to the collection of sales and use tax from sellers that do not have a physical presence in the state during the first twelve (12) months of collections;~~

~~(2) Use any amount under subdivision (e)(1) of this section that exceeds seventy million dollars (\$70,000,000) to reduce the rate of four and five tenths percent (4.5%) in the table contained in subdivision (a)(7) of~~

~~this section equally for all taxpayers subject to the rate of four and five-tenths percent (4.5%);~~

~~(3) Certify the amount of the reduction of the income tax rate under this subsection to the Governor and the Office of Economic and Tax Policy; and~~

~~(4) Incorporate the reduced income tax rate into the table prescribed under subsection (d) of this section, which shall be applicable for each tax year thereafter.~~

SECTION 5. EFFECTIVE DATE. Section 3 of this act is effective for tax years beginning on or after January 1, 2020.

SECTION 6. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that income tax rates for Arkansas residents are too high in comparison to the income tax rates in surrounding states; that these burdensome income tax rates prevent Arkansas from being competitive with surrounding states in the region; and that this act is immediately necessary because it is in the best interests of the state to increase Arkansas's ability to compete in the region by dedicating as much funding as is economically possible and prudent to relieve the income tax burden suffered by lower-income taxpayers in the state. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
