A Bill

For An Act To Be Entitled
AN ACT REGARDING PUBLIC ASSISTANCE; TO AMEND THE
DURATION OF CASH ASSISTANCE; AND FOR OTHER PURPOSES.

Subtitle
REGARDING PUBLIC ASSISTANCE; AND TO AMEND
THE DURATION OF CASH ASSISTANCE.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. DO NOT CODIFY. Legislative findings and intent.
(a) The General Assembly finds that:
(1) Thousands of individuals are trapped in the cycle of welfare
dependency in Arkansas;
(2) Moving Arkansans from welfare to work will help them achieve
self-sufficiency and purpose;
(3) Mitigating the cycle of dependency can help save taxpayer
dollars and increase the size of Arkansas’s workforce;
(4) Arkansas currently has a twenty-four (24) month time limit
for families with work-eligible adults receiving cash welfare;
(5) More than one half (1/2) of all cash welfare recipients have
been on cash welfare for longer than eighteen (18) months;
(6) Reducing the cash welfare time limit from twenty-four (24)
months to twelve (12) months would not impact child-only cases where there
are no work eligible adults in the household; and
(7) Arkansas has an opportunity to be a national leader in its
cash welfare program.
(b) It is the intent of the General Assembly to reduce the twenty-four (24) month state limitation on cash welfare to twelve (12) months for households with work-eligible adults.

SECTION 2. Arkansas Code § 20-76-404(a)-(d), concerning the duration of financial assistance, is amended to read as follows:

(a)(1) The Division of Workforce Services shall not provide financial assistance to a family that includes an adult recipient who has received financial assistance for more than twenty-four (24) twelve (12) months, except as provided in subsection (c) of this section.

(2) The number of months need not be consecutive and shall include the time a recipient receives financial assistance from another state.

(3) The division may by rule establish other limitations on the receipt of financial assistance not inconsistent with state or federal law.

(b)(1) The division shall certify to the Governor, the House Committee on Public Health, Welfare, and Labor, and the Senate Committee on Public Health, Welfare, and Labor when the support services necessary for program recipients to obtain employment or participate in allowable work activities are available.

(2) The division may certify subsets of program recipients, including without limitation recipients in a certain geographical area or employment opportunity district or program recipients with a high school diploma or high school equivalency diploma approved by the Adult Education Section.

(3) Before implementing the twenty-four-month twelve-month cumulative limit on financial assistance, the division shall notify program recipients by direct mail or contact and by other means reasonably calculated to reach to current and potential program recipients, including, but not limited to, the posting of notices in county offices.

(c) The division shall exempt or temporarily defer within thirty (30) calendar days the following persons from the twenty-four-month twelve-month cumulative limit on financial assistance:

(1) An individual, as determined by a division case manager, who cooperated and participated in activities, but was unable to obtain employment because of circumstances or barriers beyond his or her control;
(2) Child-only cases;

(3) An individual unable to obtain employment because of the lack of support services necessary to overcome barriers to employment;

(4) A parent or caregiver over sixty (60) years of age;

(5) A parent or caregiver who is caring for a disabled child relative or disabled adult relative, based upon criteria set forth in division rules;

(6) A disabled parent or caregiver, based upon criteria set forth in division rules;

(7) A parent less than eighteen (18) years of age who resides in the home of a parent or in an approved adult-supervised setting and who participates in full-time education or training;

(8) An individual, who as determined by a division case manager, is unable to obtain employment due directly to the effects of domestic violence. All case manager determinations made under this subdivision (c)(8) shall be reviewed by a supervisor within five (5) days of the determination;

(9) Other individuals as determined by the division, including, but not limited to, a child when necessary to protect the child from the risk of neglect, as defined by § 12-18-103(14); and

(10) Individuals participating in education and training activities who have reached the end of their twenty-four-month twelve-month cumulative limit on financial assistance, have complied with all transitional employment assistance rules, are making satisfactory academic progress as determined by the academic institution or training program in which the individual is currently enrolled, and are expected to complete the requirements for the education or training program within a reasonable period of time as defined in rules issued by the division.

(d)(1) No months shall be counted toward a person's twenty-four-month twelve-month cumulative limit on financial assistance while he or she is receiving a deferral or exemption.

(2) There shall be no limit on the length or the number of deferrals or exemptions granted each person as long as the person meets any of the criteria outlined in subsection (c) of this section.

(3) The division shall periodically review each case to determine whether the person still meets any of the criteria outlined in subsection (c) of this section.
(4)(A) The division shall carry out an enhanced review of all cases six (6) months before the expiration of the time limit.

(B) The review shall assess the barriers that remain to the adult or adults in the case obtaining employment, what enhanced services can be provided to enable him or her to obtain employment, and whether the case should be given a six-month extension or be exempted from the time limit.

(C) The division shall make every reasonable effort to deliver the available services identified in subdivision (d)(4)(B) of this section.

(D) The division shall grant an extension at the time for review if the client meets one (1) of the grounds for extension.

(E) The division shall carry out a further review at the end of the extension period.
