and
by inserting an additional section immediately following Section 1 to read as follows:

"SECTION 2. Arkansas Code 12-10-323(a) is amended to read as follows:

_(a) Revenue Any revenue generated as authorized in pursuant to §§ 12-10-318 -
12-10-321 may be expended only in direct connection with the provision of 911 services and
only for the following purposes:

- (1) The engineering, installation, and recurring costs necessary to implement, operate, and maintain a 911 telephone system;
- (2) The costs necessary for forwarding and transfer capabilities of calls from the 911 public safety communication center to dispatch centers or to other 911 public safety communication centers;
- (3) Engineering, construction, lease or purchase costs to lease, purchase, build, remodel, or refurbish a 911 public safety communication center and for necessary emergency and uninterruptable power supplies for the center;
- (4) Personnel costs in the amount of seventy-five percent (75%) of the salary and benefits of each position charged with supervision and operation of the 911 public safety communication center and system;

(5) Purchase, lease, operation, and maintenance of consoles, telephone, and communications equipment owned or operated by the political subdivisions and physically located within and for the use of the 911 public safety communication center and radio or microwave towers and equipment with lines which terminate in the center; ~~and~~

(6) Purchase, lease, operation, and maintenance of computers, data processing equipment, associated equipment, and leased audio or data lines assigned to and operated by the 911 public safety communication center for the purposes of coordinating, forwarding of calls, dispatch, or recordkeeping of public safety and private safety agencies, for which the 911 public safety communication center is the public safety answering point and to provide information assistance to those agencies- ; and

(7) Supplies, equipment, PSAP personnel training, vehicle and vehicle maintenance, if such items are solely and directly related to and incurred by the political subdivision in mapping, addressing, and readdressing a 911 system. Nothing herein shall be interpreted or construed as authorizing a political subdivision to purchase emergency response vehicles, law enforcement vehicles or other political subdivision vehicles from such funds. "
