

ARKANSAS SENATE

81st GENERAL ASSEMBLY
Regular Session, 1997

Amendment Form

Amendment No. _____ to SENATE Bill No. 676

Amend SENATE Bill No. 676 as originally introduced
by

by striking line 1 on page 2 and substituting therefor:

"

(a) all unobligated and unallocated monies remaining in the "General Improvement Fund" which are not required to finance projects to be financed therefrom pursuant to appropriations enacted by the 80th General Assembly, or which have not been reappropriated or reallocated for financing from the "General Improvement Fund" by the 81st General Assembly;

(b) any unobligated or unallocated funds remaining in the "General Revenue Allotment Reserve Fund" from monies accruing thereto during the 1995-97 fiscal biennium which are not required to finance enactments of the 81st General Assembly that do not expire on June 30, 1997 and after providing for the transfer to the Balanced Budget Reserve Fund, as may be authorized by law; and

(c) interest earned on State Treasury fund balances as provided in this subsection. For the period commencing on July 1, 1997, and ending June 30, 1999, the State Treasurer shall, after complying with provisions of

(1) Arkansas Code §27-70-204 for distributing interest income earned from investment of average daily balances of the "State Highway and Transportation Department Fund",

(2) Arkansas Code §15-41-110 for distributing interest earned from investment of average daily balances of the "Game Protection Fund",

(3) Arkansas Code §15-5-422 for the first two million dollars

The amendment was read the first time, rules suspended and read the second time and

(\$2,000,000) of interest income received each fiscal year by the State Treasurer as authorized for the Correction Facilities Construction Fund, and

(4) Arkansas Code §20-78-504 for the next one hundred thousand dollars (\$100,000) of interest income received each fiscal year by the State Treasurer for the Arkansas Child Care Facilities Loan Guarantee Trust Fund, credit to the "Budget Stabilization Trust Fund" or its successor fund, fifty percent (50%) of the interest income received and credited to the "Securities Reserve Fund", and credit to the "81st Session Projects Account" fifty percent (50%) of the interest income received and credited to the "Securities Reserve Fund" as certified by the Chief Fiscal Officer of the State, to provide financing to the "81st Session Projects Account", until there has been credited an amount, which when added to the other funds available for such purposes will finance each of the projects or purposes hereinafter enumerated.

SECTION 3. Of those moneys accruing to the 81st Session Projects Account of the General Improvement Fund as set out in Section 2(a) and (b) of this Act, sixty percent (60%) shall be allocated in order to provide financing for those projects enumerated in Section 5 of this Act, and the remaining forty percent (40%) shall be allocated to provide financing for those projects as set out in Section 4 of this Act. Of those moneys accruing to the 81st Session Projects Account of the General Improvement Fund as set out in Section 2(c) of this Act, sixty-six percent (66%) shall be allocated in order to

provide financing for those projects enumerated in Section 5 of this Act, and the remaining thirty-four percent (34%) shall be allocated to provide financing for those projects as set out in Section 4 of this Act. After all of the projects enumerated in Section 5 of this Act have been financed pursuant to the provisions of this section, as certified by the Chief Fiscal Officer of the State and notification to the Legislative Council, those monies accruing to the 81st Session Projects Account of the General Improvement Fund as set out in Section 2(a), (b) and (c) of this Act shall be allocated in order to provide financing for those projects enumerated in Section 4 of this Act.

SECTION 4. EXECUTIVE ALLOCATIONS. (A) From the monies accruing to the benefit of the "81st Session Projects Account" of the "General Improvement Fund" as authorized by Section 3 of this Act, the Governor may direct the Chief Fiscal Officer of the State to effectuate an allocation of monies for financing certain appropriation and transfers of monies as authorized by the 81st General Assembly as follows:

No monies shall be transferred for any of the purposes or projects listed in Subsection (A) of this section until such time as funding is available to fund all of the purposes and projects listed in Subsection (A) of this section. In the event that funding is not sufficient by June 30, 1999 to fully finance all of the purposes or projects listed in Subsection (A) of this section, then each purpose or project shall receive its allocation in accordance with each purpose or project's proportionate part of the total of all such purposes or projects set out in Subsection (A) of this section.

(B) After financing is provided for the purposes and projects enumerated in Subsection (A) herein; from the remaining monies accruing to the benefit of the "81st Session Projects Account" of the "General Improvement Fund" as authorized by Section 3 of this Act, the Chief Fiscal Officer of the State shall effectuate an allocation of monies for the following purposes:

No monies shall be transferred for any of the purposes or projects listed in Subsection (D) of this section until such time as funding is available to fund all of the purposes and projects listed in Subsection (D) of this section. In the event that funding is not sufficient by June 30, 1999 to fully finance all of the purposes or projects listed in Subsection (D) of this section, then each purpose or project shall receive its allocation in accordance with each purpose or project's proportionate part of the total of all such purposes or projects set out in Subsection (D) of this section.

SECTION 6. REPEALER. Section 3 of Act 413 of 1997 is hereby repealed.

~~SECTION 3. SPECIAL LANGUAGE FUNDS TRANSFERRED. Upon direction by the~~

Amendment No. _____ to SENATE Bill No. 676

Amend SENATE Bill No. 676 as originally introduced
by

~~Governor and upon certification from time to time by the Chief Fiscal Officer of the State, the State Treasurer shall transfer from the General Revenue Fund Account of the State Apportionment Fund, an amount not to exceed ten million dollars (\$10,000,000) during the biennial period ending June 30, 1999, to the Industry and Aerospace Development Fund for the purpose of creating various economic development enhancements in the aviation and aerospace industry in Arkansas, provided however not more than \$4,000,000 may be transferred prior to June 30, 1998. Funding not to exceed \$4,000,000 may be transferred prior to June 30, 1998 if the Governor determines that such funds are necessary to secure the location or expansion of projects eligible for funding under Section 2 of this Act. If on June 30, 1998, net general revenue available for distribution exceeds funding of 100% of the "B" allotment of the Revenue Stabilization Act, A.C.A. § 19-5-402 (b), an amount not to exceed \$10,000,000 or the amount by which net general revenue available for distribution exceeds 100% of "B" allotment of said Revenue Stabilization Act, whichever is less, may be transferred to the fund.~~

~~During the fiscal year ending June 30, 1999, no funds may be transferred unless the Chief Fiscal Officer of the State has provided a forecast of net general revenue available for distribution that exceeds funding of 100% of the "B" allotment of the Revenue Stabilization Act, A.C.A. § 19-5-404 (b), for the fiscal year ending June 30, 1999 by a minimum of \$10,000,000, except that~~

Provided however, that in no event may more than a total of \$10,000,000 be transferred during the biennium ending June 30, 1999.~~

SECTION 7. REPEALER. Section 3 of Act 1023 of 1995 is hereby repealed.

~~SECTION 3. FUNDS TRANSFERRED. Upon direction by the Governor and upon certification from time to time by the Chief Fiscal Officer of the State, the State Treasurer shall transfer from the General Revenue Fund Account of the State Apportionment Fund, an amount not to exceed ten million dollars (\$10,000,000) during the biennial period ending June 30, 1997, to the Industry and Aerospace Development Fund for the purpose of creating various economic development enhancements in the aviation and aerospace industry in Arkansas, provided however not more than \$4,000,000 may be transferred prior to June 30, 1996. Funding not to exceed \$4,000,000 may be transferred prior to June 30, 1996 if the Governor determines that such funds are necessary to secure the location or expansion of projects eligible for funding under this Act. If on June 30, 1996, net general revenue available for distribution exceeds funding of 100% of the "B" allotment of the Revenue Stabilization Act, A.C.A. § 19-5-402 (b), an amount not to exceed \$10,000,000 or the amount by which net~~
