"SECTION 1. Arkansas Code 15-75-406, concerning liquefied petroleum gas, is amended to add an additional subsection to read as follows:

(f)(1) If a seller of liquefied petroleum gas is unable to promptly respond to a request for the delivery of liquefied petroleum gas from a person lawfully in possession of a liquefied petroleum gas container bearing upon the surface thereof the name, mark, initials, or other identifying device of that seller, the seller shall immediately authorize in writing some other seller, or sellers, to fill or refill the liquefied petroleum gas container. This authorization, including the name, address, and telephone number of the authorized seller, shall be immediately communicated to any customer of the original seller who inquires regarding the delivery of liquefied petroleum gas.

(2) For the purposes of this subsection, a seller is able to "promptly respond to a request" to deliver liquefied petroleum gas if the seller can complete the delivery within ninety-six (96) hours of the request.

(3) This section shall not apply when a seller of liquefied petroleum gas has determined that:

(A) The gas container in the possession of the person requesting delivery is more than ten percent (10%) full; or

(B) Delivery of the liquefied petroleum gas would create a safety hazard because of equipment defects; or

(C) The person requesting delivery has failed to pay the seller for a previous delivery of liquefied petroleum gas; or

(D) Credit has not been established with the seller by the person requesting delivery, and the person requesting delivery is unable to pay for the liquefied petroleum gas in full at the time of delivery.

(4) In order to expedite the delivery of liquefied petroleum gas, the required pressure testing by the seller is waived for any delivery of liquefied petroleum gas under this subsection only."
