Add an additional section immediately following SECTION 2 to read as follows:

"SECTION 3. Arkansas Code 5-65-205(b) is amended to read as follows:

(b) The Office of Driver Services of the Department of Finance and Administration shall then proceed to suspend or revoke the driving privilege of the arrested person, as provided in § 5-65-402. The suspension shall be as follows:

(1) Suspension for one hundred eighty (180) days for the first offense of refusing to submit to a chemical test of blood, breath, or urine for the purpose of determining the alcohol or controlled substance contents of the person's blood. However, if the court orders issuance of an ignition interlock restricted license under § 5-65-118, the suspension time for which no restricted license shall be available shall be a minimum of ninety (90) days. The restricted driving permit provision of § 5-65-102 does not apply to this suspension.

(3) Revocation for three (3) years, during which no restricted permits may be issued, for the third offense of refusing to submit to a chemical test of blood, breath, or urine for the purpose of determining the alcohol or controlled substance contents of the person's blood.

(4) Lifetime revocation, during which no restricted permit may be issued, for the fourth or subsequent offense of refusing to submit to a chemical test of blood, breath, or urine for the purpose of determining the alcohol or controlled substance contents of the person's blood within five (5) years of the first offense."
