

ARKANSAS SENATE
83rd General Assembly - Regular Session, 2001
Amendment Form

Subtitle of Senate Bill No. 800

"AN ACT TO REQUIRE UNIFORM PRESCRIPTION DRUG INFORMATION CARDS."

Amendment No. 2 to Senate Bill No. 800.

Amend Senate Bill No. 800 as engrossed, S3/6/01:

Page 4, delete line 7 and substitute the following:

"SECTION 6. (a) This act does not require a health benefit plan that"

AND

Page 4, delete line 11 and substitute the following:

"technology contains all of the required fields of information established by the National Council for Prescription Drug Programs, as in effect January 1, 2001, that are necessary to process a claim for prescription drug benefits under the health benefit plan.

(b) The required fields of information shall be included on the card in a substantially similar format to that established by the National Council for Prescription Drug Programs, as in effect January 1, 2001, and shall be printed in a clear, readable and understandable manner."

AND

Page 4, delete SECTION 7 in its entirety and substitute the following:

"SECTION 7. All prescription drug information cards, or other technologies, including dual use identification cards described in Section 6 of this act, that are executed, delivered, issued, modified, extended or renewed by a health benefit plan shall comply with the requirements of this act within two (2) years after the effective date of this act."
