Add Representatives Garner and Hopper as cosponsors of the bill

AND

Delete everything after the ENACTING clause in its entirety and substitute the following:

"SECTION 1. Arkansas Code Title 20, Chapter 10 is amended to add an additional subchapter to read as follows:

20-10-2201. Purpose -- Findings.

(a) The purpose of the Quality Assurance Committee in a long-term care facility is to evaluate and improve the quality of health care rendered to residents of the facility.

(b) The General Assembly finds that:

(1) Confidentiality of Quality Assurance Committee proceedings and records is key to improving the quality of care in long-term care facilities by promoting thorough and candid discussions for a full review and analysis of care processes; and

(2) The work of the Quality Assurance Committee is an ongoing process in which individuals from various disciplines meet as a committee to:

(A) Ensure that current practice standards are maintained;

(B) Prevent deviations from care practices to the extent possible;

(C) Track, trend, and identify care concerns; and

(D) Correct inappropriate care processes.

20-10-2202. Applicability -- Scope.

(a) This subchapter applies to long-term care facilities as those entities defined in § 20-10-101.

(b) This subchapter does not expand, limit, or constrict any other privilege, particularly a privilege under § 20-9-502, § 20-9-503, or § 16-46-105.

20-10-2203. Liability of Quality Assurance Committee members -- Construction.

(a) A cause of action for damages or monetary liability shall not arise against a member of the Quality Assurance Committee for an act or proceeding undertaken or performed within the scope of the functions of the committee if the committee member acts without malice or fraud.

(b) This subchapter does not confer immunity from liability on an individual while performing services other than as a member of a Quality Assurance Committee.

20-10-2204. Proceedings and records confidential.

(a)(1) A long-term care facility may appoint members to a Quality Assurance Committee in which individuals from various disciplines meet as a committee to:

(A) Ensure that current practice standards are maintained;  
(B) Prevent deviations from care practices to the extent possible;

(C) Track, trend, and identify care concerns; and  
(D) Correct inappropriate care processes.

(2)(A) The proceedings of and records that are created by or for the Quality Assurance Committee of a long-term care facility are not subject to discovery or introduction into evidence in a civil action against a provider of professional health services arising out of the matters that are subject to evaluation and review by the committee.

(B) Appointments to the Quality Assurance Committee and the dates of the meetings shall be documented and maintained as privileged records created for the Committee.

(3)(A) A long-term care facility may retain a professional consultant to assist the Quality Assurance Committee in studying quality of care concerns.

(B) Any oral or written reports of the consultants to the Quality Assurance Committee are privileged and not subject to discovery or introduction into evidence in a civil action against a provider of professional health services.

(C) Oral or written communications privileged under this section may be used by the consultant without waiver of the privilege.

(4) A person who was in attendance at a meeting of the Quality Assurance Committee shall not be permitted or required to testify in a civil action as to the following:

(A) Evidence or other matters produced or presented during the proceedings of the Quality Assurance Committee; or

(B) Findings, recommendations, evaluations, opinions, or other actions of the committee or any members of the committee made or taken in the quality assurance role.

(b)(1) This section does not apply to or affect the discovery or admissibility into evidence in a civil proceeding of the following records:

(A) Records or reports made in the regular course of business by a long-term care facility or other health care provider that are not created by or for the Quality Assurance Committee;

(B) Records or reports otherwise available from original sources including without limitation, the medical record of specific residents;

(C) Records or reports required to be kept by applicable law or regulation that are not created by or for the Quality Assurance Committee;

(D) Incident and accident reports; or

(E) The long-term care facility's operating budgets.

(2) A person who testifies before the Quality Assurance Committee or who is a member of the Committee shall not be prevented from testifying as to matters within his or her knowledge, but the witness shall not be asked about his or her testimony before the committee or about opinions formed by him or her as a result of the committee hearings.

20-10-2205. Duty to advise Quality Assurance Committees.

Upon a request of a Quality Assurance Committee reviewing care provided in a long-term care facility, a physician, administrator, nurse, certified nurse's aide, nurse's aide in training, or other individual engaged in work in or about the long-term care facility and having information or knowledge relating to the care provided in the long-term care facility shall advise the committee concerning all the relevant facts or information possessed by the individual concerning the quality of care provided in the long-term care facility.

SECTION 3. Arkansas Code Title 16, Chapter 46, Subchapter 1 is amended to add an additional section to read as follows:

16-46-109. Proceedings, minutes, and records confidential.

(a)(1) The proceedings, minutes, records, or reports of the Quality Assurance Committees having the responsibility for reviewing and evaluating the quality of medical, nursing, or other care delivered in a long-term care facility, or of professional consultants engaged by long-term care facilities to study quality of care issues identified by the Quality Assurance Committee, and any other records, other than those records described in subsection (c) of this section, compiled or accumulated by the staff of a facility in connection with the review or evaluation, together with all communications or reports originating in the Committees are:

(A) Exempt from discovery and disclosure to the same extent that proceedings, minutes, records, or reports of committees evaluating quality of medical or hospital care are exempt under § 16-46-105(a)(1);

(B) Not admissible in any legal proceeding; and

(C) An absolutely privileged communication.

(2) Testimony as to events occurring during the activities of the Quality Assurance Committee is:

(A) Exempt from discovery and disclosure to the same extent that testimony before committees evaluating quality of medical or hospital care are exempt under § 16-46-105(a)(2); and

(B) Not admissible as evidence in any legal proceeding.

(b) This section does not prevent disclosure of the data mentioned in subsection (a) of this section to an appropriate state or federal regulatory agency that by statute or regulation is entitled access to the data.

(c) This section does not apply to or affect the discovery or admissibility into evidence in a civil proceeding of the following records:

(1) Records or reports made in the regular course of business by a long-term care facility or other health care provider that are not created

by or for the Quality Assurance Committee;

(2) Records or reports otherwise available from original sources including without limitation, the medical record of specific residents;

(3) Records or reports required to be kept by applicable law or regulation that are not created by or for the Quality Assurance Committee;

(4) Incident and accident reports; or

(5) The long-term care facility's operating budgets.
