

# Hall of the House of Representatives

91st General Assembly - Regular Session, 2017

## Amendment Form

---

### Subtitle of House Bill No. 1160

TO AMEND THE DEFINITION OF A "SPECIALIST SIGN ELECTRICIAN".

---

### Amendment No. 1 to House Bill No. 1160

Amend House Bill No. 1160 as originally introduced:

Page 1, delete lines 24 through 32, and substitute the following:

"(A) Installing, maintaining, and repairing electrically illuminated or electrically operated signs and gaseous tubing for illumination; ~~and~~

(B) Making all connections to an approved outlet of sufficient capacity within twenty-five feet (25') of the sign to be connected-; ~~and~~

(C)(i) Maintaining and repairing parking lot lights, upon successfully passing a separate examination approved by the Board of Electrical Examiners of the State of Arkansas.

(ii) However, maintenance and repair under subdivision (11)(C)(i) of this section shall be limited to work from the ground up to a lighting fixture that is being maintained or repaired and shall not include work underground or work to an electrical panel inside or outside of a building.

SECTION 2. Arkansas Code § 17-28-301, concerning the issuance and renewal of an electrician's license, is amended to add an additional subsection read as follows:

(f) A specialist sign electrician under § 17-28-101 shall qualify for an endorsement on his or her license authorizing the licensee to maintain and repair parking lot lights upon successfully passing a separate examination as approved by the Board of Electrical Examiners of the State of Arkansas."
