SECTION 5. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the retirement security of our state's educators and teachers has been a cornerstone of our educational system since the General Assembly created the Arkansas Teacher Retirement System under Act 1937, No. 266; that Act 1937, No. 266, provided that retirement security under the Arkansas Teacher Retirement System "shall be an integral part of the contract entered into by any teacher and the school board employing such teacher"; that the Arkansas Teacher Retirement System is a vital component in the attraction and retention of dedicated, high-quality educators and teachers; that those educators and teachers, as well as the operations and infrastructure to support their efforts, make a major contribution to the wellbeing of the citizens of Arkansas; that the operations of the Arkansas Teacher Retirement System are complex; that the Arkansas Teacher Retirement System must be able to meet the needs of its members as anticipated by the General Assembly; that current practices to keep costs competitive and manage education budgets within the amounts allocated by the General Assembly have increased the practice of outsourcing services that are a common part of normal daily operation of a covered employer's responsibilities and duties to persons who perform these services and jobs through a private employer; that the private employer does not contribute to the Arkansas Teacher Retirement System and yet benefits from the infrastructure that is the operation of the educational system mandated by the General Assembly; that for every job that is outsourced to the private sector, the remaining employees in the Arkansas Teacher Retirement System bear the burden of the loss of contributions by the outsource contractors and embedded employees; that this act is needed to account for and address the lack of contributions from the outsourced contractors and embedded employees in a manner responsible and fair to all education employees; that the Arkansas Teacher Retirement System requires immediate calculations to evaluate the impact of outsourcing on its members and their retirement security; that certain provisions of the Arkansas Teacher Retirement System are imminently in need of revision and updating to operate the Arkansas Teacher Retirement System efficiently and effectively; that such revision and updating is of great importance to members of the Arkansas Teacher Retirement System, to the State of Arkansas in fulfilling its contractual obligations to educators and teachers and the operations necessary to support their efforts on behalf of all citizens, and to other citizens of the State of Arkansas; and that this act is immediately necessary to maintain an orderly management of benefits for the members of the Arkansas Teacher Retirement System. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."
