The H3/4/13 engrossment of HB1511 changes the frequency by which the Department of Finance and Administration (DFA) is required to remit the \$25.00 design-use contribution fee to Air Power Arkansas. Under the previous engrossment of the bill, DFA was required to remit the \$25.00 fee on a quarterly basis. In the H3/4/13 engrossment, DFA is required to remit the fee on a monthly basis.
