**REMARKS OF
SPEAKER OF THE HOUSE OF REPRESENTATIVES
JANUARY 12, 2015**

Friends, Family, and Colleagues, as we gather here today to commence the 90th General Assembly, I stand before you both honored and humbled by the confidence you have placed in me.

I, like each of you, have many people that have sacrificed a lot to make this moment possible. We owe a debt of gratitude to a loving and gracious God who uses all of talents, our experiences and even our setbacks to prepare us for this opportunity to serve. We also owe thanks to our families who give up so much to allow us to be able to serve our districts and this great state. Those are the people we celebrate and who deserve to be recognized today.

I want to take just a few moments to especially thank my wife Carissa and my sons for all they do and give up for me to be able to serve. I want to thank my parents for raising me to value service to others and to live with compassion. I also want say thank you to my brother who has gone above and beyond back at the farm by doing my job and his so that I could devote myself fully to you and this great chamber. I am here today because of the people who invested in me and I know that you could say the same thing and now because of them, we have the opportunity to invest back into our communities and our state.

As Arkansas has seen its political landscape change, we find ourselves in the unique position to provide stability and strength to shape its future. We have been entrusted with these responsibilities and this great chamber for this moment in time and it is up to each and every one of us to serve in a manner that brings honor to those who have served this state before us. Having this experience is something that we should never take for granted. Through our concerted efforts I believe that we will show the citizens of Arkansas that there is still nobility to public service.

We will face many challenges this session and I am confident that together - working as one body - we will meet these challenges in a way that will make the people of Arkansas proud. You are going to be called upon to not only have the courage of your convictions but those of your constituents as well. We must always remember that they are the reason that we are here in the Capitol. We are their voice.

As you look around this chamber today, you find yourselves among a unique group of people who will understand the pressures you face as a member of this body. The bonds that you develop with them are what will make us strong. By treating each other with the highest levels of respect and professionalism we will be even stronger. It is that strength that our citizens are counting on and as far as I am concerned, failure is not an option for us.

We enter this period of time with individual expectations but our greatest challenge – and opportunity – is to forge a collective expectation that builds a future for Arkansas in which we all can be proud.

In closing, I encourage you to embrace the opportunity we have been given- the privilege to govern. I pray that you will recognize and appreciate each and every day how impacting our relationships are as we develop deeper personal bonds while also building upon a foundation set long before we arrived at this place.

God bless each of you and may God anoint our efforts and actions as we serve the people of Arkansas.

GOVERNOR'S ADDRESS

Mr. President, Mr. Speaker, Distinguished Members of the House and the Senate, our constitutional officers, members of the court, and fellow Arkansans:

Thank you. I am glad they didn't recount those votes.

It is an honor to stand before you today as the 46th elected governor of Arkansas. I want to acknowledge my wife Susan, who has stood with me every step of the way. I want to acknowledge my family: my children, Asa, John, Sarah; Seth is not here with me. Dave, thank you for all your leadership. Holly, thank you. My grandsons and my granddaughters, thank you all for being here and being a part of this victory.

And I wanted to acknowledge also my Aunt Norma, who is watching this by videotape in the Governor's Conference Room. Aunt Norma is the representative of my mom and dad's generation. My mom and dad are not here. Aunt Norma is the oldest member of that generation, and she's here today to enjoy this moment for herself, for her family and for my mom and dad.

I want to recognize what I call the "White County boys" — Senator Dismang and Speaker Gillam. I appreciate your leadership and your partnership. And chief justice, I know that you hail from White County as well, but I don't dare call the chief justice a boy.

This is exciting for me. This is a new chapter in my life. I've been blessed in my life. But this is a new and exciting chapter that I've never been able to experience before — the legislative session, working with you and being governor of this great state. It's a new day for the state of Arkansas. And guess what? A new day leads to change and sometimes the unexpected in life. And it's natural because we live in a time of consistent change — the one thing that you can count on. Political change. Demographic change. New technologies that we experience every day. And change, we know, is often resisted because we are uncertain as to whether the change has taken us in the right direction. That's when we wrestle with convictions in our heart and with what is right. And that is understandable. But sometimes change is resisted because we are content, comfortable in the status quo. And let me tell you, friends and colleagues, that the status quo for Arkansas is not acceptable. Because we know that if we do not adapt to new technologies, to the global marketplace, to the new issues of security that our world faces, and to the spirit of competition and the

creation of jobs, then the next generation of Arkansans will be calling places like Austin and Charlotte and Dallas and New York home. That is unacceptable. I challenge myself, the citizens of this state, and my colleagues in this room to embrace the energy of change and growth.

I was in south Arkansas recently, after the election, and a friend came up to me and said, 'You've had a great victory. You had a margin that you might not have expected. Be bold in your leadership.' It was a great admonition for this time. It is a new day in Arkansas, and many of my newly elected fellow Republicans are reflections of that new day. Well, let me assure you, every one in this room reflects that new day in Arkansas and is a part of our leadership team. And while much is changing, what has not changed is why we are all here. We are here because of the people of Arkansas. We are here *for* the people of Arkansas. On that, I know we agree. And it binds us together.

Governing is not about which political party is in the majority. Governing is about setting aside differences and searching for common ground. And as we search for the common ground, we realize quickly that our differences are smaller than we thought and our hearts are larger than we imagined. We realize that we all care about the state we love, and that we can work together to accomplish even more to enhance freedom and the spirit that is uniquely American and, yes, uniquely Arkansas.

As you know, I've had five barbecues in the last week. I will not be having barbecue tonight. Why did we bring our inauguration festivals to Rogers and Fort Smith and Jonesboro and El Dorado? It is because this new day of opportunity in Arkansas is for everyone. We won't allow anyone to be left on the side of the road. Opportunity is for all. We are unified, searching for new opportunities, excited about the future.

I want to address very briefly today the upcoming legislative session, and I want to talk about a number of things that are important to me, that I know will be important to you, and that we will be working on together. In my judgment, the first order of business for the state of Arkansas is economic growth and job creation. We all have different priorities. We all want to improve education. We all want to build more highways. We all want to improve our criminal justice system. We all want to increase pre-K opportunities. But to do all that we need to do in this state, we have to grow our economy. And as we grow our economy, we will be able to do more in every category. That is our top priority.

The first order of business is the tax cut that will allow our state to be more competitive, that will make our income tax rate more competitive, and the first priority of that income-tax reduction is the middle class. My plan that will be presented later this week will provide a tax benefit for half-a-million Arkansans. It will allow us to be more competitive. Arkansas has the highest income-tax rate in our region. We need to reduce it. We need to flatten it. We need to be competitive. And that is the starting point. Now, some will say you have too high of an income-tax reduction; we can't afford that. Others will say your income-tax reduction is too modest; we should do more. I think what I will be proposing is about right for Arkansas and where we are today. I welcome the debate and the discussion. It is my top priority. We'll be working with you to accomplish that.

It is also important that I present, along with the proposed income-tax reduction, a balanced budget. And we will present our balanced budget by the end of the month. As good, conservative legislators, you want to see the whole picture. And we will present that whole picture with a balanced budget to include areas of savings and efficiencies in the budget. It will fully fund education, as is required, and it will reflect the priorities that I hope you will concur with. It is important that we look at education. One of the top proposals that I will present is an initiative to have computer science offered in every high school in Arkansas.

I ask for your help, your assistance, and your enthusiasm in accomplishing this goal, which will allow every small high school, every large high school, every rural high school, every urban high school, to provide the young people with the same technology education as anywhere in the state. It will give us the opportunity not to lag behind the nation but to lead the nation. If you can envision just 20 percent of our high school students taking computer coding, we will send 6,000 graduates into our economy each year with the ability to carry on a career in computer science. This drives our economy. It lays the foundation. I'm enthusiastic about it, and I hope you share that.

We also need to make sure we do all we can through our Arkansas Economic Development Commission to provide the leadership to compete with our surrounding states. There will be legislation that will allow private sector dollars to help us attract the best in economic development for the state of Arkansas. I ask for your assistance with that. Another issue that we will be addressing is health-care reform, and this is something that we are passionate about. It's something that we must address. It's something that has not always been met with the greatest unity in this

body. And I hope, and I ask, for your patience, as I make my health-care reform address on January 22nd. It's a short amount of time. Please be patient and await action until I have the opportunity to lay out my ideas and what I hope that you will consider in terms of health-care reform for the state of Arkansas.

There is much to be done. Another area that is sometimes neglected and sometimes avoided is criminal-justice reform. We have talked about new prison space. We have talked about the need for new parole officers. In fact, those are combined. When you look at the fact that we have more than 3,500 prisoners over-capacity in the Department of Correction, which actually mirrors the number of parole revocations of 2014 over 2013. There is clearly a correlation. And my objective is to address this problem over the long term by working to change behavior of those who are coming out of prison, so they simply do not re-enter that process months and years later.

To accomplish this, we will need more space, but we will also need to invest in a more effective parole system, change behavior, and have an effective re-entry program for those who are leaving prison and hoping to get a job. Those are objectives on which I think we can work together, so that we can add prison space and, over the long term, we can change behavior and provide more opportunity for all.

Finally, we began this day with a prayer service, which is a custom in Arkansas. But I cannot tell you how much it meant to me. And in that prayer service, I had three of my former pastors participate. I needed three because it takes three pastors to keep me on the right path. I noted that each of them had a different theme. One said we should pray for wisdom for our leaders. Another talked about the importance of truth as we make decisions. Then, finally, one talked about the importance of justice. And those are related, because as we pray for wisdom we will find truth and we will find justice. And those are essential ingredients. And if you will join me in prayer, we might start apart but I hope that our hearts will be knit, our hearts will come together, and we will find solutions that will work for Arkansas, that are unique to this state, and will allow us to build a new day in Arkansas. One in which our children and grandchildren will find their future right here in Arkansas, the state we love.

Thank you, and God bless you.

A RESOLUTION TO ADOPT THE RULES OF THE
HOUSE OF REPRESENTATIVES OF THE NINETIETH
GENERAL ASSEMBLY.

Subtitle
TO ADOPT THE RULES OF THE HOUSE
OF REPRESENTATIVES OF THE
NINETIETH GENERAL ASSEMBLY.

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE NINETIETH GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. The Rules of the House of Representatives of the Ninetieth General Assembly of the State of Arkansas are adopted to read as follows:

MEMBERS

1. Every representative shall be present within the House during the session of the House and every member shall be present at each committee meeting of which he/she is a member, unless excused or necessarily prevented. It is the policy of the Arkansas General Assembly, as a term-limited body, to encourage legislators to learn as much as possible by attending meetings of committees of which they are not a member. Prior signed and documented approval must be obtained from the chairperson of a committee for a visiting non-committee member to enjoy certain privileges offered to regular members.

2. For the purpose of seating in the House Chamber for an upcoming regular session of the General Assembly, the Speaker of the House shall, on the first Friday following the November General Election, declare all House Chamber seats vacant and representatives and representatives-elect must select in the order of their seniority any seat not occupied after notification by the Chief Clerk of available seats. Absence or failure to select a seat at the assigned selection time will automatically allow the Speaker to assign the member to his or her same seat if it is available or the member or member-elect to a seat selected by the Speaker.

Immediately following the selection of a seat by a member or member-elect or assignment of a seat by the Speaker, the member or member-elect's signature or Speaker's signature is required. Following all seat selections or assignments, member or member-elect's signatures or the Speaker's signature shall represent final movement. The Chief Clerk shall furnish voting machine and desk keys.

3. When it is necessary for seniority of incoming members to be determined by lot, the Speaker of the House and the Speaker-designate of the House shall conduct a drawing by lots upon receiving certification from the Secretary of State of the election of membership to each General Assembly. Qualified and certified persons to be seated and officially receive the oath of office may do so only at a time and place prescribed by the House. No person having resigned from public office as a provision to a plea agreement to avoid felony prosecution shall be seated or administered the oath of office. Incoming members with previous legislative tenure shall be placed highest in seniority among the incoming members based upon previous terms of service. Where an equivalence of full terms of service exists, seniority for those with equal terms shall be asserted by drawing lots to determine their numerical standing.

4. A majority of all representatives elected to the House shall be necessary to transact business. When less than a quorum of House members shall assemble, those present shall be authorized to send for the absent representatives or adjourn. Penalties may be decided by a majority of the representatives present. (Art. 5, Sec. 11)

5. Each representative is expected to vote on each question put before the House unless he/she has an immediate personal interest.

6. Any representative shall have the right to explain his/her vote on any bill or other question before the House, in writing. Such explanation shall not be entered upon the Journal, but shall be filed with the Chief Clerk.

7. Every bill or resolution in the possession of the House or of any committee thereof shall be made available to any member for his/her examination.

8. No member at any time shall take from the House or any committee any bill or other paper belonging to the House, without consent of the Speaker, subject to the will of the House.

9. It shall be the duty of each representative to know, practice and preserve Parliamentary Law.

THE SPEAKER

10. Selection.

10.(a) As used in this rule, the term "Speaker-designate" shall mean the member of the House of Representatives selected by the House of Representatives

of each General Assembly held preceding the convening of the next-following regular session of the General Assembly, in the following manner:

10.(a)(1) A caucus of the entire House of Representatives shall be held fifteen (15) minutes following sine die adjournment of the fiscal session held in each even-numbered year, at which time the members of the House shall select by secret ballot a member of the House to be known as the Speaker-designate. Each candidate for Speaker-designate shall be allowed fifteen (15) minutes to address the House before the ballot is taken. All members are required to be present for the addresses and for the election. In the event a member is unable to attend, absentee ballots may be requested by a member for himself/herself from the Speaker's Office no sooner than twenty (20) calendar days prior to the scheduled election and must be completed and returned to the Speaker's Office no later than four p.m. (4:00 p.m.) the day before the scheduled election. It is the intent of the Speaker's office to accommodate any and all members for Speaker-designate voting, should a member have a documented emergency arise, the Speaker may direct staff to allow for absentee voting up to two (2) hours prior to the scheduled election. Leave for absence shall be requested immediately before the time of the election. The Speaker shall announce the name and number of votes received by the candidate who received at least a majority of the votes of the membership of the House. Each candidate shall be entitled to verify the number of votes he or she received.

10.(a)(2) The candidate receiving a majority vote of the membership of the House of Representatives shall be declared the winner of such election for Speaker-designate of the House of Representatives of the next-following General Assembly.

10.(a)(3) If no candidate receives a majority vote of the membership of the House of Representatives, the names of the two (2) candidates receiving the highest number of votes cast shall be placed on a run-off ballot and distributed among the membership of the House of Representatives in the same manner provided above.

10.(a)(4) If it is determined that the Speaker-designate will not serve as a member of the House of Representatives of the next-following General Assembly due to death, resignation, failure to be a candidate for reelection in the party primary election, or failure to be reelected as a party candidate in the Primary Election, a vacancy in the position of Speaker-designate shall exist and be filled at the caucus of the entire House of Representatives-elect held on the Friday of the week designated for the biennial Institute of Legislative Procedure (House Legislative Orientation), and the Speaker of the House of Representatives shall be elected upon convening of the next regular session.

18.(i) Have an adequate knowledge of Parliamentary Law and the Rules of the Arkansas House of Representatives.

PARLIAMENTARY PRACTICE

19. When a question is under debate, motions shall have precedence in the following order (the request for a quorum call is always in order; the Chairperson is not compelled to accept any motion):

19.(a) To fix the time to which the House will adjourn (non-debatable) (majority of a quorum);

19.(a)(1) (A majority of a quorum is a majority of those voting when at least a majority of the members are present and voting);

19.(b) To adjourn (non-debatable) (majority of a quorum);

19.(c) To take a recess (non-debatable) (majority of a quorum);

19.(d) Postpone temporarily; lay on the table (non-debatable) (majority of a quorum) To take from the table (non-debatable) (majority of a quorum) (when the motion to take from the table is adopted, the proposition takes the same position it held when the motion to lay on the table was adopted);

19.(e) Immediate consideration (non-debatable) (2/3 of a quorum);

19.(f) Previous question (non-debatable) (5 seconds) (majority of a quorum);

19.(g) Limit or extend debate (non-debatable) (2/3 of a quorum);

19.(h) To expunge (debatable) (2/3 of membership) (67);

19.(i) Postpone to a day certain (debatable) (majority of a quorum);

19.(j) Committee of the Whole, go into (non-debatable) (majority of a quorum);

19.(k) Refer (debatable) (majority of a quorum);

19.(l) Amend (debatable) (majority of a quorum);

19.(m) Postpone indefinitely (debatable) (majority of membership);

19.(n) Take out of proper order (non-debatable) (2/3 of a quorum);

19.(o) Special order of business (debatable) (2/3 of a quorum); and

19.(p) To suspend the rules (non-debatable) (2/3 of a quorum).

20. A motion to adjourn shall always be in order, when the Floor can be obtained for that purpose, except when the previous question has been ordered.

21. The motion to recess, when the Floor can be obtained for that purpose, must specify the time which shall elapse and the time for reconvening. It may be amended to alter specific time.

22. Previous question:

22.(a) When any debatable question is before the House, any member may move the previous question. It shall be seconded by five (5) members whether the question shall be stated. When the previous question shall have been adopted, the proponents shall be allowed fifteen (15) minutes in which to debate it, and the opponents of the main question shall be allowed fifteen (15) minutes, after which time a vote upon the main question shall be taken.

22.(b) Pending a vote on the main question, one (1) motion to refer is permitted. A motion to refer under this rule applies to House resolutions as well as to House bills, to Senate bills and to Senate amendments to a House bill, and to a motion to amend the Journal. The motion to refer under this rule is non-debatable and may not be laid upon the table.

23. A motion to postpone to a day certain may not specify the hour; a special order is necessary to specify the hour; the motion may be amended and it is debatable within narrow limits only, confined to the merit of the motion itself.

24. The simple motion to refer is debatable within its narrow limits, but the merits of the proposition to which it is proposed to refer may not be brought into the debate. The motion to refer with instructions is debatable (majority vote of a quorum). When a question is raised about the proper referral of a bill to committee, if the Speaker admits error in the referral of the bill to a committee, the bill may be re-referred by a majority vote of a quorum; however, if the Speaker does not admit error in the referral of the bill to committee, the bill may only be re-referred by a two-thirds (2/3) vote of a quorum. When a bill is re-referred to a committee, any previous committee recommendation is automatically stripped from the bill.

24.(a) When a motion is under consideration, only two (2) substitutes to that motion shall be in order. Only a motion applicable to the main motion and of a higher precedence upon recognition may be substituted for the motion under consideration. A substitute to the third degree shall not be in order. Unless specified otherwise by the presenter of the motion at the time the motion is made, a substitute motion shall apply to the main motion.

25. The motion to postpone indefinitely opens to debate all the merits of the proposition to which it is applied. It may not be applied to the motion to refer, or to suspend the rules, or to motions relating to the order of business.

25.(a) The motion for indefinite postponement and possible consideration by a joint interim committee shall be as follows: "Mr. Speaker, I move that consideration of _____ be postponed indefinitely and that consideration be given by the joint interim committee on _____ for a study of _____." (majority of membership).

26. The motion to limit or extend debate must specify time limitations. A substitute motion specifying a lesser time may be accepted.

27. Reconsideration:

27.(a) When a proposition has been made and carried or lost, it shall be in order for any member of the majority on the same or succeeding legislative day to move for the reconsideration thereof, or give notice of his/her intentions to do so and such motion shall take precedence over other questions except consideration of a conference report or a motion to adjourn: Provided, the motion or proposition shall only be considered during the period reserved for regular bills. The notice shall not be withdrawn after the said succeeding legislative day without the consent of the House, and thereafter any member may call it up for consideration: Provided, the notice to reconsider must be disposed of within three (3) legislative days following the day the vote was taken; provided, that such notice to reconsider cannot be given after the 57th day of a regular session or during a special session or fiscal session during which times a motion to reconsider must be disposed of immediately.

27.(b) The provisions of the rule that the motion may be made "by any member of the majority" is construed, in case of a tie, to mean the member of the prevailing side, and the same construction applies in the case of a two-thirds (2/3) vote. Where the yeas and nays have not been ordered recorded in the Journal, any member, irrespective of whether he/she voted with the majority or not, may make the motion to reconsider or give notice thereof; but a member who was absent or who was paired in favor of the majority contention and did not vote may not make a motion.

27.(c) A bill in the possession of the House is not considered passed or an amendment agreed to if a motion to reconsider is pending; the effect of the motion being to suspend the original proposition. A notice or motion to reconsider shall not be allowed unless the bill is in the House. A bill shall not leave the House once notice of reconsideration is given. When the motion to reconsider is decided in the affirmative, the question immediately recurs on the motion reconsidered. However, prior to consideration of the question at hand, the Speaker shall have the title, expressing the main contents of the proposition being reconsidered, read to the

House. When the motion to reconsider is defeated, a second motion to reconsider may not be made.

27.(d) The motion to reconsider is agreed to by a majority of a quorum, even though the vote reconsidered requires a majority or more of the membership. Upon reconsideration when a proposition has been voted twice and either carried or lost it is considered "Clinched".

27.(e) A notice to reconsider is not debatable. A motion to reconsider is debatable when the item to which it applies is debatable.

27.(f) No bill, petition, memorial, or resolution referred to a committee or reported there-from for recommitment shall be brought back into the House on a motion to reconsider.

27.(g) The "Clincher" motion is two (2) motions in one (1); it is a motion to reconsider and to lay on the table. Having prevailed, the proposition shall not be again considered except by expunging the record. The "Clincher" motion is adopted by a majority of the membership. The Speaker shall accept a "Sound the Ballot" request after the "Clincher" has been adopted and before the next order of business is called.

27.(h) No "Clincher" motion shall be entertained on a bill passed during the morning hour or which has been represented to be non-controversial regardless of when passed. Prior to the 60th day of a session, no bill passed during the morning hour, or a bill appearing on the non-controversial bill calendar which has passed, shall be transmitted to the Senate until the expiration of the morning hour of the day next following its passage in which the House is in session.

28. No dilatory motion shall be entertained by the Speaker.

29. Two-thirds (2/3) of a quorum may suspend the rules, other than rules that require a two-thirds (2/3) or three-fourths (3/4) vote of the membership. (J.R. 14 - Suspending Joint Rules)

30. No standing rule or order shall be revised without one (1) day's notice being given thereof.

31. In every case not provided for in the House rules, the Speaker, the Parliamentarian, and the members shall be guided by Mason's Manual of Legislative Procedure. Each member of the Rules Committee may be furnished a copy of the current edition and of each new or revised edition of Mason's Manual of Legislative Procedure and additional copies may be available to other members from the Parliamentarian, upon approval of the Rules Committee.

A joint resolution proposing a Constitutional amendment shall be placed on the regular House calendar and is subject to Rule 27 (h).

(3) Notwithstanding House Rule 40.(d), shell bills may be amended after first reading with a substantive amendment under the process of members amending their own bills with their own amendments. If the Committee on the Journal; Engrossed and Enrolled Bills determines that the shell bill has been substantively amended and engrossed and no longer meets the definition of a shell bill, it shall report its determination to the Speaker. The Speaker may then at any time direct the Clerk to read the bill a second time and assign the bill to committee.

Concurrence in the Senate amendment shall not be considered by the House until the committee report is received by the House. When a House bill is amended and passed by the Senate and is returned to the House, the bill shall be reprinted with the Senate amendments included therein and specifically identified and shall be placed on each member's desk before final action is taken on the bill by the House. When the Senate amendment is before the House, the same number of votes will be required to concur in the Senate amendment as was required in the original passage of the bill in the House. Amendments containing an emergency clause require sixty-seven (67) votes.

47.(c) Fifty-one (51) votes shall be required to adopt a House amendment to a House or Senate bill. When a House bill has been amended in the House, it shall not be acted upon until it has been engrossed and such engrossed bill has been printed and placed on each member's desk.

Senate bills may be amended in accordance with the applicable rules provided for amending members' own House bills with their own amendments.

47.(q) Members’ own House bills may be withdrawn at a specific time set aside by the House by placing them on the “Withdrawal Calendar” no later than 4:30 p.m., the day preceding the day they are to be withdrawn. House bills for withdrawal may be placed on the “Withdrawal Calendar” only by the member whose name is listed first as author of the bill. The member requesting withdrawal may recommend the bill to be studied by the same committee to which the bill was assigned at the time of request for withdrawal.

47.(r) Budget bills sponsored by members but recommended to be amended to delete the sponsor and substitute the Joint Budget Committee as sponsor may be amended during the period set aside to amend "Members Own Bills with their Own Amendments".

ADDENDUM

HOUSE OF REPRESENTATIVES COMMITTEE CHAIRPERSONS MANUAL AND HOUSE COMMITTEE RULES

A committee chairperson is a member appointed by the Speaker of the House to function as the parliamentary head of a standing, select, special or joint committee.

1) The chairperson (or vice chairperson in his or her absence) shall call the committee to order at the appointed time.

2) The presider shall determine a quorum present either by declaration, without objection, or by calling the roll (for quorum purposes only a roll call will be required if there is one objection by a committee member to the declaration of the presence of a quorum).

3) The presider shall maintain order of the committee meeting.

4) The presider shall decide all questions of order subject to appeal to the Speaker of the House who may refer the question to the Rules Committee whose decision may be appealed to the full House.

5) The presider shall supervise and direct the staff of the committee.

6) The presider shall prepare, or supervise the preparation of, and sign all reports of the committee and submit them to the full House.

House Rule 55.(b) and 55.(c)

55.(b) All committees shall consider the bills, resolutions, amendments, petitions, and memorials referred to them and in their possession and make one of the following reports in writing to the House:

55.(b)(1) That a bill, resolution, petition or memorial “do pass”;

55.(b)(2) That a bill, resolution, petition or memorial “do not pass”, in which event the measure shall not be considered unless the vote is expunged;

55.(b)(3) That a bill, resolution, petition or memorial “do pass as amended”.

55.(c) No bill, resolution, petition or memorial shall be acted upon by the House without a “do pass” or a “do pass as amended” recommendation. No bills shall be placed on the non-controversial calendar or deemed to be non-controversial in any way unless a motion is adopted in the committee to which the bill was referred. With a quorum present, the motion is considered adopted if there are no negative votes.

7) A quorum (one more than half the total membership of the committee) must be present to transact official House committee business.

(House Rule 66) No committee shall transact business without a quorum (a majority of the committee membership present). All final action on bills or resolutions, and on proposed amendments to bills or resolutions, shall be decided by a majority vote of the total membership of the committee. Provided, however, that the Speaker of the House shall not be included for the purpose of determining what is a majority of a standing committee, unless present at the time of the vote. A member of the committee must be present at the time of the vote for his/her vote to be counted on any matter considered by the committee (no pairs, no proxies).

8) (House Rule 54. (c)(2)) The rules or proceedings of the House of Representatives shall be observed in all select committees, standing committees, and subcommittees of the House so far as they may be applicable.

The precedence of motions so far as they are applicable shall be as listed in House Rule 19(a) – (q):

(House Rule 19) When a question is under debate, motions shall have precedence in the following order (the request for a quorum call is always in order; the chairperson is not compelled to accept any motion):

19(a) To fix the time to which the House will adjourn (non-debatable) (majority of a quorum);

19(a)(1) (A majority of a quorum is a majority of those voting when at least a majority of the members are present and voting);

19(b) To adjourn (non-debatable) (majority of a quorum);

19(c) To take a recess (non-debatable) (majority of a quorum);

19(d) Postpone temporarily; lay on the table (non-debatable) (majority of a quorum)
To take from the table (non-debatable) (majority of a quorum) (when the motion to take from the table is adopted, the proposition takes the same position it held when the motion to lay on the table was adopted);

19(e) Immediate consideration (non-debatable) (2/3 of a quorum);

19(f) Previous question (non-debatable) (5 seconds) (majority of a quorum);

19(g) Limit or extend debate (non-debatable) (2/3 of a quorum);

19(h) To expunge (debatable) (2/3 of membership) (67);

19(i) Postpone to a day certain (debatable) (majority of a quorum);

19(j) Committee of the Whole, go into (non-debatable) (majority of a quorum);

19(k) Refer (debatable) (majority of a quorum);

19(l) Amend (debatable) (majority of a quorum);

19.(m) Postpone indefinitely (debatable) (majority of membership);

19.(n) Take out of proper order (non-debatable) (2/3 of a quorum);

19.(o) Special order of business (debatable) (2/3 of a quorum); and

19.(p) To suspend the rules (non-debatable) (2/3 of a quorum).

9) (House Rule 60(a)) All committee and subcommittee meetings including but not limited to hearings at which public testimony is to be taken, (normally called “public hearings”) shall be open to the public (Art. V, Sec. 13) and shall be scheduled at least eighteen (18) hours in advance; agendas of bills, resolutions, and other proposals to be considered at such meetings shall be posted in a designated place at least eighteen (18) hours in advance; but in case of an emergency, a two-thirds (2/3) majority of the membership of the committee may bring bills or resolutions up for consideration upon notice of not less than two (2) hours.

10) (House Rule 60(b)) Special meetings of a standing committee may be called by the chairperson of the committee or by a majority of the members of the committee for conducting any business of the committee; provided, a special meeting of the committee may not conflict with regularly scheduled meetings of any standing committee; provided further, special meetings shall be subject to the same procedures regarding the publishing of agendas and notices of meetings that apply to regular standing committee meetings. (J.R. 22 – Joint Committee)

11) (House Rule 61(a)) All persons wishing to offer testimony to a committee hearing shall be given a reasonable opportunity to do so as determined by a majority of the committee. An oral or written statement shall not be a prerequisite to offer testimony before a committee.

12) (House Rule 63) No committee shall sit while the House is in session except the Committee on Rules or a Conference Committee, which shall notify the House.

13) (House Rule 66(a)) A bill, resolution or amendment in a House committee, having been rejected twice, shall not be placed on the committee calendar again or considered again during the same legislative session unless the vote is expunged (two-thirds of the membership of the committee). The motion to expunge shall be placed on the committee agenda, by a committee member, and placed at the bottom of the active list. A bill or resolution may be amended before a second consideration; but, unless expunged, even an amended bill having failed twice shall not be placed on the calendar or considered. Notice of reconsideration not permitted in committee.

14) (House Rule 47(a)) When a bill or resolution is under consideration, amendments shall be in order. Upon adoption, amendments shall become a part of the bill or resolution. Amendments to amendments may not be offered. All amendments offered before the House or one of its committees must be typewritten on an approved amendment form and signed by the sponsor. All amendments shall be attached to the original bill or resolution, numbered by the Bill Clerk, and shall be placed upon the members' desks before being acted upon by the House.

(House Rule 38(e)) All amendments shall be entered on a separate sheet of paper noting the line or lines to be changed and the words to be deleted or inserted.

15) (House Rule 68) No bill or resolution shall be introduced with a committee as the author of said bill or resolution unless that committee has voted unanimously to sponsor the bill or resolution.

16) (House Rule 69) Committee Records and Reports

69(a) The chairperson of each committee of the House shall keep or cause to be kept a separate record for each committee meeting in which there shall be entered:

69(a) 1. The time and place of each hearing and each meeting of the committee.

69(a) 2. The number and title of the bill or resolution with one of the following three recommendations: "do pass", "do pass as amended", or "do not pass". If a committee recommends a bill or resolution "do pass as amended" and any of the amendments recommended by the committee are not adopted on the floor, the bill or resolution shall be re-referred to the same committee for further consideration and recommendation.

69(a) 3. A summary of each bill or resolution's major provisions which may be several paragraphs in length in case of major bills or resolutions or simply the title of the bill or resolution in the case of minor bills or resolutions.

69(a) 4. The reason for the committee's action on the bill or resolution, including a brief minority report, if requested by any two (2) committee members.

69(a) 5. A record of how every member voted on each bill or resolution when action is taken by the committee, including votes on a motion to postpone consideration on the bill or resolution and a recorded vote on any other motion, if requested by any two (2) committee members.

69(a) 6. A list of all people testifying before a committee on each bill or resolution, the interest that they represent, and an indication of their position on the bill or resolution.

17) (House Rule 69(b)) Such records for each separate committee meeting shall be approved by the chairperson before the expiration of a seven (7) day period, with the exception of those records referred to in (a) 1. and 2., hereinabove which shall be filed immediately with the Clerk of the House.

18) (House Rule 24 part) When a question is raised about the proper referral of a bill or resolution to committee, if the Speaker admits error in the referral of the bill or resolution to a committee, the bill or resolution may be re-referred by a majority vote of a quorum; however, if the Speaker does not admit error in the referral of the bill or resolution to committee, the bill or resolution may only be re-referred by a two-thirds (2/3) vote of a quorum. When a bill or resolution is re-referred to a committee, any previous committee recommendation is automatically stripped from the bill or resolution. When a motion is under consideration, only two (2) substitutes to that motion shall be in order. Only a motion applicable to the main motion and of a higher precedence upon recognition may be substituted for the motion under consideration. A substitute to the third degree shall not be in order. Unless specified otherwise by the presenter of the motion at the time the motion is made, a substitute motion shall apply to the main motion.

19) (House Rule 55 (a)) House Committee Staff will automatically and without delay place all bills or resolutions referred to the committees on the committee agendas. Staff will notify the sponsor of bills or resolutions assigned to committee. Referred bills shall be placed on the committee's active agenda in the order they are read across the desk on the House Floor. When an active agenda is established in a committee and bills from that agenda are not placed on the deferred list and if they are passed over, they are placed at the bottom of the list of the day's active agenda. Bills read across the desk on the House Floor later that same day or on a later day

are placed on the active agenda in the order they are read below bills already on the active agenda.

20) After a bill or resolution has appeared on the Committee agenda and has been called up for consideration by the Committee and the sponsor of the bill or resolution or a representative is not present to present the bill or resolution, the bill or resolution will be placed on the active agenda two (2) additional times, but will be placed at the bottom of the active agenda.

21) If the sponsor or a representative is not present to present the bill or resolution when called up after the bill or resolution has appeared on the active agenda when called up during the third meeting, the bill or resolution will be automatically dropped from the active agenda and placed on the deferred list unless the sponsor notifies staff to put the bill or resolution back on the active agenda before the agenda is prepared, for the next called meeting. Requests to move bills or resolutions from the deferred list to the active agenda must be made by 2:30 p.m. two (2) days prior to the scheduled committee meeting. Bills moved from the deferred list to the active agenda shall be listed at the bottom of the active agenda. Bills on the deferred list may be moved to the active calendar as provided by rule for a total of three (3) times only. A suspension of this rule by the Committee (two-thirds of a quorum) will be required for each transfer of any bill having been moved three (3) times previously.

22) Bills or resolutions suggested as non-controversial will be considered before consideration of controversial bills or resolutions on the agenda. The objection of one (1) committee member to the consideration of a bill or resolution as non-controversial will automatically keep the bill or resolution from being considered as being non-controversial. Even though a bill or resolution has been considered as non-controversial, it will be necessary after a "do pass" or "do pass as amended" recommendation that a motion be made and there be unanimous consent of no less than a quorum of the Committee for a bill or resolution to be eligible to be placed on the House Non-controversial Calendar.

23) If a bill or resolution is discussed by a committee at a meeting, but is not voted on because of time limitations or because the vote is deferred to the next meeting, the bill or resolution will not lose its order on the agenda and will not be counted as having been considered.

24) The author/sponsor of a bill or resolution may make a presentation for his/her bill or resolution and may elect at that time to respond to questions from the committee members. Following the initial presentation, non-legislative---non-committee members will be allowed to alternately speak against and for the bill or resolution. A procedural motion made by a member of the committee and adopted by the committee to limit or end debate will be allowed to govern non-legislative--non-

committee members' discussions. At the conclusion of the non-legislative--non-committee member proponent and opponent presentations, the sponsor may return to the podium and may elect to field questions from the committee members. Those questions should be limited to requests for clarification or the securing of information. Questions that are rhetorically offered and are dilatory for the effect of debate are discouraged. At this point, the chair will entertain motions from committee members only. For disposition of a proposition in a House Committee, procedural motions (limit debate, immediate consideration, etc.) are allowed only following a main motion (do pass, do not pass, do pass as amended, etc.). Discussion from that point forward is limited to committee members for and against the motion, if debatable, in alternating fashion. If immediate consideration is not adopted and if debate has not been limited and time has not expired, the sponsor of the motion will be allowed to close for his/her motion. During the closing, the sponsor of the motion may elect to field questions from committee members. At the conclusion of these presentations, a vote will be taken on the motion properly before the committee.

25) As determined by the presider courtesy may be extended to General Assembly members who are non-committee members who need to return to their own committee meetings.

26) (House Rule 66) Eleven (11) members of a standing committee constitute a committee quorum with the Speaker present if he/she is a member of the committee and ten (10) members when the Speaker is not present. A committee recommendation of a bill or resolution will require these same numbers.

27) Smoking is prohibited in the committee rooms and all adjoining rooms.

28) (House Rule 69(a)5) A roll call vote will be required if requested by any two (2) committee members, except for a quorum call which may be requested by one (1) member. The request for a quorum call is always in order.

29) When a roll call is required, the roll will be called by seniority with the vice chairperson being called next to last and the chairperson last. For a member's vote to be counted and recorded, he/she must vote "yes", "no" or "present".

30) During a roll call vote, when a member's name has been called twice and he/she does not respond, or when a member passes, they will not be allowed to vote at a later time on the current issue before the committee.

31) No seconds are required during the legislative process except those that are explicit in the rules, (roll call, previous question, sound the ballot, etc.)

32) (House Rule 38(p)) "Fiscal impact statement" means a realistic statement of the estimated financial cost of implementing or complying with a proposed law regarding:

- (1) Municipalities;
- (2) Counties;
- (3) Education, as related to the State of Arkansas and local school districts grades kindergarten through twelve (K-12);
- (4) Corrections, if imposing new or additional costs and restrictions on inmate population patterns or affecting programs or services of the Department of Correction; or
- (5) Lottery, if amending Chapter 115 of Title 23 of the Arkansas Code or imposing a new or increased cost to the Arkansas Lottery Commission or a lottery.

33) (House Rule 38(q)) When any House or Senate bill or resolution requiring an expenditure of public funds or otherwise imposing a new or increased cost obligation is pending before any committee of the House of Representatives, any member of the committee may request that a fiscal impact statement for such bill or resolution be placed on the desk of each member of the committee before the bill or resolution is called up for final action in the committee. If such request is made, the chairperson of the committee shall refer the bill or resolution to the appropriate state agency or to the legislative staff for the preparation of a fiscal impact statement, to be returned to the committee in writing not later than five (5) days from the date of the request.

34) (House Rule 38(s)) Fiscal impact statements shall be made available to House Committees:

- (1) At least three (3) days before the bill may be called up for final action in the House Committee during a regular legislative session or fiscal session of the General Assembly; and

- (2) At least one (1) day before the bill may be called up for final action in the House Committee during a special session of the General Assembly.

Fiscal impact statements shall be made available to the full House of Representatives at least one (1) day before the bill may be called up for third reading and final action in the House of Representatives.

35) (House Rule 38(t)) Failure of the sponsor of a bill or resolution to provide the fiscal impact statement required in this rule shall not prohibit the consideration of it in the committee to which referred or on the floor of the House of Representatives, if no objection to it is made at the time such action is taken.

AMENDMENT NO. 1 TO HOUSE BILL NO. 1158

Amend **HOUSE BILL NO. 1158** as originally introduced:

Add Senator Hester as a cosponsor of the bill

AND

Delete everything after the enacting clause, and substitute the following:

"SECTION 1. Arkansas Code Title 11 is amended to add an additional chapter to read as follows:

CHAPTER 16

Right to a Lawful Occupation

11-16-101. Purpose.

The purpose of this chapter is to:

(1) Ensure that a person may pursue a lawful occupation free from unnecessary regulation; and

(2) Protect against the misuse of occupational rules to reduce competition and increase prices to consumers.

11-16-102. Definitions.

As used in this chapter:

(1) "Certification" means a voluntary program for which the government establishes the criteria to grant recognition to a person who:

(A) Has met certain predetermined personal qualifications for a lawful occupation; and

(B) May use "certified" as a designated title;

(2) "Court" means a court of law, administrative tribunal, or other government agency acting in a judicial or quasi-judicial capacity;

(3) "Government" means a state or local agency, board, or commission;

(4) "Lawful occupation" means a course of conduct, pursuit, or profession that includes the sale of goods or services that are not themselves illegal to sell irrespective of whether the person selling them is subject to an occupational regulation;

(5) "Least restrictive means of furthering the compelling governmental interest" means the following, from least restrictive to most restrictive:

(A) A provision for private civil action to remedy consumer harm;

(B) Deceptive trade practice acts and other laws that protect consumers from harm;

(C) Inspection;

(D) Bonding;

(E) Registration;

(F) Certification; and

(G) Licensing;

(6) "Occupational license" means an authorization to perform a lawful occupation for compensation based on meeting predetermined personal qualifications established by the government;

(7) "Occupational regulation" means a statute, ordinance, rule, practice, policy, or other government-prescribed requirement for a person to work in a lawful occupation;

(8) "Personal qualifications" means criteria related to an individual's personal background, including without limitation the following:

(A) Completion of an approved educational program;

(B) Satisfactory performance on an examination;

(C) Work experience;

(D) Criminal history;

(E) Moral standing; and

(F) Completion of continuing education;

(9)(A) "Registration" means a requirement established by the government in which a person:

(i) Submits notification to a state agency; and

(ii) May use "registered" as a designated title.

(B) "Registration" may include without limitation the disclosure

of:

(i) The registered person's name and address;

(ii) The registered person's agent for service of process;

(iii) The location of the activity to be performed; and

(iv) A description of the service the registered person

provides.

(C) "Registration" may include a requirement to post a bond or obtain insurance but does not include personal qualifications; and

(10) "Substantial burden" means:

(A) A legal or other regulatory obstacle that imposes significant difficulty or cost on a person seeking to enter into or continue in a lawful occupation; and

(B) A burden that is more than incidental.

11-16-103. Right to engage in a lawful occupation.

(a) A person has a right to engage in a lawful occupation free from an occupational regulation that creates a substantial burden unless the government demonstrates that:

(1) It has a compelling interest in protecting against present and recognizable harm to the public health or safety; and

(2) The occupational regulation is the least restrictive means of furthering the compelling governmental interest.

(b) The right established in this section is subject to the following:

(1) A noncertified person shall not use the title "certified" in performing a lawful occupation that is subject to certification requirements;

(2) A nonlicensed person shall not perform for compensation a lawful occupation for which an occupational license is required; and

(3) A nonregistered person shall not use "registered" as a designated title.

11-16-104. Defense and relief.

(a) A person may assert as a defense the right to engage in a lawful occupation in any judicial or administrative proceeding to enforce an occupational regulation that violates this chapter.

(b)(1) A person may assert a defense to an occupational regulation under this section if the occupational regulation:

(A) Existed as of the effective date of this chapter; or

(B) Was enacted, adopted, or amended after the effective date of this chapter.

(2) Subdivision (b)(1) of this section does not apply if the occupational regulation contains an exemption from this chapter.

(c)(1) A person who asserts a defense under this section has the initial burden of proving that an occupational regulation is a substantial burden on the person's right to engage in a lawful occupation.

(2) If a person meets the burden of proof under subdivision (c)(1) of this section, the government shall demonstrate by clear and convincing evidence that:

(A) It has a compelling interest in protecting against present and recognizable harm to the public health or safety; and

(B) The occupational regulation is the least restrictive means of furthering the compelling governmental interest.

(d) This section does not:

(1) Require a private party to do business with a person who is not certified, licensed, or registered to perform the lawful occupation for compensation;
or

(2) Apply to occupations in which state law imposes a fiduciary duty on the person performing the occupation.

11-16-105. Judicial determination.

(a) This chapter shall be construed liberally to protect the right to engage in a lawful occupation established in this chapter.

(b) A court considering a potential violation of this chapter shall:

(1) Make its own findings of fact and conclusions of law; and

(2) Not grant any presumption to legislative determinations:

(A) Of harm to the public health or safety; or

(B) That the regulation is the least restrictive means of furthering the compelling governmental interest.

11-16-106. Superseding legislation.

In order to be exempt from this chapter, a law that enacts or amends an occupational regulation after the effective date of this chapter shall explicitly state that it supersedes the right to engage in a lawful occupation.

11-16-107. Applicability.

This chapter applies only to private employees and does not affect or impair a government's authority to prescribe occupational regulations for public employees."

SUPREME COURT OF ARKANSAS

No.

Opinion Delivered July 19, 2007

IN RE: ARKANSAS SUPREME
COURT COMMITTEE ON
SECURITY AND EMERGENCY
PREPAREDNESS

PER CURIAM

The Arkansas Task Force on Court Security was created to examine court security in Arkansas and to make recommendations to the Supreme Court. See *In re: Adoption of Recommendations from the Arkansas Task Force on Court Security*, ___ Ark. Appx. ___

(February 1, 2007). In February, we responded to certain of the recommendations submitted by the Task Force, including the adoption of minimum guidelines for court security and emergency preparedness, and discussed the current state of court security and the need for improvements.

Id. We are pleased to acknowledge the General Assembly's response to other recommendations of the Task Force in passing The Court Security Act (Act 576 of 2007), which created the Office of Security and Emergency Preparedness and the Director of Security and Emergency Preparedness within the Administrative Office of the Courts, created a court security grant program to provide funds to cities and counties to implement local security and emergency preparedness plans for circuit and district courts, and established standards for persons serving as court security officers.

One of the Task Force's recommendations, which was previously deferred, was the creation of the Supreme Court Committee on Security and Emergency Preparedness. The purpose of the committee is to recommend and evaluate uniform state policies on court security and emergency preparedness and assist local courts in drafting and implementing local plans. Today, we adopt this recommendation, create the Arkansas Supreme Court Committee on Security and Emergency Preparedness, and appoint the initial members. The structure of the committee is as follows:

Arkansas Supreme Court Committee on Security and Emergency Preparedness

A. The Arkansas Supreme Court Committee on Security and Emergency Preparedness shall consist of 17 voting members, appointed as provided herein. All subsequent appointments

of voting members shall be for a term of three years. A voting member may be

appointed to serve no more than two successive three-year terms.

B. Should any vacancy in the term of a voting member occur, the appropriate appointing authority shall appoint a successor voting member who shall serve the remainder of the term.

Any member whose term shall expire shall continue to serve until his or her successor is appointed.

C. The Arkansas Supreme Court shall appoint 15 members of the committee and the Speaker of the Arkansas House of Representatives and the President Pro Tempore of the Arkansas Senate shall each be entitled to appoint one member of their respective chambers to serve as members of the Committee.

The initial members of the committee and their terms of office are as follows:

Circuit Judge Jim Hudson of Texarkana (Chair) (September 30, 2010),

Sheriff Keith Bowers of Batesville (September 30, 2010),

Mr. Larry Burris, Chief Court Bailiff, of Fort Smith (September 30, 2008),

Hon. Sonny Cox, Arkansas County Judge (September 30, 2008),

Mr. Eddie Davis, Arkansas Supreme Court Police Chief (September 30, 2009),

Circuit Judge Tim Fox of Little Rock (September 30, 2008),

Ms. Pat Hannah of the Workers' Compensation Commission (September 30, 2009),

Hon. Mike Jacobs, Johnson County Judge (September 30, 2010),

Mr. David Maxwell, Director, Arkansas Department of Emergency Management (September 30, 2010),

Mayor James Morgan of White Hall (September 30, 2008),

Ms. Vicki Rima, Garland County Circuit Clerk (September 30, 2008),

District Court Judge David Saxon of Fort Smith (September 30, 2010),

Circuit Judge Hamilton Singleton of Camden (September 30, 2009),

Mayor Tommy Swaim of Jacksonville (September 30, 2009), and

District Court Judge Cheney Taylor of Batesville (September 30, 2009)

We thank each of these members for their willingness to serve as charter members of this undertaking. In addition to these members, we request the Speaker of the House and the President Pro Tempore of the Senate to appoint one member of their respective chambers to serve on the committee.

SUPREME COURT OF ARKANSAS

No.

Opinion Delivered July 19, 2007

IN RE: ARKANSAS SUPREME
COURT COMMITTEE ON
SECURITY AND EMERGENCY
PREPAREDNESS

PER CURIAM

The Arkansas Task Force on Court Security was created to examine court security in Arkansas and to make recommendations to the Supreme Court. See *In re: Adoption of Recommendations from the Arkansas Task Force on Court Security*, ___ Ark. Appx. ___

(February 1, 2007). In February, we responded to certain of the recommendations submitted by the Task Force, including the adoption of minimum guidelines for court security and emergency preparedness, and discussed the current state of court security and the need for improvements.

Id. We are pleased to acknowledge the General Assembly's response to other recommendations of the Task Force in passing The Court Security Act (Act 576 of 2007), which created the Office of Security and Emergency Preparedness and the Director of Security and Emergency Preparedness within the Administrative Office of the Courts, created a court security grant program to provide funds to cities and counties to implement local security and emergency preparedness plans for circuit and district courts, and established standards for persons serving as court security officers.

One of the Task Force's recommendations, which was previously deferred, was the creation of the Supreme Court Committee on Security and Emergency Preparedness. The purpose of the committee is to recommend and evaluate uniform state policies on court security and emergency preparedness and assist local courts in drafting and implementing local plans. Today, we adopt this recommendation, create the Arkansas Supreme Court Committee on Security and Emergency Preparedness, and appoint the initial members. The structure of the committee is as follows:

Arkansas Supreme Court Committee on Security and Emergency Preparedness

A. The Arkansas Supreme Court Committee on Security and Emergency Preparedness shall consist of 17 voting members, appointed as provided herein. All subsequent appointments

of voting members shall be for a term of three years. A voting member may be

appointed to serve no more than two successive three-year terms.

B. Should any vacancy in the term of a voting member occur, the appropriate appointing authority shall appoint a successor voting member who shall serve the remainder of the term.

Any member whose term shall expire shall continue to serve until his or her successor is appointed.

C. The Arkansas Supreme Court shall appoint 15 members of the committee and the Speaker of the Arkansas House of Representatives and the President Pro Tempore of the Arkansas Senate shall each be entitled to appoint one member of their respective chambers to serve as members of the Committee.

The initial members of the committee and their terms of office are as follows:

Circuit Judge Jim Hudson of Texarkana (Chair) (September 30, 2010),

Sheriff Keith Bowers of Batesville (September 30, 2010),

Mr. Larry Burris, Chief Court Bailiff, of Fort Smith (September 30, 2008),

Hon. Sonny Cox, Arkansas County Judge (September 30, 2008),

Mr. Eddie Davis, Arkansas Supreme Court Police Chief (September 30, 2009),

Circuit Judge Tim Fox of Little Rock (September 30, 2008),

Ms. Pat Hannah of the Workers' Compensation Commission (September 30, 2009),

Hon. Mike Jacobs, Johnson County Judge (September 30, 2010),

Mr. David Maxwell, Director, Arkansas Department of Emergency Management (September 30, 2010),

Mayor James Morgan of White Hall (September 30, 2008),

Ms. Vicki Rima, Garland County Circuit Clerk (September 30, 2008),

District Court Judge David Saxon of Fort Smith (September 30, 2010),

Circuit Judge Hamilton Singleton of Camden (September 30, 2009),

Mayor Tommy Swaim of Jacksonville (September 30, 2009), and

District Court Judge Cheney Taylor of Batesville (September 30, 2009)

We thank each of these members for their willingness to serve as charter members of this undertaking. In addition to these members, we request the Speaker of the House and the President Pro Tempore of the Senate to appoint one member of their respective chambers to serve on the committee.
