Impact Summary¹ Cannot be determined.

Change from current law² Amends Arkansas Code Title 5, Chapter 14, Subchapter 1, by creating Arkansas Code Annotated § 5-14-135, Registered offender prohibited from recording a person under 14 years of age - Unlawful use of recording online. Under the proposed bill, it is unlawful for a person who is required to register under the Sex Offender Registration Act of 1977, A.C.A. § 12-12-901 et seq., and who has been assessed as a Level 3 or Level 4 offender to knowingly (1) record a person under fourteen (14) years of age after the person has previously been notified by a law enforcement officer, judge, or parole or probation officer not to record a person under fourteen (14) years of age, or (2) use or post a recording of a person under fourteen (14) years of age on an online social media platform or other internet website that allows the using or posting of a recording in any form. This offense is classified as a Class D felony.

The proposed bill also defines “record” and creates affirmative defenses to prosecution for this offense.

Arkansas Crime Information Center reports the following as of December 11, 2018: There are 4,975 Level 3 and 432 Level 4 sex offenders on the Arkansas Sex Offender Registry. This would serve as the potential pool of offenders under the proposed bill.

A. § 16-90-802(d)(6) with data supplied by the Arkansas Department of Correction and the Administrative Office of the Courts. A micro-simulation model may be used for bills which have the potential for significant impact on correctional resources.
