**Bill Subtitle: TO ESTABLISH AN EXCURSION TRAIN PERMIT; AND TO AUTHORIZE AN EXCURSION TRAIN PERMIT HOLDER TO SELL AND SERVE ALCOHOLIC BEVERAGES.**

---

### **Basic Change :**

**Sponsor: Senator L. Eads and Rep. Lundstrum**

SB76 would create an "excursion train" alcohol beverage permit to allow the sale of alcohol to patrons of trains operated on common carrier railroads or railroad authority. An "excursion train" means a train made available to the public through ticket sales for scheduled dates and times for operation over a common carrier railroad or railroad authority that operates on a fixed schedule or route with a specific beginning and ending point. This bill also states that the excursion train permit holder is authorized to sell and serve alcoholic beverages only when the excursion train is in a territory that has authorized the sale of alcoholic beverages. An excursion train permit fee would be \$200 and could be renewed annually.
