

PURPOSE OF BILL

To amend the Prior Authorization Transparency Act; and to exempt certain healthcare providers that provide certain healthcare services from prior authorization requirements.

ACTUARIAL STATEMENT

The Fiscal Impact Statement was prepared according to generally accepted actuarial principles and practices, in compliance with ACT 112. The Statement provides an estimate of the financial and actuarial effect of the proposed change(s) on the Plans, if possible. The Statement makes no comment or opinion with regard to the merits of the measure for which the Statement is prepared; however, any identified technical or mechanical defects have been noted.

We have reviewed the input and results of our analysis for reasonableness and relied upon the data and information provided by the Plans and their Claims Processing Contractors.

PRICING APPROACH AND COMMENTS

House Bill 1271 was amended so that state or local governmental employee plans are exempt. Therefore, there is no fiscal impact for the health plans.
