

Arkansas Medicaid Program – Fiscal Impact Estimate for SB 139

Bill Subtitle: TO REQUIRE THAT THE ARKANSAS MEDICAID PROGRAM COVER AUTHORIZED PRESCRIPTION DIGITAL THERAPEUTICS.

Annual Estimated Total Impact: **\$ 5,316,000**

State Share / SGR Impact: **\$ 5,316,000**

Total computable fiscal impact is calculated for SFY2024 based on projected utilization. DHS does not believe expenditures under this act would be eligible for Federal Financial Participation (FFP). The fiscal impact in future years after SFY2024 will depend on multiple factors including changes in healthcare inflation and utilization and whether the expenditures later become eligible for FFP.
