

PURPOSE OF BILL: HB 1275

To prohibit prior authorizations for healthcare services provided for treatment of a mental health crisis.

ACTUARIAL STATEMENT

The Fiscal Impact Statement was prepared according to generally accepted actuarial principles and practices, in compliance with ACT 112. The Statement provides an estimate of the financial and actuarial effect of the proposed change(s) on the Plans, if possible. The Statement makes no comment or opinion with regard to the merits of the measure for which the Statement is prepared; however, any identified technical or mechanical defects have been noted.

We have reviewed the input and results of our analysis for reasonableness and relied upon the data and information provided by the Plans and their Claims Processing Contractors.

PRICING APPROACH AND COMMENTS

House Bill 1275 prohibits prior authorization or precertification for healthcare services provided for treatment of a mental health crisis. The State health plan currently provides coverage for services related to treatment of mental health crisis and does not require prior authorization for these services. Therefore, this bill has no fiscal impact on EBD.
