General Revenue

REVENUE IMPACT

Up to \$70,000

ASSUMPTIONS - BASED ON:

Depending on the number of submission DESE could need to employ an additional employee.

GS09 – 50,222

Match 23.61% - 11,857

Insurance – 7,920

ADDITIONAL COMMENTS

DESE would need to develop a mechanism to audit hours submitted by parents. Currently, schools report through the state reporting system which parents do not have access. DESE would be required to hire personnel to monitor student hours submitted by the parent, legal guardian, or person standing in loco parentis to the student, since this legislation does not

require the parent, legal guardian, or person standing in loco parentis to the student to submit those hours to the school.
