21	AN ACT TO REESTABLISH FAIRNESS,
22	TRANSPARENCY, AND COMPETITION IN THE
23	BIDDING PRACTICES FOR THE CONSTRUCTION
24	OF PUBLICLY FUNDED BUILDINGS,
25	INFRASTRUCTURE, AND FACILITIES.
26	
27	
28	BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
29	
30	SECTION 1. NOT TO BE CODIFIED. <u>It is found and determined by the</u>
31	General Assembly that it is in the best interest of the citizens of Arkansas
32	that all contracts for the construction of publicly funded buildings,
33	infrastructure, and facilities be awarded to the lowest responsible bidder in
34	a competitive process.
35	
36	SECTION 2. Arkansas Code § 19-4-1415 is repealed.

1	19-4-1415. Projects exceeding five million dollars.
2	(a) In the event funds from any sources are provided to state agencies
3	for projects which exceed five million dollars (\$5,000,000), excluding the
4	cost of land, the provisions of this subchapter and all other provisions of
5	the Arkansas Code governing construction of public facilities, including, but
6	not limited to, the provisions of § 22-9-201 et seq. at the election of state
7	agencies or the institutions of higher education set forth in subdivision
8	(b)(5) of this section shall not be applicable to the projects if the
9	selection and contracting process set forth in this section is followed.
10	(b)(1) No contract for projects between the state agency and the
11	construction manager, general contractor, architect, or engineer shall be
12	entered into without first obtaining approval of Arkansas Building Authority
13	and review by the Legislative Council.
14	(2) The authority shall have involvement in the selection and
15	contract process from the project inception.
16	(3) There shall be separate contracts for design and
17	construction services.
18	(4) The authority shall have the authority to promulgate rules
19	and regulations pertaining to the process for awarding and overseeing the
20	contracts.
21	(5) The Board of Trustees of the University of Arkansas and the
22	Board of Trustees of Arkansas State University shall be exempt from review
23	and approval by the authority and any regulations promulgated by it, provided
24	that the institutions shall have adopted policies and procedures involving
25	the awarding and oversight of the contracts for design and construction
26	services.
27	(6) All procedures pertaining to the contracts shall provide, to
28	the extent practicable, substantial uniformity between these institutions
29	with respect to the policies and procedures to be followed.
30	(c)(1) For all projects contemplated or contracted for, the authority
31	shall:
32	(A) Review and approve the advertisement as stated in
33	subsection (d) of this section, the scope of work, the site selection,
34	funding review, and, to the extent available, all project drawings, plans,
35	and specifications prior to any solicitation of proposals for the project;
36	(B) Conduct on-site observations of the construction

1	project on a regular basis and maintain project records; and
2	(C)(i) Review and approve all contract amendments.
3	(ii) State agencies shall submit a summary of all
4	contract amendments to the Legislative Council;
5	(2)(A) The institutions of higher education stated in
6	subdivision (b)(5) of this section shall perform all duties and
7	responsibilities stated in subdivision (c)(1) of this section under policies
8	and procedures adopted by their governing boards.
9	(B) They shall submit a summary of all contract amendments
10	to the Legislative Council.
11	(d)(1) The selection procedures for the construction manager, general
12	contractor, architect, or engineer shall provide for solicitation for
13	qualified, licensed professionals to submit proposals.
14	(2) The procedures shall assure the design and completion of the
15	project in an expeditious manner while adhering to high standards of design
16	and construction quality.
17	(3) The state agency and each institution of higher education
18	stated in subdivision (b)(5) of this section shall:
19	(A) Publish notice of its intention to receive written
20	proposals three (3) consecutive days in a newspaper of statewide
21	distribution;
22	(B) Allow a minimum of ten (10) working days for the
23	professionals to send letters or resumes in response to newspaper
24	advertisement; and
25	(C) Provide additional means of notification, if any, as
26	the state agency or institution of higher education stated in subdivision
27	(b)(5) of this section shall determine is appropriate.
28	$(e)(1)(\Lambda)$ A preselection committee, which shall be composed of no more
29	than three (3) members from the state agency and two (2) members from the
30	authority shall review the proposals.
31	(B) A preselection committee for institutions of higher
32	education stated in subdivision (b)(5) of this section shall consist of at
33	least three (3) members as determined by each of the institutions, and the
34	members may be from the authority.
35	(C) The preselection committee shall select a maximum of
26	five (5) applicants and schedule interviews

1	(D) The state agency or an institution of higher education
2	as stated in subdivision (b)(5) of this section shall notify the finalists of
3	their status.
4	(2)(A) The final selection committee shall be composed of the
5	(3) three members from the state agency on the preselection committee.
6	(B) The final interviews shall be held at the time and
7	date as designated by the final selection committee.
8	(C) Representatives of the authority may attend the final
9	selection meeting, but shall not vote in the final selection process.
10	(D) The final selection committee for institutions of
11	higher education stated in subdivision (b)(5) of this section shall consist
12	of at least three (3) members as determined by each of the institutions.
13	(E) Members of a preselection committee may also serve as
14	members of the final selection committee of the institutions.
15	(F) In selecting a general contractor, construction
16	manager, architect, or engineer, the state agency or institution of higher
17	education as stated in subdivision (b)(5) of this section shall consider
18	their established criteria which shall include, but are not limited to, the
19	following:
20	(i) The experience of the professional or
21	professionals in similar projects;
22	(ii) The record of the professional or professionals
23	in timely completion of the projects with high quality workmanship; and
24	(iii) Other similar matters to determine that the
25	professional or professionals will complete the project within the time and
26	budget and to the specifications set by the state agency or institution of
27	higher education as stated in subdivision (b)(5) of this section.
28	(3)(A) The final selection committee shall select or make a
29	formal recommendation to its governing body of the professional or
30	professionals which it determines to be in the best interest of the state.
31	(B) Contracts for architectural, engineering, and land
32	surveying professional consultant services shall be negotiated on the basis
33	of demonstrated competence and qualifications for the type of services
34	required and at fair and reasonable prices without the use of competitive
35	bidding, and no rule or regulation shall inhibit the agency's authority to
36	negotiate fees for the services.

1
                       (C) The final selection committee for the institutions of
 2
    higher education as stated in subdivision (b)(5) of this section shall make a
    recommendation to its governing board or appropriate committee thereof of the
 3
 4
    professional or professionals which it determines to be in the best interest
 5
    of the institution, and the governing board shall make the final decision and
 6
    authorize the contract or contracts to be negotiated and awarded, unless it
 7
    has delegated the action to a committee of the board.
8
           (f)(1) Construction contracts for the projects shall not be entered
9
     into without a payment and performance bond in the amount of the contract and
10
     any amendments thereto and shall provide for the manner in which the
11
     construction shall be managed and supervised.
12
                 (2) All project architects and engineers shall be properly
13
    licensed in accordance with the Arkansas State Board of Architects and the
14
    Arkansas State Board of Engineers.
15
                 (3) The construction manager or general contractor shall be
16
    properly licensed by the Arkansas Contractors Licensing Board.
17
                 (4)(A) All subcontractors on the project shall be properly
    licensed by the Contractors Licensing Board.
18
19
                       (B) Any person who is not considered a contractor under §
20
    17-25-101 et seq. may continue to perform subcontracting work under the
21
    provisions of this subchapter.
2.2
           (g)(1) To enable a state agency or an institution of higher education
23
    as stated in subdivision (b)(5) of this section to qualify under this
24
    section, the funds shall be paid to or for the benefit of the state agency or
25
    institution of higher education, or to a fund or foundation for the benefit
26
    of the state agency or institution of higher education.
27
                 (2) The funds may be represented in whole or in part by a
28
    written pledge or commitment from a donor, provided that the state agency or
29
    institution of higher education shall assure itself of the financial
30
    stability of the donor to fulfill the pledge or commitment.
31
           (h) All projects constructed pursuant to this section, to the extent
32
    applicable, shall be in accordance and compliance with:
33
                 (1) Section 17-38-101 et seq., regulating plumbers;
34
                 (2) Section 17-33-101 et seq., regulating the heating,

- 1 § 22-9-701 et seq., and all competitive bidding statutes shall remain in full 2 force and effect and not be affected hereby.
 - (3) This section shall not authorize a design-build project

- SECTION 4. Arkansas Code § 19-11-801 is amended to read as follows: 19-11-801. Policy Definitions.
 - (a) It is the policy of the State of Arkansas that state agencies shall follow the procedures stated in this section, except that competitive bidding shall not be used for the procurement of the professional services of legal, architectural, engineering, construction management, and land surveying professional consultant services if:
 - (1) State agencies not exempt from review and approval of the Arkansas Building Authority shall follow procedures established by the authority for the procurement of the professional services of architectural, engineering, land surveying, and construction management services; and
 - (2) Institutions of higher education exempt from review and approval of the authority shall follow procedures established by their governing boards for the procurement of architectural, engineering, land surveying, and construction management professional consultant services.
 - (b) It is the policy of the State of Arkansas and its political subdivisions that political subdivisions shall follow the procedures stated in this section, except that competitive bidding shall not be used for the procurement of the professional services of legal, financial advisory, architectural, engineering, construction management, and land surveying professional consultant services.
 - (c) For purposes of this subchapter, a political subdivision of the state may elect to not use competitive bidding for other professional services not listed in subsection (b) of this section with a two-thirds (2/3) vote of the political subdivision's governing body.
 - (d)(1) As used in this section, "construction management" means a project delivery method based on an agreement in which a state agency, political subdivision, public school district, or institution of higher education acquires from a construction entity a series of services that include, but are not limited to, design review, scheduling, cost control, value engineering, constructability evaluation, preparation and coordination

1 of bid packages, and construction administration. 2 (2) "Construction management" includes, but is not limited to+ 3 (A)(i) "Agency "agency construction management", in which 4 a public school district selects a construction manager to serve as an agent 5 for the purpose of providing administration and management services. 6 (ii) (3) The construction manager shall not hold subcontracts for 7 the project or provide project bonding for the project, unless publicly 8 advertised and bid;. 9 (B) "At-risk construction management", in which the 10 construction entity, after providing agency services during the 11 preconstruction period, serves as the general contractor and the following 12 conditions are met: 13 (i) The construction manager provides a maximum 14 guaranteed price; 15 (ii) The public school district holds all trade 16 contracts and purchase orders; and 17 (iii) The portion of the project not covered by the 18 trade contracts is bonded and guaranteed by the construction manager; and 19 (C)(i) "General contractor construction management", in 20 which the construction entity, after providing agency services during the preconstruction period, serves as the general contractor. 21 22 (ii) The general contractor shall hold all trade 23 contracts and purchase orders and shall bond and guarantee the project. 24 (4) Neither the construction manager nor any affiliated company 25 or business enterprise shall receive any other remuneration on the project 26 other than its fee for professional services unless the project is publicly 27 advertised and bid. "Affiliated company" includes but not be limited to, a 28 company or business enterprise with any common ownership or officers with the 29 construction manager. 30 (e) As used in this subchapter: (1) "Political "political subdivision" means counties, school 31 32 districts, cities of the first class, cities of the second class, and 33 incorporated towns; and 34 (2) "Other professional services" means professional services 35 not listed in subsection (b) of this section as defined by a political subdivision with a two-thirds (2/3) vote of its governing body. 36

1	
2	SECTION 5. Arkansas Code § 19-11-804 is amended to read as follows:
3	19-11-804. Selection.
4	(a) The state agency or political subdivision shall select three (3)
5	qualified firms.
6	(b) The state agency or political subdivision shall then select the
7	firm considered the best-qualified and capable of performing the desired work
8	and negotiate a contract for the project with the firm selected for the
9	professional services as delineated in § 19-11-801(a).
10	
11	SECTION 6. Arkansas Code § 19-11-807 is repealed.
12	19-11-807. Design-build construction.
13	(a) As used in this section:
14	(1) "Design-build" means a project delivery method in which the
15	school district acquires both design and construction services in the same
16	contract from a single legal entity, referred to as the "design-builder",
17	without competitive bidding;
18	(2)(A) "Design-builder" means any individual, partnership, joint
19	venture, corporation, or other legal entity that is appropriately licensed in
20	the State of Arkansas and that furnishes the necessary design services, in
21	addition to the construction of the work, whether by itself or through
22	subcontracts, including, but not limited to, subcontracts for architectural
23	services, landscape architectural services, and engineering services.
24	(B) Architectural services, landscape architectural
25	services, and engineering services shall be performed by an architect,
26	landscape architect, or engineer licensed in the State of Arkansas.
27	(C) Construction contracting shall be performed by a
28	contractor qualified and licensed under Arkansas law; and
29	(3) "Design-build contract" means the contract between the
30	school district and a design-builder to furnish the architecture,
31	engineering, and related services as required and to furnish the labor,
32	materials, and other construction services for the same project.
33	(b)(1) Any school district may use design-build construction as a
34	project delivery method for building, altering, repairing, improving,
35	maintaining, or demolishing any structure, or any improvement to real
26	property ormed by the school district

1	(2) The design-builder shall contract directly with
2	subcontractors and shall be responsible for the bonding of the project.
3	(3) A project using design-build construction shall comply with
4	state and federal law.
5	(c) The Division of Public School Academic Facilities and
6	Transportation of the Department of Education shall develop and promulgate
7	rules consistent with the provisions of this section concerning the use of
8	design-build construction by school districts.
