19 exemption from the state income tax allowed for benefits received from an
20 individual retirement account or from any publicly or privately supported
21 employment-related retirement system, plan, or program, excepting only
22 benefits received under systems, plans, or programs which are by federal law
23 exempt from the state income tax.

24 (B) No taxpayer shall receive an exemption greater than
25 ~~six thousand dollars (\$6,000)~~ the amount allowed in this section for the
