25

26 SECTION 1. Arkansas Code § 17-25-514(b), concerning the requirement
27 that residential building contractors submit proof of workers' compensation
28 coverage to the Residential Building Contractors Committee, is amended to
29 read as follows:

(b)(1) The committee shall require proof of current workers' compensation coverage before issuing or renewing a license.

(2) If a residential building contractor is not required to secure payment of workers' compensation, a current certification of noncoverage issued by the Workers' Compensation Commission shall be submitted to the committee with the application for a license or renewal of a license.
