The Honorable Governor Sarah Huckabee Sanders
Legislative Council
Secretary Hugh McDonald, Department of Commerce
Arkansas Public Service Commission
Legislative Joint Auditing Committee

Re: Annual Report
Arkansas Deaf and Hard of Hearing Telecommunications Services Corporation
("ADHHTS")

Pursuant to Ark. Code Ann. § 25-29-107 and § 25-29-110, enclosed for your review is a copy of the Annual Report for 2025, including the 2023 and 2024 Annual Audit reports.

The Arkansas Deaf and Hard of Hearing Telecommunications Services Corporation ("ADHHTS") was created pursuant to Act 1080 of 1997 (Ark. Code Ann. § 25-29-101, *et seq.*), as amended by the Arkansas General Assembly. Pursuant to that Act, ADHHTS was incorporated as a non-profit corporation on August 12, 1997. The Act vested the responsibility for Arkansas Relay Services ("ARS") for the deaf and hard of hearing in ADHHTS.

ADHHTS' contract for ARS is provided by T-Mobile pursuant to a contract awarded based on competitive bidding. T-Mobile was selected to continue as relay service provider, commencing January 1, 2024, for a period of two (2) years, plus three (3) one-year options.

ADHHTS believes that the standards for relay service prescribed by the Federal Communications Commission and contained in 47 C.F.R. § 64.604, have been met as described therein.

The current Board of Directors and Officers are listed on the attached Exhibit 1. As required by statute, three are required to be representatives from the deaf and hard of hearing

community, and four are required to be from Arkansas local exchange carriers (telephone companies). All are appointed by the Governor, pursuant to statute, and are for staggered three-year terms. Currently there are three vacancies on the Board.

Pursuant to the Contract, T-Mobile provides relay services for a whole host of customer options, and T-Mobile also provides outreach activities to assist consumers in the utilization of relay services. The Board of Directors monitors the activities of the T-Mobile Contract, administers that contract, and provides other services as provided under the statutes creating the entity.

Also attached are the following:

1. The information for calendar year 2025 with respect to payments made by Arkansas providers of local exchange service and commercial mobile radio service which provide the funds with which to conduct the relay program for the deaf and hard of hearing. The providers of local exchange service and commercial mobile radio service are currently assessed the sum of one cent (\$0.01) per line per month to provide the funds with which to provide the relay services. They are allowed to pass those costs on to their customers. No state tax or other funds are involved.

2. The Arkansas Relay Monthly Summary which gives a whole host of information on a monthly basis, including the number of calls made, the number of minutes utilized, both with respect to TTY calls and CapTel calls, along with the billing information.

3. The Annual 2023 and 2024 Audit Reports prepared by ADHHTS' auditor, Jack Chami, CPA PLLC.

If you have additional questions, please feel free to contact ADHHTS, and we will attempt to answer your questions.

Lisa Lake

President – Arkansas Deaf and Hard of Hearing Telecommunications Services

Exhibit 1

Board of Directors and Officers

Representatives from the deaf and hard of hearing community:

Ernest Northup

Tammy Hamilton

Vacant – (David King resigned 11/24/21)

Representatives from Arkansas local exchange carriers:

Lisa Lake, President – AT&T Arkansas

Greg Ashcraft, Secretary/Treasurer – South Arkansas Telephone Company

Vacant – (Thomas May – Arkwest Communications resigned 5/27/22)

Vacant – (Larry Frazier – Central Arkansas Telephone Cooperative resigned 8/30/24)

To the Board of Directors
Arkansas Deaf and Hard of Hearing
Telecommunications Services Corporation
Little Rock, Arkansas

Opinion

I have audited the accompanying financial statements of Arkansas Deaf and Hard of Hearing Telecommunications Services Corporation (the "Corporation") (a nonprofit corporation), which comprise the statements of financial position as of December 31, 2024 and 2023, and the related statements of activities and functional expenses and changes in net assets, and the statements of cash flows for the years then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Arkansas Deaf and Hard of Hearing Telecommunications Services Corporation as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Corporation and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern within one year after the date that the financial statement are available to be issued.

Auditor's Responsibility for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, I have also issued my independent auditor's report dated March 27, 2026, on my consideration of the Corporation's internal control over financial reporting and on compliance and other matters based on my audit of the financial statements performed in accordance with *Government Auditing Standards*. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of the testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over financial reporting and compliance.

**ARKANSAS DEAF AND HARD OF HEARING
TELECOMMUNICATIONS SERVICES CORPORATION
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2024 AND 2023

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Arkansas Deaf and Hard of Hearing Telecommunications Services Corporation (the "Corporation") was created under Act 1080 of the 1997 Acts of the 81st General Assembly for the State of Arkansas. The Corporation is principally involved in collecting monthly assessments from telecommunications providers to provide telecommunication relay services ("TRS"), including, but not limited to, services that enable two-way communication between individual to people in Arkansas who are hearing and/or speech impaired.

T-Mobile provides such services known as TRS costs, through a contract with the Corporation. The current contract expired on December 31, 2023. A request for proposal ("RFP") was placed out in July 2023 and one bid was received. The only bidder was T-Mobile, who was awarded the contract. The term of the new contract is January 1, 2024 through December 31, 2025, unless terminated earlier by the Corporation in accordance with provisions in the contract. In addition, the Corporation and T-Mobile, by mutual consent, shall have the option to extend the contract for up to three years as further set forth in the RFP. The contract, expired December 31, 2023, was originally with Sprint; however, as of April 1, 2020 T-Mobile acquired Sprint becoming one company.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Revenue is recognized in the accounting period in which it becomes both available and measurable. Expenses are recognized in the accounting period in which the liability is incurred.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standard Codification ("ASC") No. 958-210, *Not-for-Profit Entities*. Under ASC No. 958-210, the Corporation is required to report information regarding its financial position and activities according to two classes of net assets: with donor restrictions and without donor restrictions. The Corporation does not have any assets with donor restrictions.

Net Assets without Donor Restrictions (Unrestricted Net Assets) - Net assets that are not subject to donor-imposed stipulations.

**ARKANSAS DEAF AND HARD OF HEARING
TELECOMMUNICATIONS SERVICES CORPORATION
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2024 AND 2023

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks and highly liquid investments and instruments with maturity dates less than three months. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments. As of December 31, 2024 and 2023, the Corporation had no cash equivalents.

Assessments Receivable

Assessments receivable are stated at the amount the Corporation expects to collect, using the allowance method. Accounts are charged to the allowance when management determines the account will not be collectible. The Corporation estimates the accounts receivable at December 31, 2024 and 2023 will be fully collectible; therefore, no allowance for credit losses has been established. Management has concluded that any potential credit losses would not be material.

Revenue Recognition

Assessments from local exchange carriers are recorded in the period earned. The rate is a mandatory set charge per phone line that telecommunications service providers must collect per Arkansas phone lines and remit to the Corporation. The rate is set by the Board and was (amounts stated by cent):

- | | |
|--|---------------------|
| - January 1, 2023 to December 31, 2023 | €1.0 per phone line |
| - January 1, 2024 to December 31, 2024 | €1.0 per phone line |

**ARKANSAS DEAF AND HARD OF HEARING
TELECOMMUNICATIONS SERVICES CORPORATION
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2024 AND 2023

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Membership of the Board of Directors

The Corporation shall be governed by a seven-member board of directors appointed by the Governor. However, only four members are serving on the board of directors currently. The board is awaiting the Governor to appoint the other remaining three members.

Donated Services

The Corporation receives donated services from members, officers and directors who assist in management of the Corporation's activities. No amounts have been recognized in the statements of activities because the criteria for recognition specified by FASB ASC 958-605-25, Not-for-Profit Entities – Revenue Recognition, have not been met since the services contributed do not create or enhance a non-financial asset and do not require unique skills. The Board of Directors, as appointed by the Governor of the State of Arkansas, serves without compensation.

Income Taxes

The Corporation is a not-for-profit corporation exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Arkansas Revenue and Taxation Code Section ACA 26-51-303(a). Under that guidance, the Corporation may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position.

The Internal Revenue Service "IRS", due to the Corporation being late in filing the tax returns " Form 990" for a number of years, took the position of revoking the exemption status of the entity under Section 501(c)(3) and directing the Corporation to file form 1120 U.S. Corporation Tax Return. The Corporation's failure to file forms 990 timely was due to the sudden illness of Scott Lovett, CPA, the previous Certified Public Accountant whom handled the preparation and filing of the required forms for years. The IRS rejected tax returns filed by the Corporation for the years ended December 31, 2019 through December 31, 2024. However, the Corporation accomplished the recovery of the exempt status and received a letter dated September 16, 2025 informing the Corporation that the request for reinstatement under Revenue Procedure 2014-11 had been approved and that the IRS determined the exempt status from federal income tax under Internal revenue Code (IRC) Section 501(c)(3). Under Code (IRC) Section 501(c)(3) the IRS determined the Corporation a public charity status as defined by IRC Section 170(b)(1)(a)(vi). Under (IRC) Section 501(c)(3), It is mandatory the Corporation files form 990 annually in a timely manner. The exemption effective date is May 15, 2021.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Functional Allocation of Expenses

The Corporation allocates its expenses on a functional basis among its various programs and supporting services to measure and guide the achievement of the Corporation's goals. Functional expenses for the years ended December 31, 2024 and 2023 are presented in the Corporation's Statement of Activities and Functional Expenses.

Reclassifications

Certain reclassifications were made to the amounts in the 2023 financial statements in order to conform to the 2024 financial statement presentation.

NOTE 2: FINANCIAL INSTRUMENTS WITH RISK OF ACCOUNTING LOSS

Financial instruments that potentially subject the Corporation to concentrations of credit risk consist principally of cash deposits. The Corporation maintains its cash accounts at institutions insured by the Federal Deposit Insurance Corporation ("FDIC") on balances up to \$250,000. At times during 2024 and 2023, the balance at Regions Bank exceeded the insured limit.

NOTE 3: RELATED PARTY TRANSACTIONS

The Corporation's board consists, in part, of persons employed by eligible telecommunications carriers. The entire balance in monthly assessments income is derived from these carriers.

The Board of Directors appointed Arkansas Rural Strategies, LLC ("ARRURAL") administrator of the Corporation effective September 1, 2021. ARRURAL served as administrator for the entity. ARRURAL receives \$1,200 monthly for its services. Total fees the Corporation paid ARRURAL for the year ended December 31, 2024 were \$15,300 and \$14,400 for the years ended December 31, 2024 and 2023, respectively.

NOTE 4: CONCENTRATION OF RISK

The majority of the Corporation's income is derived from assessments from telecommunications providers. For the years ended December 31, 2024 and 2023, this income represented 100% of the Corporation's total unrestricted revenue and support. The loss of these assessments would have an adverse effect on the Corporation's ability to continue in existence.

**ARKANSAS DEAF AND HARD OF HEARING
TELECOMMUNICATIONS SERVICES CORPORATION
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2024 AND 2023

NOTE 5: LIQUIDITY AND AVAILABILITY OF RESOURCES

Financial assets available for general expenditures, that is, without donor or other restrictions limiting their use, within one year of the date of the Statement of Financial Position, comprise of the following:

	2024	2023
Cash and cash equivalents	\$ 291,745	\$ 304,452
Accounts receivable	29,077	29,164
 Total financial assets available to meet cash needs for general expenditures within one year	 \$ 320,822	 \$ 333,616

As part of the Corporation's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due. The Corporation manages its liquidity and reserves following three guiding principles: operating within a prudent range of financial soundness and stability, maintaining adequate liquid assets to fund near-term operating needs, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

6: FAIR VALUES OF FINANCIAL INSTRUMENTS

The following methods and assumptions were used to determine the fair value of each class of financial instruments:

Cash in bank and cash in cash management account – the carrying amount approximates fair value due to the nature of cash.

NOTE 7: EVALUATION OF SUBSEQUENT EVENTS

The Corporation accomplished the recovery of the exempt status and received a letter dated September 16, 2025 informing the Corporation that its request for reinstatement under Revenue Procedure 2014-11 had been approved and that the IRS determined the exempt status from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Under Code (IRC) Section 501(c)(3) the IRS determined the Corporation a public charity status as defined by IRC Section 170(b)(1)(a)(vi).

The Corporation's insurance policy was revoked February 17, 2024 and has operated without any insurance coverage to date. The Administrator of the Corporation secured an insurance policy effective July 17, 2025.

Effective September 12, 2024 ARRURAL resigned its job as fund administrator. The board hired Rural Telcom Solutions to perform the administrative activities for \$1,500 a month effective October 1, 2024.

NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2024 AND 2023

NOTE 7: EVALUATION OF SUBSEQUENT EVENTS (CONTINUED)

The Corporation has evaluated subsequent events through March 27, 2026, the date on which the financial statements were available to be issued. The Corporation's management has determined that there were no other significant subsequent events that should be disclosed in the financial statements or in the notes to the financial statements.

**ARKANSAS DEAF AND HARD OF HEARING
TELECOMMUNICATIONS SERVICES CORPORATION
Schedule of Findings and Responses
For the Year Ended December 31, 2024**

Repeat Finding # 2024-1

Condition

Arkansas Deaf and Hard of Hearing Telecommunications Services Corporation maintains cash with one financial institution, Regions Bank. The Bank provides insurance through the Federal Deposit Insurance Corporation ("FDIC") on balances up to \$250,000. Funds on deposits with the financial institution exceeded, at certain times throughout the year, the Federal Deposit Insurance Corporation ("FDIC") limit. Amount uninsured at Regions Bank were \$41,745 at December 31, 2024.

Criteria

Management is responsible for securing account balances.

Effect

Because of the limitation of the insurance applied to account, there is the risk that a bank may go bankrupt and the balance above the FDIC limit will be lost.

Cause

Administrator was not aware of balance collateralization.

Recommendation

Management should request that bank provides adequate collateralization on bank account.

Response

Management responded and indicated that they will make such request with the bank to protect balances.

**ARKANSAS DEAF AND HARD OF HEARING
TELECOMMUNICATIONS SERVICES CORPORATION
Schedule of Findings and Responses
For the Year Ended December 31, 2024**

Repeat Finding # 2024-2

Condition

Under laws and regulations administered by the Internal Revenue Service (the "IRS"), the Corporation, under Section 501(c)(3) organization, is obligated to file form 990 Return of Organization Exempt from Income Tax annually by May 15, the due date, of each year. The Corporation is required to file an application for extension timely if the financials are not ready to be filed with the IRS at the due date. Failure to file form 990 annually leads to the IRS applying penalties and interest in addition to revocation of the exempt status of the Corporation if the exempt organization failed to file form 990 for three years. According to the IRS correspondence, the Corporation failed to file form 990 for three years.

Criteria

Management is responsible for filing form 990 Return of Organization Exempt from Income Tax annually.

Effect

Because of the failure to file form 990 timely, the IRS revoked the Corporation exempt status.

Cause

Administrator's, then, records indicated that the forms had been filed by the accountant, but the organization does not have a filing confirmation for proof and the previous accountant is unavailable to provide additional information. In addition, while they can't produce proof that 2018 was filed, 2019 form 990 was filed late but accepted by the IRS and 2020 form 990 was filed late & rejected.

Recommendation

Management should observe filing of the required forms with the IRS and to maintain compliance with all laws and regulations pertaining to the Corporation.

Response

The IRS informed the entity in a letter dated September 16, 2025 that the request for reinstatement under Revenue Procedure 2014-11 had been approved and that the IRS determined the exempt status from federal income tax under Internal revenue Code (IRC) Section 501(c)(3) effective date is May 15, 2021.

**ARKANSAS DEAF AND HARD OF HEARING
TELECOMMUNICATIONS SERVICES CORPORATION
Schedule of Findings and Responses
For the Year Ended December 31, 2024**

Repeat Finding # 2024-3

Condition

Arkansas Deaf and Hard of Hearing Telecommunications Services Corporation's insurance policy was revoked February 17, 2024 and has operated without any insurance coverage.

Criteria

Management is responsible for securing an insurance policy.

Effect

Operating the entity without insurance coverage exposes it to severe, often existential, risks that can lead to total financial crisis, personal liability for business owners, and legal penalties. Without an insurance policy, a single lawsuit or data breach can result in out-of-pocket costs that exceed business ability to tolerate the consequences.

Cause

Insurance policy was not renewed timely.

Recommendation

Management must obtain insurance coverage immediately.

Response

Management responded and indicated that an action has been taken and a new insurance policy has been secured effective July 17, 2025.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Arkansas Deaf and Hard of Hearing
Telecommunications Services Corporation
Little Rock, Arkansas

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Arkansas Deaf and Hard of Hearing Telecommunications Services Corporation (the "Corporation") (a nonprofit organization), which comprise the statement of financial position as of December 31, 2024, and the related statement of activities and functional expenses and changes in net assets and the statement of cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated March 27, 2026.

Report on Internal Control over Financial Reporting

In planning and performing my audit of the financial statements, I considered Arkansas Deaf and Hard of Hearing Telecommunications Services Corporation's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, I do not express an opinion on the effectiveness of Arkansas Deaf and Hard of Hearing Telecommunications Services Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. I identified certain deficiencies in internal control, described in the accompanying Schedules of Findings and Responses as items 2024-1, 2024-2 and 2024-3 that I consider to be significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Arkansas Deaf and Hard of Hearing Telecommunications Services Corporation's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed an instance of noncompliance that is required to be reported under *Government Auditing Standards* and which is described in the accompanying Schedules of Findings and Responses as items 2024-1, 2024-2 and 2024-3, where the Corporation was not considered in compliance with its policies and procedures related to depositing cash and compliance with the regulations administered by the IRS.

Corporation Response to Finding

Government Auditing Standards requires the auditor to perform limited procedures on the Corporation's response to the findings identified in my audit and described in the accompanying Schedule of Findings. The Corporation's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, I express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
