DECEMBER REVENUE SUMMARY

December Net Available General Revenues total \$547.6 million, \$6.0 million or 1.1 percent above last year and \$5.6 million or 1.0 percent above forecast.

Corporate Income Tax and Sales Tax were above forecast in December. Corporate Income Tax collections benefited from gains in estimated payments compared to conservative expectations. Sales tax collections were 4.3 percent above last year with gains in both consumer-related categories and business-related categories. The motor vehicle portion of Sales Tax rebounded in December. Income Tax collections were below forecast largely as a result of fewer early, year-end estimated payments. Payroll Withholding Tax matched forecast for the month.

Among smaller revenue sources, Tobacco was above forecast by \$1.4 million and below year ago collections. Results in Gaming revenue exceeded forecast by \$0.6 million.

December Gross General Revenues: December collections total \$613.6 million, an increase of \$7.7 million or 1.3 percent above last year and \$5.3 million or 0.9 percent above forecast.

December Individual Income Tax collections total \$276.9 million. Collections increased by \$8.3 million or 3.1 percent compared to last year. With respect to the forecast, collections were \$12.0 million or -4.2 percent below forecast. Individual withholding increased 2.7 percent compared to last year with some detraction in growth from payday timing differences compared to the prior year.

December Individual Income Tax Refunds total \$5.5 million, \$0.2 million or 4.5 percent above last year and equal to forecast.

December Sales and Use Tax Collections: December collections total \$225.0 million, an increase of \$9.4 million or 4.3 percent above last year. Collections were also above monthly forecast levels by \$1.3 million or 0.6 percent.

December Corporate Income Tax collections total \$74.1 million, a decrease of \$13.5 million from year ago, and \$7.0 million above forecast. One-time payments contributed to results in the prior year.

December Corporate Income Tax Refunds total \$7.0 million. This amount is \$0.9 million above year ago levels. Refunds were also \$0.4 million above forecast.

December Tobacco Tax collections, a smaller component of general revenue in annual terms, total \$18.6 million. Collections decreased by -5.5 percent from year earlier levels and were above forecast by \$1.4 million. Monthly changes in tobacco tax collections can be attributed to uneven patterns of stamp sales to wholesale purchasers.

SPECIAL REVENUES OF NOTE

Educational Adequacy Fund: Act 107 of the Second Extraordinary Session of 2003 increased the state sales and use tax rate from 5.125% to 6.0%, effective March 1, 2004. Effective July 1, 2004 a new sales tax on selected services went into effect in addition to an increase in vending machine decal fees. Act 94 increased the minimum corporate franchise tax and the tax rate, effective for calendar years beginning January 1, 2004.

The additional revenues are deposited as special revenues to the Educational Adequacy Fund to be used to fulfill the financial obligations of the state to provide an adequate educational system. In December 2019, \$46.3 million was collected and deposited to the fund. After deductions, the net amount is \$44.9 million. The monthly collection is equivalent to a 3.7 percent increase from prior year collections.
