

MEMO

TO: Arkansas Legislative Council
FROM: Becca Caldwell
RE: AEDC Rural Services Funding Recommendations
DATE: December 10, 2020

PURPOSE:

To present funding recommendations from AEDC Rural Services for the Arkansas Game and Fish Wildlife Grant Program.

BACKGROUND:

Each fiscal year, AEDC Rural Services receives legislative appropriation to award funds from the above named grant programs.

Applications received by AEDC Rural Services go through the following process:

1. Reviewed for eligibility by Rural Services staff;
2. Eligible applications and rankings are then reviewed by the Rural Development Commission;
3. Recommendations are forwarded to the Secretary of Commerce and Governor
4. Recommendations are forwarded to Legislative Council for final approval.

COMMUNITIES IMPACTED:

- Arkansas Game and Fish Wildlife Conservation Education Grant Program - There are no population limits associated with this program. This grant program is funded through fines collected from hunting and fishing violations. The funding is county specific, meaning that only fines collected in a county may be used to fund conservation education in that county. As an example, fines collected in Monroe County may not be used to fund conservation education programs in Prairie County. The cap on this program varies by county and year and the program requires no match.

PROPOSED FUNDING:

- **Arkansas Game and Fish Wildlife Grant Program (Attachment A)**
 - o Total Dollars Requested from Complete and Eligible Applications: \$798,536.91
 - o Amount Available for Distribution: \$536,401.58
 - o ***Amount of Total Funding Recommendations: \$536,401.58***

RECOMMENDATION:

AEDC Rural Services requests your approval on the funding recommendations for the programs listed above. Attachments outlining recommendations for each program are included with this memo.

Re : AEDC Rural Services Funding Recommendations

BACKGROUND

The purpose of this memo is for AEDC Rural Services to present their funding recommendations for the Arkansas Game and Fish Wildlife Grant Program.

About: In 2015, the Arkansas General Assembly passed Act 371 which amended the laws for the Fish and Wildlife Conservation Education Grant program and transferred the administration of the program under the control of the Division of Rural Services. The Game and Fish Conservation Education Grant Program is a partnership between the Division of Rural Services and the Arkansas Game and Fish Commission (AGFC) that converts portions of county fine money into grant funds for school conservation education programs.

All school districts and conservation districts are eligible to apply, regardless of district size or population. The funding availability varies by district as the funds collected are county-specific (only fine money collected in a certain county can be used as grant funds for that county).

Eligible Projects Include:

- **Starting or continuing AGFC-sanctioned shooting sports programs.** Includes the Arkansas National Archery in the Schools Program (ANASP) and Arkansas Youth Shooting Sports Program (AYSSP). Funds can be used for: shooting-related supplies and equipment except firearms; uniform items, up to \$35 per participant; shooting vests and safety gear; and travel expenses to local and state tournaments.
- **AGFC-sponsored educator training workshops.** Includes Fishing in the Natural State (FINS), Project WILD, and educator courses offered at AGFC Nature or Education Centers. Improvements to outdoor space at school. Includes school yard wildlife habitat improvements, butterfly gardens, and outdoor classroom spaces.
- **Field trip expenses.** For trips to any AGFC Nature or Conservation Education Center.
- **Classroom and field equipment unique to the study of wildlife biology, wildlife recreation, or conservation education.** For example, aquatic dip nets, waders, wildlife artifacts, bat detectors, field guides, game cameras, bird calls, rubber tracks and scat, or owl pellets.

FUNDING

Grants are distributed on an annual basis.

Arkansas Game and Fish Wildlife Grant Program (Attachment A)

- Total Dollars Requested from Complete and Eligible Applications: \$798,536.91
- Amount Available for Distribution: \$536,401.58
- **Amount of Total Funding Recommendations: \$536,401.58**

RECOMMENDATIONS

I concur with AEDC's funding recommendations.

Note: the schools with \$0.00 were not selected because there was not enough funding in the county account, but they will be able to reapply next year.
