RE: Request for Emergency Action Review of PCS Contract 201101 for Harris Architecture

Dear Mr. Weiss:

The University of Arkansas Community College at Hope respectfully requests that proper action be taken to institute "Emergency Action Procedures" pursuant to Rule 17 of the Rules of the Arkansas Legislative Council for the above referenced contract.

Emergency review of the contract is necessary because the contract is funded by the American Recovery and Reinvestment Act (ARRA) of 2009. The funds originate from the State Fiscal Stabilization Fund Government Services Grant and the terms of the award require that the funds be obligated by September 30, 2011, pursuant to the obligation table found in 34 CFR 76.707.

The UA Board of Trustees selected Harris Architecture on September 16, 2011; the final contract was executed by all parties and submitted to the Office of State Procurement on September 22, 2011. Even with a request of a suspension of the rules, this contract will not be reviewed, as required by state law, by the September 30th deadline for obligation.

I appreciate your time and attention to this pressing matter. If I can be of any additional assistance to your office, please do not hesitate to contact me. With warmest personal regards, I am

Truly yours,

Chris Thomason Chancellor
