Representative Tommy Lee Baker, Co-chair
Arkansas Legislative Council
State Capitol, Room 315
Little Rock, AR 72201

Dear Representative Baker:

Enclosed is the January 2012 Parole Board Release Report as required by Act 570 of 2011. This report summarizes Board actions during the month of December 2011.

Act 570 of 2011 also requires the Board to implement a validated risk/needs assessment by January 2012. The results of that assessment are also a component of this report. The Board has implemented that assessment as required. However, due to file processing timelines, the information related to the risk assessment score will not be available until March 2012 (April 2012 report).

Should you have any questions about this report, please do not hesitate to contact myself or Solomon Graves, APB Administrative Services Manager, at the number listed atop this letter.

Sincerely,

A handwritten signature in black ink that reads "John Felts". The signature is written in a cursive, flowing style.
