Dear Senator Salmon:

Enclosed is the March 2012 Parole Board Release Report as required by Act 570 of 2011. This report summarizes 1,012 Board actions during the month of February 2012.

Act 570 of 2011 also requires the Board to implement a validated risk/needs assessment. The results of that assessment are a component of this report. The Board has implemented that assessment as required. However, due to file processing timelines, the information related to the assessment score will not be available until March 2012 (April 2012 Report). Enclosed with this month's report you will find a summary document detailing the components of the assessment and an example of what it will look like in our Electronic Offender Management Information System (eOMIS).

Should you have any questions about this report, please do not hesitate to contact myself or Solomon Graves, APB Administrative Services Manager, at 501-682-6850.

Sincerely,
