RE: Bid to Construct Employee Residence at Mississippi River State Park
Submission of contracts by members of the General Assembly
A.C.A. 19-11-264

Dear Ms. Benton:

The information herein is being submitted pursuant to A.C.A. § 19-11-264 concerning disclosure by a member of the General Assembly when entering into a contract with a state agency.

The Department of Parks and Tourism, State Parks Division, advertised the referenced project in the state-wide Democrat-Gazette and two (2) local newspapers, The Daily World in Helena-W.Helena and the Times-Herald in Forrest City. Bids were opened at the Arkansas Building Authority (ABA) offices on July 19, 2012. Four (4) bid packets were opened and Murdock Enterprises, Inc. was the apparent low bidder. Following the receipt of ABA's evaluation of the bids, State Parks signed the Owner's Determination to Award to Murdock Enterprises, Inc. and the Notice of Intent to Award letter was sent out by our design professional, Cromwell Architects/Engineers.

Since Murdock Enterprises, Inc is owned by State Representative Reginald Murdock, who represents District 52, State Parks requested and has received a signed Agreement Form and a Contract and Grant Disclosure and Certification Form as required by the aforementioned statute.

The following documents are enclosed for your review and recommendation regarding the legality of the contract for compliance with Arkansas Procurement Law, A.C.A. § 19-11-264 (c):

1. Ad Copy
2. Arkansas Building Authority's Bid Evaluation Letter
3. Bid Tabulation
4. Signed Agreement Form
5. Contract and Grant Disclosure and Certification Form

It is our understanding that your office will transmit this information to the Legislative Council and to the Director of the Arkansas Ethics Commission for processing.

Please contact Stan Graves, Manager, Planning and Development Section, State Parks Division, by phone (682-1633) or e-mail (stan.graves@arkansas.gov) if you require further information regarding this contract.

Sincerely,

MEMORANDUM

To: Stan Graves
From: Amber Schmidt, CDT, Construction Document Analyst
Re: 9001218, New Employee Residence at Mississippi River State Park
Date: July 23, 2012
Cc: Jeannine Stephens, (electronic)

This office has completed its evaluation of the bids received regarding the contractor's licensure, bid form submittal, bid security, and applicable subcontractors' listings/licensures. The unofficial bid tabulation is attached along with any correspondence from ABA to rejected bidders due to non-responsiveness or lack of licensure. The certified project amount established by your agency is \$260,000.00.

While ABA approves contracts, state agencies have the responsibility in determining and selecting the lowest responsible bidder. The following items can be considered but are not limited to information found within the bid proposal, submittals, contractor fact sheet, contractor certifications as well as those items listed within §3-324 of the ABA Minimum Standards and Criteria. Your design professional may assist you in this endeavor. If you determine the apparent low bidder is not responsible please inform us immediately before taking any other actions. Once you have determined the lowest responsible bidder, your options are:

- 1) Issue "an intent to award" to the lowest responsible bidder;
- 2) If the bid amount is over the certified amount, agencies may enter into negotiations with the lowest responsible bidder if the bid amount is within 25% of the certified amount; or
- 3) Reject all bids and request to either rebid the project;
- 4) Reject all bids and cancel/postpone the project.

Please complete the Owners' Determination Award form by indicating your determination. All bids are set to expire on August 18, 2012. Therefore should you wish to go to contract with the lowest responsible bidder, promptly return this form to ABA. If you have any questions, please do not hesitate to call me.
