July 30, 2015

Marty Garrity, Director Arkansas Bureau of Legislative Research 315 State Capitol Little Rock, AR 72201

Dear Ms. Garrity:

The enclosed Expenditures Status Report of the Arkansas State Highway and Transportation Department is submitted in compliance with Section 12 of Act 277 of 2014. This report is for the fourth quarter of Fiscal Year 2015 and compares the expenditures for the twelve-month period ending June 30, 2015 with those of the same period in the previous year. The format is the same as that used by the Legislative Council Staff when comparing the operating expenditures of this agency for twelve biannual periods.

Exhibit "A" compares expenditures in summary forming seven categories: Administrative, Operations, Maintenance, Construction Engineering, Road Machinery and Equipment, Special Projects, and Capital Outlay.

Each of these categories is further expanded in more detailed schedules showing comparative expenditures for Salaries, Personal Services (Social Security, Retirement, Workers Compensation, etc.), Overtime, and Expenses (actual cash expenditures and transfers, which are costs internally allocated between divisions).

The expenditures of the Arkansas Highway Police are summarized on Schedule #2, "Operations" and are detailed on Exhibit "B" and Schedule "B-1".

Sincerely,

Scott E. Bennett, P.E. Director of Highways and Transportation
