We, the Policy-Making Subcommittee of the Arkansas Legislative Council, met at 8:30 a.m. on Thursday, October 20, 2016 in Room 207 of the State Capitol Building, Little Rock, Arkansas. The members present are reflected on the sign in sheet.

The Policy-Making Subcommittee reviewed and filed the report of special expenditures authorized by the co-chairs of the interim committees as of October 20, 2016.

The Policy-Making Subcommittee heard from Senator Jason Rapert regarding the request from the Senate Interim Committee on Insurance and Commerce for approval to transfer funds allocated for in-state travel to the allocation for out-of-state travel for the 2017-2018 biennium. A motion by Senator Bledsoe, with a second from Senator Alan Clark, to approve the request was passed and the subcommittee recommends that one-half of the allocation for in-state travel (\$6,768.46) be transferred to the allocation for out-of-state travel for the Senate Interim Committee on Insurance and Commerce for the 2017-2018 biennium.

There being no further business the meeting was adjourned.

Respectfully submitted by the Policy-Making Subcommittee Co-Chairs,

Senator Alan Clark and Representative Jon S. Eubanks
