RE: Request for consideration to place the Employee Disclosure/Certification and Employment of Family Members Request Established by A.C.A. § 21-1-402(b) for Dr. James Bledsoe on the ALC Agenda for November 18, 2016

Dear Senator Sample and Representative Branscum:

This request has been delayed over the last several months, and it is now imperative that the Arkansas Department of Health (ADH) increase Dr. James Bledsoe, Chief Physician Specialist, to full time status to provide day to day oversight and leadership to the Arkansas Trauma Program. Below are several critical areas that need immediate attention:

1. Reviewing the recertification of trauma hospitals and resolving issues regarding the proper level for facility designation;
2. Reviewing and approving a new training delivery model that is critical to maintaining the proficiency and certifications of trauma personnel across the state such as emergency department physicians, trauma surgeons, emergency medical services (EMS) personnel and nursing staff. Because of significant irregularities in the former trauma education service provider that are the subject of the ADH's legislative audit, the ADH has been developing a new training model. Dr. Bledsoe is uniquely qualified as a trauma surgeon to provide leadership and direction for the trauma education program to ensure high quality training with the required accountability for the expenditure of public funds.
3. Currently there are no medical staff representing ADH on the Trauma State Quality Improvement Committee. This committee has an important role with direct impact on patient care. ADH needs Dr. Bledsoe to review cases with the committee to determine if patients received proper transportation to the correct hospital for optimal care. These reviews examine events, including trauma deaths, in a system or hospital to assist in identifying quality of care issues and to make recommendations for improvement.

4. The ADH has previously contracted with trauma surgeons to provide some of the services of the Chief Physician Specialist for the program. This arrangement was appropriate in initial development of the Arkansas Trauma System, but the program now needs the daily on site expertise and leadership of a Chief Physician Specialist employed directly by the ADH. There would be significant financial benefit to the state because the current contractual rate is \$150-175 per hour as opposed to Dr. Bledsoe's hourly rate of \$82.54. By increasing Dr. Bledsoe to full time status, he would be able to provide medical leadership to both the Emergency Medical Services Section as well as the Trauma Program. This medical leadership is critical as the ADH builds on the infrastructure of the state-wide trauma system to create an Integrated Emergency Management System to address the need for time-critical care for stroke and ST elevation Myocardial Infarction (STEMI). The immediate treatment of STEMI and stroke has been shown to decrease mortality and morbidity and markedly reduce associated health care costs. Dr. Bledsoe will provide the necessary expertise to engage medical professionals across the state as the integrated system is developed.

The Department would appreciate your consideration in placing this request on the agenda for Arkansas Legislative Counsel on November 18, 2016.

Sincerely,

Dear Co-Chairs:

The Office of Personnel Management (OPM) submits the following request for approval in accordance with Ark. Code Ann. §21-1-402(b), which states:

“No person whose spouse is elected to a constitutional office may, after the spouse is elected to the constitutional office and during the term for which the spouse is elected, enter into employment with any state agency without the prior approval of the Joint Budget Committee during a legislative session, the Legislative Council between legislative sessions, and the Governor.”

The Arkansas Department of Health (ADH) would like to transition Dr. James Bledsoe from part-time to full-time employment in the classification of Chief Physician Specialist, L003N, Grade N921. Dr. Bledsoe is the spouse of the Hon. Cecile Bledsoe, a current member of the Arkansas Senate. ADH requests that Dr. Bledsoe transition to full-time to serve as the Medical Director of the state trauma system. Previously, this role was performed using contractors. ADH has determined that using a full-time employee will provide more efficient service in this role than contractors.

Upon review of the criteria specified, the Office of Personnel Management finds that ADH has met the employee disclosure/certification and employment of family members' requirements. Your approval is respectfully requested.

Respectfully submitted,

Employees must report any benefit obtained from a state contract by a business in which the employee has a financial interest. Ark. Code Ann. § 19-11-706. The employee must report this benefit to the Director of the Department of Finance and Administration.

A state employee has a "financial interest" in a business if he/she:

- has received within the past year, or is presently or in the future entitled to receive, more than one thousand dollars (\$1000) per year, as a result of ownership of any part of the business or any involvement in the business; or
- owns more than a five percent (5%) interest in the business; or
- holds a position in the business such as an officer, director, trustee, partner, employee, or the like, or holds any position of management.

Any employee who knows or should have known of such benefit and fails to report the benefit to the director is in breach of the ethical standards of Ark. Code Ann. § 19-11-706.

Employee Disclosure Restriction Notice

State employees are restricted from employment under certain conditions, both during the time they are employed by the state and after they leave state employment. Ark. Code Ann. § 19-11-709. These restrictions include:

- former employees from representing anyone other than the state under certain conditions in matters which the employee participated personally and substantially or which were within the former employee's official responsibility;
- partners of a current or former state employee from representing anyone other than the state under certain conditions;
- selling to the state after termination of employment under certain conditions.

Any current or former state employee who violates any of these employment restrictions is in breach of the ethical standards of Ark. Code Ann. § 19-11-709.

Penalties for Non-Compliance with Ark. Code Ann. § 19-11-706 or § 19-11-709

In addition to civil and administrative remedies, Ark. Code Ann. § 19-11-712 allows the Director of the Department of Finance and Administration to impose against any employee who fails to comply with Ark. Code Ann. § 19-11-706 or § 19-11-709, after notice and an opportunity for a hearing, any one or more of the following:

- oral or written warnings or reprimands;
- forfeiture of pay without suspension;
- suspension with or without pay for specified periods of time; and
- termination of employment.

Pursuant to Arkansas Code Annotated § 19-11-702, any employee who shall knowingly violate either of these restrictions shall be guilty of a felony and upon conviction shall be fined in any sum not to exceed ten thousand dollars (\$10,000) or shall be imprisoned not less than one (1) nor more than five (5) years, or shall be punished by both.

I certify that I have read this Notice and the Ark. Code Ann. §§ 19-11-706, 19-11-702, 19-11-709 and 19-11-712 on the reverse side.
