REPORT OF THE JOINT INTERIM COMMITTEE ON ADVANCED COMMUNICATIONS AND INFORMATION TECHNOLOGY

December 19, 2008

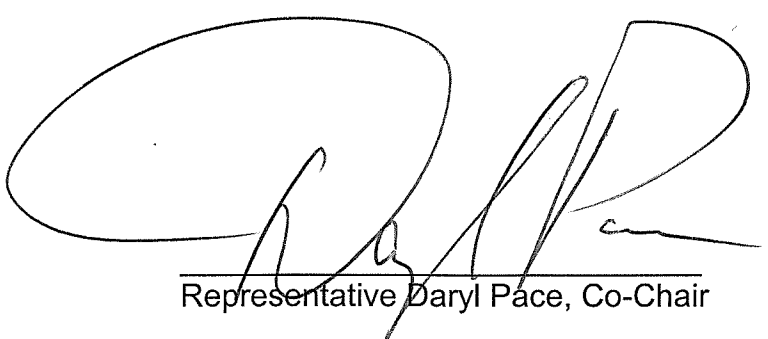

Mr. Chairman:

The Joint Interim Committee on Advanced Communications and Information Technology met on December 15, 2008 and reviewed the request by the Department of Information Systems to make cost allocation revisions and to issue rebates of approximately \$9.4 million. The rebates to agencies of state government will be given in the January 2009 billing cycle.

In accordance with Arkansas Code Annotated §25-4-119 (b)(3)(B), the Joint Interim Committee on Advanced Communications and Information Technology favorably reviewed the request by the Department of Information Systems and reports this action for review by the Arkansas Legislative Council.

Respectfully submitted:

Senator Henry "Hank" Wilkins Co-Chair

Representative Daryl Pace, Co-Chair
