REPORT OF THE JOINT ADVANCED COMMUNICATIONS AND INFORMATION TECHNOLOGY COMMITTEE

August 21, 2009

Mr. Co-Chairmen:

The Joint Interim Committee on Advanced Communications and Information Technology met on August 6, 2009, and reviewed the request by the Department of Information Systems to make cost allocation revisions and to issue rebates of approximately \$9.1 million. The rebates to agencies of state government will be issued effective July 2009, for Fiscal Year 2010.

In accordance with Arkansas Code Annotated §25-4-119 (b) (3) (B), the Joint Committee on Advanced Communications and Information Technology favorably reviewed the request by the Department of Information Systems and reports this action for review by the Arkansas Legislative Council.

Respectfully submitted,

Senator John Paul Capps, Co-Chair

Representative Jon Woods, Co-Chair
