BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. Arkansas Code Title 20, Chapter 77 is amended to add an
additional subchapter to read as follows:

Subchapter 20. Market-based Premium Assistance Program

20-77-2001. Definitions.

DRAFT

03-30-2010 12:49 MGF415

1 As used in this subchapter:

2 (1) "ARKids First Program" means the state plan under § 20-77-
3 1101 et seq;

4 (2) "Cost effective" means that the cost of qualified group
5 coverage under this subchapter meets the cost-effectiveness test requirements
6 allowable under federal requirements under Title XIX of the Social Security
7 Act, 42 U.S.C. § 1396 et seq., or Title XXI of the Social Security Act, 42
8 U.S.C. § 1397aa et seq., as it existed on January 1, 2011;

9 (3) "Full benefit eligible individual" means an individual who
10 meets the criteria established in Section 1937(a)(2)(C)(i) of the Social
11 Security Act;

12 (4) "Insurer" means any person or organization subject to the
13 authority of the Insurance Commissioner that offers or issues one (1) or more
14 health benefit plans or insurance in this state, including without
15 limitation:

16 (A) An insurance company;

17 (B) A hospital and medical services corporation;

18 (C) A fraternal benefit society;

19 (D) A health maintenance organization; and

20 (E) A multiple employer welfare arrangement;

21 (5) "Premium assistance subsidy" means payments on behalf of
22 individuals under Title XIX or XXI of the Social Security Act consistent with
23 federal requirements for the purchase of qualified group coverage;

24 (6)(A) "Qualified health benefit plan" means a group health plan
25 that conforms with the requirements under federal law for the purposes of
26 matching requirements under Title XIX or XXI of the Social Security Act.

27 (B) "Qualified health benefit plan" includes health
28 insurance coverage offered through an employer;

29 (7) "Self-funded health benefit plan" means a health benefit
30 plan that is:

31 (A) Not subject to regulation by this state or any state;
32 and

33 (B) Paid in whole or in part by the employer from its own
34 assets or from a funded welfare benefit plan, if the plan does not shift any
35 risk or liability for benefit payments to an insurer other than through
36 reinsurance or stop-loss coverage; and

(8) "Targeted low-income child" means a child:

(A) Whose family income is the greater of the following:

(i) Above the Medicaid eligibility level and below two hundred percent (200%) of the federal poverty level; or

(ii) Fifty percentage points above the state's Medicaid eligibility level; and

(B) Is either:

(i) Ineligible for Medicaid; or

(ii) Not covered under any form of health insurance.

20-77-2002. Premium assistance subsidy program.

(a) The Division of Medical Services of the Department of Human Services shall apply to the Centers for Medicare & Medicaid Services for approval to amend the Medicaid state plan:

(1) To establish a premium assistance subsidy program to provide the state with the maximum flexibility allowable to purchase qualified health benefit plans that the division determines is cost effective under Title XIX, of the Social Security Act, 42 U.S.C. § 1396 et seq., as it existed on January 1, 2011 including without limitation, Sections 1906, 1906A, and 1925;

(2) To adopt each of the benchmark benefit plans permitted under Section 1937(b)(1) of the Social Security Act;

(3) To adopt the benchmark equivalent benefit plan permitted under Section 1937(b)(2) of the Social Security Act; and

(4) To provide that in calculating the actuarial value of any benchmark equivalent plan, in accordance with Section 1937(b)(3) of the Social Security Act, the actuary shall apply the maximum cost sharing allowable under Sections 1916 and 1916A of the Social Security Act.

(b) The division shall apply to the Centers for Medicare & Medicaid Services for approval to amend the ARKids First Program:

(1) To establish a premium assistance subsidy program to provide the state with the maximum flexibility allowable under Title XXI of the Social Security Act to purchase qualified health benefit plans that the division determines is cost effective;

(2) To adopt each of the benchmark benefit plans permitted under Section 2103(a)(2) of the Social Security Act;

(3) To adopt the benchmark equivalent benefit permitted under

1 Section 2103(a)(1) of the Social Security Act; and

2 (4) To provide that in calculating the actuarial value of any
3 benchmark equivalent plan, in accordance with Section 1937(b)(3) of the
4 Social Security Act, the actuary shall apply the maximum cost sharing
5 allowable under Section 1916 and Section 1916A of the Social Security Act.

6
7 20-77-2003. Targeted low-income child.

8 (a)(1) The Division of Medical Services of the Department of Human
9 Services shall provide supplemental coverage for each targeted low-income
10 child enrolled in a cost-effective qualified health benefit plan.

11 (2) The supplemental coverage required under subsection (a)(1)
12 of this section shall consist of:

13 (A) Items or services that are not covered or are only
14 partially covered under the qualified health benefit plan offered through an
15 employer; and

16 (B) Cost-sharing protection.

17 (b) The division may directly pay out-of-pocket expenditures for cost
18 sharing imposed under the qualified health benefit plan offered through an
19 employer and collect or not collect all or any portion of the expenditures
20 from the parent of the child.

21 (c) If a group health plan or health insurance coverage offered
22 through an employer is certified by an actuary as providing health benefits
23 coverage that is equivalent to the benefits coverage in a benchmark benefit
24 plan described in § 20-77-2002 or benchmark equivalent coverage that meets
25 the requirements of § 20-77-2002, the division may provide premium assistance
26 subsidies for enrollment of a targeted low-income child in the group health
27 plan or health insurance coverage in the same manner as the subsidies are
28 provided under this subsection for enrollment in a qualified health benefit
29 plan offered through an employer but without regard to the requirement for
30 supplemental coverage for benefits and cost-sharing protection under
31 subsection (a) of this section.

32 (d) For all the health benefit plans offered or issued in this state
33 by insurers, the division, in consultation with the Insurance Commissioner,
34 shall determine those plans which meet the criteria of being either a
35 benchmark benefit plan or a benchmark equivalent benefit plan.

36 (e) If one (1) or more eligible individuals also are eligible to

1 enroll in a self-funded health benefit plan, the division shall establish
2 procedures for determining whether the plan meets the criteria of being
3 either a benchmark benefit plan or a benchmark equivalent benefit plan.

4
5 20-77-2004. Maximum premium assistance – Opt-out option.

6 (a) The Division of Medical Services of the Department of Human
7 Services shall use premium assistance to the maximum extent allowable to the
8 state under Title XIX of the Social Security Act, 42 U.S.C. § 1396 et seq.,
9 as it existed on January 1, 2011, including without limitation, the
10 authorities under Section 1906, Section 1906A, and Section 1925 of the Social
11 Security Act and under Title XXI of the Social Security Act.

12 (b) If possible, in the case of a household or family in which more
13 than one (1) individual is eligible for benefits under either Medicaid or the
14 ARKids First Program, the division shall enroll all full benefit eligible
15 individuals in the family or household in the same qualified health benefit
16 plan.

17 (c) Individuals who are exempt from mandatory enrollment under Section
18 1937(a)(2)(C)(ii) of the Social Security Act may elect to opt out of
19 enrollment in a qualified health benefit plan in accordance with federal law.

20
21 20-77-2005. Premium payments.

22 (a) On behalf of eligible individuals, the Division of Medical
23 Services of the Department of Human Services shall pay the applicable
24 individual or family premiums to entities that provide or sponsor qualified
25 health benefit plans, including without limitation plans that are:

- 26 (1) Commercial health plans;
27 (2) Managed care organizations; or
28 (3) Qualified health benefit plan offered through an employer.

29 (b) For reasons of administrative ease and program integrity, the
30 division may direct that premium assistance payments be made to one (1) or
31 more of the following:

- 32 (1) Full benefit eligible individuals;
33 (2) Insurers that issue qualified health benefit plans;
34 (3) Plan administrators of self-funded health benefit plans; and
35 (4) One (1) or more administrative agents designated by the
36 division.

20-77-2006. Maximum allowable cost sharing.

(a) The Division of Medical Services of the Department of Human Services shall calculate the maximum allowable cost sharing for a full benefit eligible individual based on the individual's family or household gross income, including all earned and unearned income.

(b) Income and expense disregards applied in determining program eligibility shall not be applied in determining the maximum allowable cost sharing under subsection (a) of this section.

(c) If a full benefit eligible individual enrolled in a qualified health benefit plan incurs cost sharing during a plan year in excess of the maximum allowable cost sharing, the division shall pay to the plan or plan sponsor, on behalf of the full benefit eligible individual, any cost sharing incurred by the individual under the terms of the plan that is in excess of the maximum allowable amount.

20-77-2007. Incentive program.

(a) The Division of Medical Services of the Department of Human Services shall establish an incentive program in which cost-sharing obligations may be reduced for individuals who participate in initiatives to improve health outcomes and lower health care costs.

(b) Incentive program activities may include, but are not limited to, appropriate immunizations, appropriate and cost-effective prescription drug utilization, self-management of chronic health conditions, and participation in quality improvement initiatives.
