Dear Mr. Robinson,

This letter addresses the growth pool position problem currently existing within the Arkansas Department of Environmental Quality (ADEQ). The agency received two growth pool positions during Fiscal Year 2017 effective 11-03-2016. These two positions are Position #22165371 authorized as N204N, ADEQ Director of Special Projects, GS13 & Position #22165372 authorized as N205N, ADEQ Director of Compliance, GS13. Despite the fact that these two positions are active, they are not loaded into PBAS's Biennial 2020 System. ADEQ needs these two positions to continue into Fiscal Year 2020 and then into Fiscal Year 2021.

The Office of Personnel Management (OPM) recommends the continuation of these two growth pool positions into Fiscal Year 2020 and then into Fiscal Year 2021. It is our understanding that ADEQ possesses sufficient funding to support these two growth pool positions into the subsequent fiscal years. Your consideration of this recommendation is genuinely appreciated. Please feel free to contact our office anytime concerning this particular matter.

Sincerely,

A handwritten signature in cursive script that reads "Kay Barnhill".
