Good afternoon, SaBreana,

I am mailing the hard copy to you, but here is a scanned copy. The original warrant was payable to Arkansas Health & Wellness Health Plan. Catherine Caso is the Tax Manager with Centene Corporation and has limited power of attorney for the purpose of recovering the \$26,000.00. Please let me know if the paperwork needs to be corrected, and I will let the requester know.

**ARKANSAS STATE CLAIMS COMMISSION
Reissuance of Out-Dated Warrants**

Date: 5/9/2023

Warrant: 2110111243

Name of Payee: Arkansas Health and Wellness Health

Amount: \$26,000

Upon checking with Hunter of AOS/Data Processing Division, I was informed that this warrant was voided, and no duplicate warrant had been issued. We also checked our (Claims Commission) records to verify that there has been no reissuance by this office and there was none.

Re: Request for Payment of Unclaimed Funds

Payee: Arkansas Health & Wellness Health
Check #: 2110111243
Date Issued: 9/7/2020
Amount: \$26,000.00

Dear Sir or Madam:

Pursuant to public records obtained from the Arkansas Department of Finance and Administration - Arkansas - Office of Accounting, the referenced funds are available for recovery. Enclosed please find a Notice of Lost Outdated Warrant and a Limited Power of Attorney from Centene Corporation appointing PricewaterhouseCoopers LLP ("PwC"), acting through its partners and staff, as its attorney-in-fact for the purpose of facilitating the reissuance/issuance of these funds, if the obligation remains outstanding. Additionally, enclosed you will find documentation verifying that Centene Corporation is the rightful recipient of the funds.

Please search your records to determine the current status of this obligation. If these funds are no longer owed and/or outstanding, please provide me with the payment details for the replacement warrant or electronic funds transfer. Otherwise, I am requesting the funds be reissued to our client.

If you require additional documentation to process this request, please email it to Carolina Andrea Sosa at carolina.andrea.sosa@pwc.com. **Please note, the address of record associated with this payment only must be changed to the address noted below.**

**Centene Corporation
Attn: Catherine Caso
7700 Forsyth Blvd.
Attn: Unclaimed Property

The first part of the paper discusses the importance of the research and the objectives of the study. It then presents a literature review of the existing research on the topic. The second part of the paper describes the methodology used in the study, including the data collection and analysis techniques. The third part of the paper presents the results of the study and discusses the implications of the findings. The final part of the paper concludes the study and provides recommendations for future research.

The research was conducted using a quantitative approach, with data collected from a sample of participants. The data was then analyzed using statistical methods to identify patterns and relationships. The results of the study indicate that there is a significant relationship between the variables being studied.

The findings of the study have several implications. First, they suggest that the theoretical framework used in the study is valid. Second, they provide evidence for the practical application of the research findings. Finally, they highlight the need for further research in this area.

In conclusion, the study has provided valuable insights into the topic being researched. The findings suggest that there is a need for further research in this area, and the results have several practical implications.

HOW AMBETTER CHANGED ONE MEMBER'S LIFE.

Support designed for you.

Everyone needs a little help sometimes. And when you have a long-term health condition, it's good to have a support system you can count on.

That's where we come in. Ambetter's **Disease Management programs** are designed to help members living with a specific health problem. Like Tony.

Last August, Tony decided he wanted to meet some big goals — so it was time for him to make some big changes in his health. Overweight and diabetic, Tony enrolled in Ambetter's Disease Management program. Like every member in our Disease Management program, Tony worked directly with a health coach that was familiar with his condition.

With support from his health coach, Christy, Tony was able to change his diet and start an exercise routine. Combined, these activities helped lower his blood
