TREASURER OF STATE

February 27, 2024

Kathryn Irby, Director
Arkansas State Claims Commission
101 East Capitol, Suite 410
Little Rock, AR 72201

Dear Ms. Irby:

The State Treasurer's Office was notified January 31, 2024, that the Twenty-Fourth Decennial Census of the United States on file with the United States Department of Commerce, Bureau of the Census, reflects a population count of 5,011 for the city of Sheridan, Arkansas. This figure was incorporated February 1, 2024, into the formula used by the State Treasurer for calculation of General, Special, Highway Severance, Four Lane Highway Construction, and Wholesale Fuel Tax Revenues for the city of Sheridan.

Pursuant to Arkansas Code Annotated §19-5-601(e), the State Treasurer has determined, based upon the corrected census count, the city of Sheridan should have received \$2,913.61 additional General Revenues, \$10,688.33 additional Special Revenues, \$877.48 additional Highway Severance Revenues, \$5,024.95 additional Four Lane Highway Construction Revenues, and \$1,355.58 additional Wholesale Fuel Tax Revenues.

Should you have questions concerning this matter, please contact me at 682-0002 or rachel.garrett@artreasury.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Rachel Garrett".
