Explanation: ON THE FRONT OF THIS CLAIM PRESENTED: I AM NOT ASKING THIS COMMISSION COMMITTEE TO OVER TURN ANY DISCIPLINARY MATTER (3) ADDRESSED HEREIN.

CLAIM ONE OF THREE

Since May 2007, Deputy Warden Steve Outlaw has been called upon by my person to review security footage to exonerate me of false 10-3 Intercell Exposure Rule violations leveled against me by FARU (East Arkansas Removal Unit) female Security Officers LAKisha Bradley Atkins and Cpl. Spates. A fact I believe is that he will not be the cause of aiding a reversal of a disciplinary (the my violation of Arkansas Dept of Corrections (ADC), nor provide a neutral/unbiased witness statement informing a disciplinary hearing officer/record that a review of an specifically identified issue and security tape footage clearly establishes the charging officers reports are false. At the time of 2007, Asst. Deputy Warden Outlaw had claimed that he reviewed requested footage and lied to me stating he could not see whether the incident occurred or not. At the time Captain Moses Jackson, Lt. Nathan Estill, Sgt Brenda Parker, and three (3) other corporals each review said security tape and informed me that they, respectively, could actually see me get out of my AdSeg, my seat belt and sit on the bed and at no time performed any incident acts I approached/committed. Dept. Warden

Outlaw with knowledge that review of security footage exonerates me of indecent exposure, Outlaw made it clear he would not reverse the disciplinary and that I am to accept the fate of A "CONVENIENT CASUALTY" serving out, respectively, punitive isolations for 30 days, loss of class status, and ruination of high standing reputation among the officers and ADC employees, administration, etc. A stance that is always upheld from the Unit, to the Disciplinary Hearing Administrator, and Director of the ADC due to the Unit's refusal to make neutral, unbiased, and exonerating statements of what security footage of the cell reveals.

Sept. 09, 2010/Oct. 09, 2010, Nurse Michelle Ashley falsely accused me of committing A 10-3 Indecent Exposure Rule violation, As she was escorted through 5 BKS of the MSU, the pill call by Sgt. K. Nunney (whom expresses a willingness to testify on my behalf). I was reliant upon Sgt. K. Nunney, security tape footage of MSU's 5 BKS 54 cell, and the statement(s)/responses Sgt. K. Nunney provided to THREE(3) grievances surrounding the matter in which Sgt. K. Nunney affirms he NEVER left Nurse Michelle Ashley's side and he NEVER witnessed me perform any indecent act, nor did he hear Nurse Ashley give me a direct order to stop masturbating or anything else considered inappropriate behavior. In fact, Sgt. Nunney will attest that when Major Maurice E. Williams and then-Warden (D. White's) secretary Ms. Fair called Sgt. Nunney at home for his statement, all Major Williams asked Sgt. Nunney was: "Did you ever leave the Nurse's (M. Ashley) side while she was 5 BKS 54 cell, which housed inmate Jessie Hill #104136?" Sgt. Nunney will further attest that when he stated, "No. I never left that Nurse's side at all..." Major Williams immediately disconnected the phone call, opting not to hear the exonerating information of Sgt. K. Nunney on my behalf. Again, I was subjected to punitive isolation for 30 days, loss of class status, and ruination of high standing reputation among officers and ADC employees, Nurses, etc.

July 19, 2013 CO-I Kendyl V. Richardson falsely accused me of committing A 10-3 Indecent Exposure Rule violation, stating that:

(2)

"On 7-19-13 at approx 9:58 Am I COI K. Richardson while assigned to 1 & 3 Control booth in Zone 1 was standing in the control booth when I observed Inmate Jessie Hill #104136 who is housed in 3 Barracks cell #23 standing in his cell with his exposed erect penis in his hand stroking it in a back and forward motion while looking at me. I COI K. Richardson then gave him a direct order to stop, he continued. As of May 07 Inmate Jessie Hill ABC #104136 has 3 10-3 therefore I am charging him with Rule violation 12-1 (Failure to obey verbal and/OR written orders of staff), 11-1 (Insolence To A Staff Member), 10-3 (Indecent Exposure), 17-1 (Any act OR acts defined as felonies OR misdemeanor by the state of Arkansas; may result in teh [sic] loss of all good time)."

Effective April 19, 2013, Arkansas Department of Corrections (ADC) Director, Artis Ray Hobbs approved Administrative Directive (AD) #13-10 Inmate Disciplinary Manual, Applicable to Inmates and Staff, which provides in pertinent part that:

AD #13-10 II, Explanations:

"...[W]hen inmate behavior requires discipline, procedures shall be followed to ensure that no unnecessary disciplines are written and that:

- 'A. there is no bias in favor of the charging officer;
- 'B. there is no presumption of guilt;

'C. there is a reliable method of determining whether an infraction has in fact occurred; and

§. blatant forms of partiality which can result from prior knowledge, involvement, bias, or personal interest in a particular case is minimized

On the date CO-I K.V. Richardson charged me with these rule violations I was unaware of them until Cpl J. Jacks informed me Saturday, July 20, 2013. I immediately wrote a request for interview to Asst./Deputy Warden Steve Outlaw; Captain K. Feazier; Wipe Maurice E. Williams; and Cpl. Brandy M. Young, asking each to review security tape footage of 3 BKS #23 cell, Zone #1 on July 19, 2013 for whatever time the disciplinary alleges, and placed, rather had each request placed in the MSU mailbox of 5 BKS, where I was housed on D.C.R.

I received a copy of the charging F-831-1 report on Monday, July 22, 2013 from Serving Officer/Notifying Officer Cpl G. Smith. After reading the F-831-1 report, I informed Cpl Gloria Smith that I was duped into believing that I was on D.C.R. for having a blanket in the cell window and a shade over the light, which I removed per Sgt. Bob Blount's direct order around 9:30 am 07/19/13. And that I needed to call the security tape of 3 BKS #23 cell, Zone #1 as a witness. Cpl G. Smith, informed that I could "call" living witnesses only. I informed Cpl G. Smith that I had written aforementioned requests for interview and wanted/needed Outlaw, Feazier, Williams, and Young as witnesses. Cpl G. Smith affirmed that I was already scheduled for disciplinary court hearing for the next day, Tuesday, July 23, 2013. When I asked her, "How am I already scheduled and you don't have a statement from any of my witnesses? Besides, I just mailed all of them a request explaining why I'm calling them as a witness and why I need them to review the security tape." Cpl G. Smith stated

(4)

that A disciplinary court hearing date was scheduled the moment she typed the disciplinary into the SOMIS system; whether my witness list was gathered or not. As a result my witness statements were collected without either witness reviewing security tape.

On Tuesday, July 23, 2013, at or around 7:35 am, Cpl Brandy M. Young entered into 5 BKS, approached 5-50 cell, in which I was housed on D.C.R. status and stated that she had "just" received the request for interview I mailed out Monday, July 22, 2013. Cpl B.M. Young was informed of the need of said review of said security tape footage and stated that she had already given her statement that she had no knowledge because she was not present and did not understand why I had called her for a witness. After being told of the need for security tape review — within Cpl B.M. Young's direct supervisory duties at the MSU — Cpl B.M. Young stated to me that she would go directly to her supervisor, Major Marries E. Williams and ask him if she could provide a "letterhead" statement explaining that a review of the security tape does not evidence me conducting myself as [falsely] alleged by CO-I K.V. Richardson. Prior to entering disciplinary court hearing later that date, I asked Cpl B.M. Young if Major Williams allowed her to provide neutral, unbiased, and reliable evidence of review of said security tape, of specific date July 19, 2013, time 9:58 am, in 3 BKS #23 cell, Zone #1. Cpl B.M. Young informed me that Major Williams declined to afford her an opportunity or permission to provide such a neutral, unbiased finding. See MX-13-1587

July 23, 2013, I ASKED Disciplinary Hearing Officer (DHO) Keith Waddell to Review security tape footage of the isolated deer 3 BKS -#23 cell, Zone #1, at 9:58 am in order to provide exonerating, neutral, unbiased, reliable evidence that I did not violate charges/rule infractions alleged by CO-I K.V. Richardson. DHO Keith Waddell advised that he did have authority to review specifically identified security tape footage under AC #13-10 VII Major Disciplinary Court, E. Hearings, #8; yet with the intent [and] infliction of emotional distress [IED], DHO Keith Waddell refused to review said security tape stating that had either of my witnesses chosen to be of assistance to me, other would have done so. My attempt to explain

(5)

why neither witness did not do so was carelessly interrupted with a flurie of nonchalant indifference and deliberate disregard for getting the truth of the incident to light of fluctuation that would cause a domino effect of dismissing the disciplinary and immediately terminating the employment of CO-I K.V. Richardson, Lt. J. Spears; Needless to say, I received 30 days punitive isolation, restrictions for 60 days, and looked down upon as a sexual deviant for inappropriate behavior I have not committed since Feb. 10, 2000 at Cummins Unit. See MX-13-15162. See AD #13-10 TR SANCTIONS

I appealed the disciplinary court hearing officers decision July 24, 2013 to Warden William "Billy" Strangis, Requesting AD #13-10 II EXPLANATION, A.B.C.D.; the need of REVIEW of the SECURITY TAPE FOOTAGE AND UTILIZING THE ROVING CAMERAS ZOOM-IN FEATURE(S), upon the control booth AND the BARRACKS AND CELL SPECIFICALLY IDENTIFIED BY CO-I K.V. Richardson ON July 19, 2013 AT 9:58 AM, in order to verify the truthfulness of the "Incident" to afford due process, fair and impartial hearing denied me by AHO Keith Waddles refusal to CAREFULLY weigh this "PRIMARY EVIDENCE." See AD #13-10 III Major Disciplinary Court, E. Hearing, #15

I APPEALED the WARDEN'S DECISION to Raymond Naylor, Disciplinary Hearing Administrator - Director of Internal Affairs Division, and to Aerie Ray Hobbs, Director of ARKANSAS Department of Corrections, EACH denied the appeal without reviewing the SECURITY TAPE FOOTAGE OR WEIGHING ALL ADDITIONAL EVIDENCE considered "PRIMARY EVIDENCE." In fact, I was found guilty based upon the (1) officers informing that "as of May 07 inmate Jessie Hill ANC #104136 has 3 10-3..."; (2) bias in favor of the charging officer when Lt. J. SPEARS placed me on D.C.R status EVEN AFTER REVIEWING SAID SECURITY TAPE FOOTAGE July 19, 2013 AND FINDING SECURITY TAPE DID NOT SUPPORT OFFICERS ALLEGATIONS AND SPEARS' DETERMINING I "just couldn't control" myself; (3) lack of proper trusting RELIABLE method(s) of determining whether AN INFRACTION HAS IN FACT OCCURRED; AND (4) BLATANT FOCUS OF PARTIALITY WHICH CAN [AND DID] RESULT FROM PRIOR KNOWLEDGE, INVOLVEMENT, BIAS, OR PERSONAL

interest in a particular case is minimized," see AB #13-10 II Exclusions A.B.C.D., I REQUEST \$100.00 for each day of punitive isolation days spent, immediate termination of the aforementioned; A transfer to the Cummins Unit, and permanent ban to being housed at the Tuckee Maximum Security Unit, 350 State Farm Rd, Tuckee, AK 72168. AB #13-10 IX.

Neutral and impartial security footage evidence serves the purpose of recording misconduct of inmates and officers for the review of WARDEN WILLIAM "Billy" STRAUGHN, EXONERATING THE FALSELY ACCUSED IN A FAIR AND IMPARTIAL MANNER, ELIMINATING THE ACCUMULATION OF UNNECESSARY DISCIPLINARIES AND/OR GRIEVANCES BY OFFICERS AND INMATES ALIKE. EACH AND EVERY INMATE ARE TO BE AFFORDED PROTECTIONS OF "PROTECTED CONDUCT" FROM SUCH "ADVERSE ACTION" OF THE PRISON OFFICIALS THAT ARE SO "CARE-LESS" ABOUT MAINTAINING AND UPHELDING THE HONOR AND INTEGRITY OF A REPUTABLE ADC EMPLOYEE, OFFICIAL, OR AGENT. IT IS "SUBJECTIVELY UNREASONABLE" THAT A WARDEN OR DESIGNEE [STRAUGHN] WOULD INTENTIONALLY AND PURPOSELY ACT TO PROTECT AN ADC OFFICIAL'S EMPLOYMENT WHEN A QUESTION OF LEGITIMATE EVIDENCE ARISES THAT WHOEVER SUCH ADC AUTHORITY THAT AN ADC OFFICIAL [CO-I K.V. RICHARDSON, LT. J. SPEARS, SHO K. NADDLE] HAVE ACTED IN ANY SHAPE, FORM, FASHION, OR DESIGN THAT VIOLATES AP 225, EMPLOYEE CONDUCT STANDARDS POLICY, AB #13-10 II, A.B.C.D. INMATE DISCIPLINARY MANUAL, ADMINISTRATIVE REGULATIONS 005, BY SUCH FRIVOLOUS OR MALICIOUS "WILLFUL AND DELIBERATE DISREGARD AS REFUSING TO ACT UNDER BLANKET DEFENSES OF "DISCIPLINARY MATTERS" ARE NON-GRIEVABLE." Aug. 13, 2013, while serving punitive isolation days for the fabricated infractions charged against me by CO-I K.V. Richardson, Cpl BRANDY M. YOUNG ENTERED INTO EAST ISOLATION under the false pretense of conducting SURVEILLANCE CAMERAS CHECK, OBTAINED THE CELL DOOR KEYS FROM SGT. RICHARD CLARK, SIMULTANEOUSLY (1)ASKING ME TO PULL MX-13-1587 GRIEVANCE; (2) THREATENING ME WITH A MAJOR DISCIPLINARY FEE USE OF THE TELEPHONE WHILE ON MY

48 have relief from punitive isolation Aug. 08th, and Aug. 09th, 2013; and
(3) informing me that Cpl B.M. Young and Lt. J. Spears did actually review
said security tape footage of 3 BKS #23 cell, Zone #1 on 07/19/13 BEFORE
Captain K. Frazier and/or Lt. J. Spears - B-Shift Commanding Supervisor(s)
made a decision that violates AB #13-10, II, A.B.C.D., when placing me on
S.C.R. due to CO-I K.V. Richardson's unsubstantiated allegations that she did
not and could not have possibly seen from the angle provided. See Notarized
Affidavit dated Aug. 13, 2013. Cpl B.M. Young violated AB #11-35, I, A.2.b; AR 225; AB #12-10, II, H, 5.

Aug. 16, 2013, I wrote a grievance against Lt. J. Spears for violating
AB #13-10, II, A.B.C.D., for which Lt. J. Spears denies that he did in fact state
to me July 19, 2013, his opinion that: "You just couldn't control yourself, could you?..."
The response provided by Lt. J. Spears, when compared to the Mandatory language
of AB #13-10, II, A there is no bias in favor of the charging officer; B. there is no
presumption of guilt; Conflicts and prior contradictions as Lt. J. Spear Affirms:
"The charging officer stated that she saw inmate Hill in the very act of committing
the offence [sic] of 10-3," even after reviewing the reliable method [security tape
footage of July 19, 2013 along with Cpl B.M. Young prior to signing off on a S.C.R.
Status placement movement sheet, moving me from ~~#3-BKS~~ #40 (General population)
to 5 BKS - 50 cell (AdSeq)]. of determining whether an infraction has or has not
occurred." Lt. J. Spears decision, without asking me what I would say in my defense
to the accusations, pulled up my past disciplinary history on eOMIS, noting that
"[A]t 7 of May 07 Inmate Jessie Hill ADC #104136 has 3 10-3" (A "[b]lunt form
of partiality which [did] result from prior knowledge...as bias) resulted in Lt. J. Spears
deciding that CO-I K.V. Richardson's allegations were viable. Lt. J. Spears violated
AB #13-10, II, A.B.C.D., AR 225-18, A.6.c.d, AR 005, WHEN NOT INITIATING AB #11-35, I, II,
A.1.2b.j.e. Failed to follow fair procedures listed hereinabove. So 5 MX-13-1666 dated
August 16, 2013, continuing CO-I K.V. Richardson's intentional infliction of emotional
distress (IED). By stating: "observed Inmate Jessie Hill #104136 who is housed
in 3 Barracks cell #23 standing in his cell..." CO-I K.V. Richardson only Affirmed

"that she does not allege that I was NOT to be confused with standing on the barracks fire; stairs landing; stairs; in the middle of the day room floor; in the barracks shower; by the telephone; by the mailbox; by the control booth; by the television, etc. Standing "standing in his cell" where I was seen standing in the cell door -- the only place in which an officer can visibly see 3 barracks #23 cell from inside of the control booth. Hence, the security tape footage does serve its purpose of exonerating me of any wrong-doing and establishes Cpl K.V. Richardson did falsely documents, fabricated an incident with malicious intent to inflict emotional distress of sending me to punitive isolation, slandering my name, reputation, and/or character. See MX-13-1702, dated Aug. 15, 2013. See AB #13-10, IX

Aug. 17, 2013, I spoke with Cpl Dustin Parker, whom stood outside of the cell door of East Isolation #04, where I was housed, caught on security tape footage, Admitted to me as MX-13-1688 inmate violation; serious violations of my rights, or of rules, regulations or procedures AB #13-10, II, A.B.C.D., and complaints of serious derelictions on faculty or institutional operations of Lt. Spikes fabricating document(s) MX-13-1606, as AR 225 violation so serious it requires a sanction of immediate "termination" (AR 225-18, A.b.c.d.), See AB #11-35, I, II, A, 1, 2, B.

In a concerted effort of failing to follow fair procedures of the grievance process, AB #12-16, LAKisha S. Lee, Administrative Specialist I, maliciously denied MX-13-1688 as being a duplicate of MX-13-1606, knowing that AB #12-16, IV Procedure C. Accessibility 4 requires me to list all parties during the grievance process in order to not have my claim dismissed for failure to exhaust against Cpl Dustin Parker and Cpl J. Jacks. See MX-13-1688 Attachment II. In appealing to Central Office I could only provide MX-13-1688 Attachment I and II, yet Cpl Ruby L. Evans maliciously denied me an opportunity to have my appeal heard claiming I "did not send all the proper attachments." See MX-13-1688 Attachment V, thus violating AR 225-18, a.b.c.d, AB #11-35, I, II, A, 1, 2, B, AR #12-16.

On or about Aug. 13, 2013, I mailed duplicating correspondences to Artis Ray Hobbs, Director; Raymond Naylor, Disciplinary Hearing Administrator-

MSA - Internal Affairs Division Administrator; and O. Futch, Classification Administrator, Central Officers, P.O. Box 8707, Pine Bluff, Arkansas 71601-8707, in which I made each aware of the existing conflict of abiding policy AD #13-10 (831) II, A.B.C.D. et al, AR 225-18, A.b.c.d., AR 005, AD #12-10, and AD #11-35, I, II, A. 1, 2, 3, 4, and 5, and the need to change the existing policies due to MSA's staff's refusal to abide by either of the aforementioned. See Response dated Aug. 21, 2013. See AD #13-10, IR, SANCTIONS

BECAUSE Maevil Evans, Jr., Deputy Director, had failed to abide AD #12-84 in its part(s) or entirely associated with the aforementioned grievances, I wrote a grievance (MX-13-1701, dated Aug. 23, 2013) against him for his failure to follow fair procedure of which AD #12-10 II, Definitions, B. 1, 2, 3, 4, and 5 clearly and convincingly applied that nonscholastic indifference(s) and deliberate disregard of staff violating AR 225-18, A.b.c.d. and AD #13-10 were occurring under the administration of MSA's Warden William Billy Steaughn, for which Steaughn always determined every complaint as "without merit" without conducting a thorough investigation which required him to apply [¶] AD #13-10 reversal of disciplinary decisions, thus impeding AR 225-18, A.b.c.d. sanctions against offending staff.

Upon completion of all thirty (30) days of my positive isolation days, I was placed on Ad/Seg. Temp. Review Status, and alerted Monday, August 26, 2013, that I had to go before the Unit Classification Committee Wednesday, August 28, 2013. See Attached Notifications Hearing Sheet dated Aug. 26, 2013.

Basically, had I been assigned for "disciplinary history" it would have violated AR 836 which prohibits using assignment as punishment. MSA Classification Committee voted to release me back to general population because I did not "physically[ly] assault" staff CO-I K.V. Richardson -- as expected by MSA personnel due to my disciplinary history of assault on staff since 2010. SEE AR 836 and Arkansas Dept. of Corr. Adm/Seg. review initial Assignment Sheet dated Aug. 26, 2013. Per AD #13-10 Admin Ray Hobbs, Director, ANC, had not responded to my

disciplinary appeal of CO-I K.V. Richardson's false/fabricated allegations; as well as had not Raymond Naylors, Disc. Hearing Administrator, see AD#13-10 IV. Major Disc. Cases, H.1. See Memorandum dated Sept.11, 2013 from Sids Lawrence, Assistant to the Director. In said appeal to Ray Hobbs, Director, I did inform him that Raymond Naylors had not responded as he were supposed to -- being aware I was still serving punitive isolation time at the time I appealed to Raymond Naylors, Disciplinary Hearing Administrator-slash-Internal Affairs Division Administrator/Director.

En route to M8U "chow hall" for breakfast, I encountered CO-I T. Brown -NEE OJT Brown mentioned in MX-13-1606 of which I called as a witness to what Lt. Spears stated to me July 19, 2013, after he had determined to place me on S.C.R. in violation of AD#13-10, II. Definitions, L, B.C. And D. CO-I T. Brown confirmed that Warden William "Billy" Steough failed to follow fair procedures of AD#13-16, III. Definitions, H. Remedies Available... As Warden Steough did not fully investigate my complaint in a timely manner, as he neither spoke with nor sought out CO-I T. Brown for his statement at or around August 16, 2013, when CO-I T. Brown just may have recalled the incident in which I inquired of her at 4:20 am on Sept. 13, 2013. See MX-13-1903 dated Sept.13, 2013, and MX-13-1688 in which Steough implies that he did perform the strenuous physical activity of investigating the complaint by speaking to each of the staff members listed as a witness to the incident.

September 15, 2013 I wrote a grievance, MX-13-1937, complaining of CO-I K.V. Richardson denying me to shower upon returning from gym call on said date; in spite that CO-I K.V. Richardson allowed every other "inmate" that attended gym call along with me to shower. This would become one of many times I would be retaliated against by CO-I K.V. Richardson for the grievances I've written against her. See AD#13-16, IV, Procedure, K. Retaliation ~~and~~ Retaliation, #3 and #5.

October 07, 2013, without reviewing requested security tape of M8U's 3 Barracks' #23 cell, Front #1, at 1:45 pm, Raymond Naylors, Disc. Hearing Admin. -

SI/SAH - Internal Affairs Division Director/Administrator would affirm my disciplinary appeal. See Attached.

October 17, 2013, CO-I K.V. Richardson again, continued her "Campaign of HARASSMENT" against me by refusing to have her Acting ACOA Supervisor, Cpl I. McBride, to contact Sgt. B.A. Montgomery about retrieving the paperwork I gave to her to be notarized before B-shift ended for the week. CO-I K.V. Richardson bent over into the control booth's trap door and yelled loudly, "I don't CARE if you don't EVER get your paperwork. Now, write that up [on a grievance]!" I complied with the "direct order" of CO-I K.V. Richardson and MX-13-2242 came into fruition. Because I already had met the limit of the week, I was forced to hold off on initiating the grievance process until Oct. 21, 2013. Absolutely no B-Shift commander - Captain Anthony Jackson, Lt. Joseph Spear, nor Sgt. B.A. Montgomery or Sgt. Dore Blount - would process the grievance against CO-I K.V. Richardson i.e. showing favoritism towards the offending officer from having to answer for her actions, as of Oct. 31, 2013. Nov. 04th, 2013, I received Attachment II to MX-13-2242, rejecting my grievance as untimely, in spite that I alleged CO-I K.V. Richardson's continuing "Campaign of Harassment"/reprimand/retaliation and the alleged strict prohibition against such Actions per AD #12-4e, PROCEDURES, K. RETALIATION, #3, 4, 5. And despite that I did timely mail my appeal to Marvin Evans, Jr., Deputy Director, he denied my appeal as untimely; alleging he did not receive my appeal at MX-13-2242's denial until Dec. 04, 2013.

Nov. 07, 2013, Aetis Ray Hobbs, Director, ADC, affirmed my disciplinary appeal "[after reviewing only my] appeal," SEE Attached letter, without once himself reviewing said referenced ~~the~~ security tape footage specifically identified, and without weighing the impact of failing to follow fair procedures per AD #13-10, III. Definitions, A.B.C. and IV. Major Disciplinary Court/MHearings. As director, the highest and most tasking assurance that

Fitzjee, Spears; Major Danny Cook; DHO Keith Waddle; Warden William "Billy" Strawn, and Raymond Maylee have each and all closely abided by the very Administrative directives [of] AR #13-10, III, Definitions, A.B.C.D throughout the entire proceedings of the disciplinary action to ascertain that Hobbs' purpose of ascertaining that no unnecessary disciplinary has been processed. Despite Hobbs and ADC personnel's biased ~~and~~ inclinations to believe its officers would not falsify documents. But if it were true that Societies crème de la crème worked vigorously towards emulating the ADC's logo of "honor and integrity in public safety", there would be no need for imputing AR 225-18, A.b.c.d.; AR 005; AR #13-10, III, Definitions, A.B.C.D.; AR #13-06, IV, Procedures, K, Retaliation or Retaliation; nor AR #11-35, I, II, A.1.2, B., as a warning to possible staff (and inmate) offenders whom may assume they're slick enough to get through the cracks of the system, presenting a foot on each side of the proverbial line or fence. Hence, each ignored all of the "evidence" put before them BECAUSE there is the unwritten policy that the only time an "inmate" word has value is when ADC personnel decides that such credibility shall be lost to what the "inmate" is reporting only if it seems too egregious to the upper administrative echelon. And only then. See AR #13-10, IX, SANCTIONS

December 02, 2013, growing bolder by Captain Anthony Jackson, Lt. Joseph Spears, Sgt. Saen Blount, Sgt. B.A. Montgomery; Linda Erwin, Kakisha S. Lee, Marvin Evans, Jr.; DHO Keith Waddle; Raymond C. Maylee; and Afis Ray Hobbs, as well as Major Danny Cook, Steve Outlaw, et al, CO-I K.V. Richardson refused to open the cell door in which I was housed, 3 Barracks #41 cell, Zone #1, to afford me an opportunity to go to the chow hall. I wrote a grievance, see MX-13-2533, that was signed by Sgt. S. Moss on Dec. 02, 2013.

For some INANE REASON, this grievance (MX-13-2533) alleging "[This is the latest form of Retaliation Against my person" from an officer/staff I reported a complaint of "h[aving] had problems in the past (July 19, 2013 and many more), was not processed in the grievance office ~~as per~~ until Dec. 09, 2013,

despite being treated as a first step (Step 1) formal grievance that did not require Step 2 duly was forwarded. See AD #12-16, I, II, III, Definitions, A., B., 1, 2, 3, 4, and 5

The response from Warden William "Billy" Straughn that CO-I K.V. Richardson affirms that she opened all cells as the second half of theor(3) barracks per instructions of Sgt. B.A. Montgomery, yet admitting that "[t]he camera footage for the time frame in question does not successfully give an accounting of whether your door was opened or not. A monitor of the time frame in question does not reveal you leaving or returning to your cell..." should never have been ignored and determined to be without merit by Warden Straughn nor Mayor Evans, Jr, Deputy Director simply because Sgt. B.A. Montgomery brought me a cold, grease congealed larded food tray lacking any meat.

CO-I K.V. Richardson's Actions Regarding AD #12-16, IV, Procedures, K. Rape & Retal. #3

"...[A]bsolutely prohibited and will be dealt with in accordance with the appropriate policy regarding employee conduct and discipline. All personnel shall receive written and oral notice that formal and/or informal reprimands will not be tolerated."

"The Training Academy has implemented a training program regarding inmate problem resolutions and complaints. The training is mandatory for all staff involved in the inmate grievance process."

By the very context of what "[A] monitor of the time frame in question does not reveal" as it relates to the issue/complaint of being "the latest form of retaliation against my person," Warden Straughn and Deputy Director Evans' responses failed to follow fair procedures of forwarding the grievance.

to Internal Affairs for further review with all relevant documents provided herein as related to this complaint. See Ad #12-04, IV. Procedures, 5 Repeal or Revision & 5. Compare Ad #11-35, I, III, IV.

For failing to follow fair procedures, intentional infliction of emotional distress, false imprisonment I request \$100.00 per day for each day spent on Disciplinary Court Review Status housed in 5 Bays, 5D cell, between July 19, 2013 thru July 23, 2013, as well as \$100.00 per day for each day spent in punitive isolation for thirty (30) days to include the sixty (60) days telephone, commissary, and visitation privileges restrictions that kept me from reaching out to my family and/or receiving the visits missed during said time. I also request: (2) An immediate transfer to Cummins Unit P.O. Box 500, Grady, Arkansas, 71644-0500; (3) permanent/absolute ban of Rehousing at the Tucker Maximum Security Unit, 2501 State Farm Rd, Tucker, Arkansas 72118; (4) termination of each individual Department of Corrections agent, official, administrative, and/or employee mentioned in the complaint/claim above; (5) in addition to the \$100.00 per day of D.C.R. status added with \$100.00 per each day spent in punitive isolation. Amount of \$3,500.00 I also ask for an additional \$1,500.00 for intentional infliction of emotional distress - totaling \$5,000.00 for this claim of which negligence is included, along with nonchalant indifference and deliberate disregard of staff members and administrators not following fair procedures. Each aforementioned policies defines or creates a duty for which was breached by the Arkansas Department of Corrections officials.

CLAIM THREE OF THREE

On January 23, 2014 after leaving the MSU gym, I went to the barracks I was assigned to, awaiting chow call. After I finished eating I stood in the chow hall door speaking with Cpl Emsweller in regards to having my state issued pants mended. After completion of this communication Sgt. Richard Clark stated to me, quote: "Jessie Hill, do me a favor and go sit in legal visitation for a while for me, Aye-right?" unquote I did so without contestation due to an Ad/Soc inmate coming down the hallway, according to MSU policy.

While awaiting an officer to come and let me out of the legal visitation cell, Cpl T. Center asked me why was I being locked up. T - - - - - - - -
She was mistaken. Cpl T. Center informed me that, quote
A cell for you now. unquote

Sgt. B. A. Montgomery and Cpl J. Sack placed me in to escort me down the hallway, both expressing ignorance as being locked up. Encountering Sgt. N. Kelly, Unit Property Office, know why I was being locked up. Sgt. N. Kelly expressed Jan. 23, 2014, I was placed on Disciplinary Confinement status without knowing why I was being written up.

JAN 24, 2014, I received a copy of the attached F-8 REPORT, written by Cpl KATHLEEN LOWERY claiming that "playing basketball. There was a game of basketball [sic] in [I] was a player. Inmate Hill has a medical script stating ANY STRENuous physical activity, and it also states that OVER HEAD [sic] lifting. Inmate is in violation of his medical playing in a basketball game." ~

(RJ)

On JAN. 24, 2013, I wrote a grievance (MX-14-179), complaining of being subjected to Atypical And Significant hardships by Cpl K. Lowrey. At the time that Cpl K. Lowrey, Count Room Supervisor, "witnessed" me playing basketball, she was also aware that a similarly situated inmate James Witten was assigned as an Ad/Seg porter, performing "strenuous physical activity" and violating medical restrictions from performing an "assignment requiring handling, lifting of heavy materials," as well that there were medically restricted inmates playing in the game basketball; and that attended gym call out of 3 Bks Thursday night And Friday afternoon, whom played in a game of basketball. 3 Barracks housed similarly medically restricted "incarcerated individuals." Yet NONE were written A disciplinary was locked up since Cpl K. Lowrey maliciously chose to ~~per~~^{to} subject me to Atypical and significant hardships that are for certain guaranteed by MSU standards to result in positive isolation time. As Cpl K. Lowrey is the Count room officer, and there was AN official count time 01/24/14 during the time 3 Bks inmates were in the gym, Cpl K. Lowrey was well aware that there were inmates allegedly committing the same rule violations she alleged I had violated by doing the same EXERCISE REGIMEN I've performed since obtaining medical restrictions circa 1999 AND were encouraged when I developed hemorrhoids (see Attached Patient Education Information #2.. Maintain regular exercise program.. "4 Avoid standing in one place for long times. Avoid lifting heavy things (like weight lifting) given to me by Marvin Lammie Hughey, D.O.N, CCS) Around May/June 2014. And Again by Jacqueline Rhodes-Carwell, CCS provide, when she informed me that I "could attempt push-up exercises, just no 'G-I-Joe-to-the-extreme-workout-exercises" when I complained of continuing left shoulder, lower back, etc Oct. 24, 2013 related injuries.

As pointed out by the responses given, there was no concern for Cpl K. Lowrey's obvious AR 225 18.1 b. c.d Employee Misconduct Standard violations of falsifying documents for the malicious wanton infliction of

(41)

emotional disease, see MX-14-179 Attachment III, Warden's Decision, reason why I disagree with the response, and Attachment II, Deputy Director Marvin Evans, Jr.'s decision.

I have attached what is known as a copy of my medical restrictions viewed by Cpl K. Lowrey, Warden William "Billy" Steaghs, Major Munro K. Williams, and Marvin Evans, Jr., Deputy Director, among others. My medical (CHSS030) restrictions: "restrict [assignment] requiring 'prolonged' crawling, stooping, running, jumping, walking or standing"; "restrict [assignment] requiring strenuous physical activity for periods in excess of 2 hours," and "restrict [assignment] requiring handling, lifting of heavy materials in excess of 10 pounds OR [restrict assignment] requiring 'overhead work' for a period in excess of 2 hours." For which the language clearly and convincingly establishes the maliciousness of Cpl K. Lowrey's purposefully and intentionally falsifying a disciplinary report, attached F-831-1 dated Jan. 23, 2014, and its adjoining AK 005 report equally falsified. See also MX-14-249, MX-14-298.

JAN 24, 2014, I was seen in the MSU infirmary in regards to a sick call request I submitted Jan. 23, 2014 complaining of continuing injury and pain associated to the Oct. 24, 2013 assault and battery, excessive, use of force incident. The sick call was submitted before gym call, at the pill call which occurred by or before the 10:30 am lunch hour. Nurse Sandra Perez give me what is called a "Codman's Exercises" to perform, see attached, and scheduled me to see the physician as I complained again of still not having been seen since I was told of being rescheduled for the Dec. 2013 doctor's visit Jan. 04, 2014 by Hughey, A.O.N. MX-14-188

JAN. 28, 2014, Cpl R. Owens and Cpl C. Lowrey entered 8 Bks, in which I was housed on S.C.R. status, awaiting disciplinary court hearing. Cpl R. Owens approached the cell I was in [8 Bks #08 cell] and stated to me, quote: "Give me your clothes. I need you to strip." Without any argument, I completely removed all of my clothing and abdominal

(142)

bindoe, and handed them to Cpl R. Owens — who can be seen on camera tape footage of Jan. 28, 2014, at or around 1:15 pm, in 8 BKS #08 cell, striking out all of my clothes — in preparation for the scheduled disciplinary court hearing. While performing those acts, Cpl Carey Lowery asked me — as I squatted and coughed — quote: "Who wrote you up? Why are you going to disciplinary court? I mean, I thought you quit smoking weed and getting high, man, what's up?" unquote. I responded, quote: "Your man [Kathleen] wrote me up for playing basketball." unquote. Immediately, Cpl R. Lowery stiffened up and stated, quote: "Hold up, Hm. We'll be right back," unquote. Cpl Carey Lowery exited 8 BKS, accompanied by Cpl R. Owens, for the purpose of seeing if he could escort me to disciplinary court because someone he's related to had written me a fake disciplinary. See MK-14-248

JAN. 28, 2014, AT OR AROUND 1:16 PM, I FIRST INFORMED CPL JASMINE SMITH-MARTIN TO CALL CPL ENSWELLER OVER AT THE DISCIPLINARY COURT PROCEEDINGS TO INFORM HER THAT I WANTED TO APPEAR BEFORE THE DISCIPLINARY COURT HEARING OFFICER, AND THAT I AM NOT WAIVING MY APPEARANCE. CPL SMITH-MARTIN MADE A PHONE CALL, THEN SAT DOWN. CPL KURT ENTERED 6 BKS AND 8 BKS CONTROL BOOTH. I ASKED HIM TO CALL CPL ENSWELLER TO INFORM HER THAT I WANTED TO GO TO DISCIPLINARY COURT AND WAS NOT WAIVING MY APPEARANCE. CPL J. SMITH-MARTIN INFORMED CPL KURT TO TELL ME THAT CPL ENSWELLER STATED THAT SHE WOULD BE OVER TO 8 BKS #08 CELL TO TALK TO ME LATER. WHEN SGT. L. CHIDISTER ENTERED 8 BKS AROUND 1:23 PM, I INFORMED HIM THAT I NEEDED HIM TO MAKE THE SAME PHONE CALL, RELAYING THE SAME MESSAGE. WHEN SGT. MCDONALD AND CPL STRICKLAND ENTERED 8 BKS, I INFORMED SGT. MCDONALD THAT I NEEDED TO BE ESCORTED TO DISCIPLINARY COURT. WHILE SGT. MCDONALD WAS AT 8 BKS CONTROL BOOTH RETRIEVING A HANDCUFF'S TO BE USED TO LOG ME IN "SET-UP", CPL R. OWENS, CPL C. LOWERY, AND LT. JOHN SPEARS ENTERED 8 BKS. CPL R. OWENS INQUIRED WHAT SGT. MCDONALD WAS ABOUT TO DO, SGT. MCDONALD STATED QUOTE: "Final got Hm. He's the last one for disciplinary court," unquote. CPL R. OWENS STATED QUOTE:

"Oh, don't worry about it. We got him," unquote. After going through the whole getting naked, squat and cough dehumanizing tactic At the request of Lt. J. SPEARE, as I was being removed from the cell, I turned to Lt. J. SPEARE and informed him that I wanted to go to disciplinary court. Lt. J. SPEARE informed me that he would "check into it." Hearing this, Cpl R. OWENS stated, quote: "I already signed the waiver form." I told Cpl R. OWENS that I had never waived my appearance, and that according to policy any officer claiming that I had waived my disciplinary court hearing had to give me a copy of the waiver form. Cpl R. OWENS said that All 813-10 Disciplinary Manual policy had changed and that his signature that I refused was enough for me to waive the hearing proceeding.

As Cpl R. OWENS and Cpl C. LOWERY escorted me to begin serving the punitive isolation time punishment handed down by the disciplinary hearing officer, Cpl C. LOWERY stated to me that he was fairly sure that I could have beat the entire disciplinary. After making this statement, I saw Sgt. L. CHIDESTER exit the MPN courtroom. Sgt. L. CHIDESTER then stated to me, quote: "I checked on that for you, Hill. They said you refused [your hearing]," unquote.

When Cpl Emsweller brought me the copies of F-831-2 and F-831-3 /ISSR 01 Disciplinary Hearing Action (Attached) blue sheet (Q) and a disciplinary appeal form (F-831-4) (Attached), Cpl Emsweller slid these forms under the punitive isolation solid dose of W-21 and attempted to walk off. I began yelling for Cpl Emsweller to return to West-21 (W-21) cell dose. Upon Cpl Emsweller's return, I asked her, quote: "How're you just going to refuse me a disciplinary court hearing like that on these simple, bogus charges?" unquote. Cpl Emsweller stated to me, quote: "They said you waived. In fact, when you refused to strip, you waived, Hill," unquote. At this time I asked Cpl Emsweller, quote "(1) If you'll review both security tapes for 8BRS-08 cell, JUN 28, 2014, at or around 1:16pm you'll see I got

(44)

Completely naked both times Cpl R. Owens and Cpl Lowrey came to [8 BKS-] 08 cell. Both times, and (2) If I refused, where is the waiver form? ^{inmate}. At which time Cpl Brewster walked away from W-21 cell and NEVER provided me with a waiver form to complete nor a copy of the waiver form completed.

Jan. 29, 2014, I mailed my disciplinary appeal to William "Billy" Steaghs, Warden, MSU, S65 attached F-831-4 Mine Disciplinary Appeal Form dated Jan. 28, 2014; Stamped Received Jan. 30, 2014.

Jan. 29, 2014, I was scheduled to obtain class III promotion. I did not appear due to my being in punitive isolation. Again, no officer asked me to sign a waiver form, despite the purpose of said waiver form specifically imputed/incorporated into the ADC's system. Unknowingly, I had been scheduled for a "72 Hour Probable Cause Hearing" for Jan. 29, 2014, and thus, this is what unit records reflects I refused to appear so as to address with Unit Classification Committee. See 72 Hour Probable Cause Hearing, JAN. 29, 2014 notification attached. I received this form AFTER the hearing was held in absentia.

Sunday, Feb. 02, 2014, I wrote A grievance (MX-14-249) and very explicitly detailed that the charges against me by Cpl K. Lowrey, courtroom officer, did not reflect my medical restrictions, i.e. "over head lifting" substituted for "overhead work" for the expressed purpose of sending me to punitive isolation. In said grievance, I also informed that Cpl K. Lowrey does not allege that the basketball game lasted "for a period in excess of 0 hours." Cpl K. Lowrey Alleges that my medical restrictions restricts me from any "over head 'lifting'" for the purpose of inferring that I lifted the basketball over head when she ^{infers} she saw me shoot the ball without EVER saying that she saw me shoot the basketball, nor "running, jumping" for a prolonged period during a basketball game she claims to have witnessed me participating in.

Tuesday, February 04, 2014, I signed the Notice of Classification
Hearing scheduled for Wednesday February 05, 2014, saying I would
appear. See Attached

Wednesday, February 05, 2014, I was stripped (searched) by
Sgt. Brinkley, and escorted to classification hearing by Sgt. Brinkley
and Cpl Stacey Reddick. I appeared before the unit classification
and made Warden Steaughn, Penny Crook, Field Major; Marcus E. Williams,
Building Major; Merlin Hughes, D.O.N., CCS Agent; Ms Willoughby, Mental health;
Connie L. Jenkins, Classification Supervisor Officer; Lt. A. Ruh; Lt. B.L. Gardner,
Lt. Hearn, Capt. Anthony Jackson, and Capt. C. May, et al, all aware that
Cpl K. Lowery, Cpl Emchweller, Cpl R. Owens, and Cpl C. Lowery had
each, respectively, falsified documents, violating AR 225 18, a.b.c.d as
alleged herein. I went further to raise the atypical and significant
hardships aspects of this claim, and explained how I was eligible for
class III promotion. I was "assigned" for having four (4) disciplinaries in
2013 and one (1) in 2014, under premise that I "indicate[] A chronic
inability to comply with agency rules and regulations..." In summation,
I was assigned to Ad/Sen as punishment for being class IV for more
than six (6) months, in violation of AR 834. See Feb. 05, 2014 Initial Review
Assignment and MX-14-267; see also MX-14-298 dated Feb. 08, 2014; MX-14-366

February 06, 2014, Warden Steaughn affirmed my disciplinary appeal
F-834 from dated Jan. 28, 2014, in spite of my assertions that I did not waive
the hearing, was not afforded a copy of the form denied AD #13-10 file
procedures(s), as well as in spite of the fact that I listed witnesses to
support my assertions and his obligating duty to correct errors of records.
See Inter-Office Communication and disciplinary appeal affirmed Feb. 06, 2014.

On Feb. 07, 2014, I wrote a disciplinary appeal to Raymond Naylor,
Disciplinary Hearing Administrator (DHA) - slash - Internal Affairs Administrator/
Compliance Officer and wrote a grievance (MX-14-295) complaining of a

"[S]erious violation of [my] personal rights, or of rules, regulations or procedures, And complaints or information supplied which may have a serious bearing on facility or institutional operations [that] should [be] investigated [ed], see AD #11-35, II, A.1 and AD #13-10, IX SANCTIONS

Feb. 07, 2014, I wrote MX-14-296, in which I complained of Linda Erwin, Inmate Grievance Coordinator and/or Lakisha S. Lee, Administrative Specialist I, failing to follow fair procedures AD#13-16, AD#11-35, and AR 225. And in spite of such, continuing disregard for her duties and the duties of all Administrative personnel mentioned in said grievances, none has performed their required duty of immediately terminating offending staff nor informing Internal Affairs / Director of the ADC of AR 225 violations by MSH personnel.

Feb. 08, 2014, I called (870)247-2104 Internal Affairs hotline and complained of MSH's and ADC's failure to follow fair procedure, rules, and/or regulations, see MX-14-298. (870)247-2104 is a telephone number listed on every prisoners allowed telephone list that does not count against the total numbers allowed; nor is there any record informing any personnel of what the purpose of this number serves. Needless to say, I have not heard from anyone at Central Office concerning this telephone call. ~~See AD#13-16~~

February 10, 2014, I was finally seen by Dr. Shock, CCH provider, as a result of a physician referral dated February 03, 2014 per Nurse James Hamilton, concerning complaints of injury and pain suffered as a result of the assault and battery, excessive, unnecessary, and unreasonable use of force done to me by Sgt. B. Cockrell, K-9 Unit, ADC. Dr. Shock prescribed medicine that "supposedly" enhances the Motocarbamol 750 mg 2 doses that began October 31, 2013.

February 12, 2014, I received Warden Steaghs denial of MX-14-298 and MX-14-00179, finding both to be without merit (As was done in every grievance(s) referenced in claim one then thereof).

February 14, 2014, I personally spoke with Warden Steaughn in the presence of Captain Jackson while in punitive isolation W-21 cell, At or Around 1 m. I informed Warden Steaughn that Cpl K. Lowery And Cpl R. Owens, Cpl C. Lowery, And/or Cpl Emsweller has lied to him, misleading him from the truth, and that Linda Kevin And LAKisha S. Lee were interfering with the truth being told to him by way of filtering selectively with which staff members whom are spoken to as "personnel and/or witnesses" to the complaints in my grievances. Warden Steaughn communicated that he did hear my complaint and thus did acknowledge that I lodged said complaint formally. And still nothing was done. See MX-14-423. dated February 28, 2014
See Also AD#12-24

February 16, 2014, I was scheduled for release from punitive isolation, having served out the twenty (20) day false imprisonment that resulted from the disciplinary written with the intentional infliction of great emotional distress, And the unfair procedures that causes its continuance.

By February 28, 2014, I still had not heard from any investigation Agent per AD#11-35 II, A. 1,2, nor had Warden Steaughn shown any sign of acknowledging my complaints and information beyond that of choosing to ignore my complaints merit, nonchalantly disregarding such rights, rules and/or regulations with deliberate indifference to any of his staff following fair procedures/requirements of the AAC's personnel policies. See MX-14-423

On February 28, 2014, Lt. J. SPEARS Responded to a grievance MX-14-422 written against Warden Steaughn. Giving interference in assuming to ANSWER Administrative complaints against those in a pay-grade higher than his own, see AD#12-24, III, B. 1.2.3.4.5,

RESPONSE given by Lt. Spears is A RETALIATION of MX-13-1702
and expresses that Lt. SPEARS has no proper adherences of the
ADC's own personnel policy. EXPRESSING A WILLINGNESS TO NEGLECT
his duties AS A VOLUNTEERED Problem-Solving Staff. The neglect is
so long reaching into the ADC's ~~inter~~-structured system that
it equally applies to Sgt. Dara Blount handling MX-14-422 AND
MX-14-423 in such a manner of neglecting her duty AS A
"Problem-Solving Staff" by not placing those grievances in the
Inmate Grievance Coordinator's mailbox or slid under the door
of their office(s) shared spaces. Just another example of WARDEN
Stensrud's Administration at the Maximum Security Unit, 2501
State Farm Rd, TUCKER, ARKANSAS 72168 of the ARKANSAS
Dept. of Corrections, are his responses to my efforts of trying
to resolve his nonchalant disregard and deliberate indifference
as shared by Deputy Director MARVIN EVANS, Jr and Acting Ray
Hobbs, ADC Director, Raymond Naylor, Internal Affairs Compliance Officer.

March 12, 2014, I spoke with Dr. Eddie Engstrom, Mental
Health Counselor/Provider for the purpose of determining what does
constitute as a mental health issue or concern. I was given an
elaborate run around just as I received from Ms. Willoughby,
Mental Health Counselor on March 05, 2014, SEE MX-14-, and
all throughout 2013, when I would attempt to address all I
perceive as mental issues developed or enhanced by actions, or
lack thereof regarding the deliberate disregard and nonchalant
indifference of ADC Administratives "treatment" of staff misconduct
which affected me to the point of wanting to react violently so as
guarantees an immediate transfer from NSU's administration that

(Aq)

ENDORSES SUCH ~~BESTIAL~~ VIOLATIONS OF MY HUMAN RIGHTS AS A PERSON AND/OR A PRISONER.

March 15, 2014, I received a disciplinary appeal rejection from Raymond Naylor, Disciplinary Hearing Administrator, in which he rejected my appeal based on the waiver form I NEVER signed, WERE NEVER presented with to refuse to sign, and did not conduct myself in any form of behavior consistent with waiving my disciplinary court hearing Jan. 28, 2014; of which I did inform Naylor, also, of what a review of security tape footage of 8 BKS - #08 cell, along with the collective statements of six (6) staff members statements purposely not collected so as not to have to abide the sanctions of AD #11-35, AR 225, AR 005, AD #13-10, And/or AD #12-26. See Attached.

On March 19, 2014 I appealed to Director Hobbs, And listed similar grounds for reversal; listed evidence to substantiate that I did not waive my disciplinary hearing nor refuse to sign the waiver form that was NEVER presented to me, etc., and that a review of aforementioned security tape footage, collectively, would corroborate my theory of what actually occurred Jan. 28, 2014, providing additional impeaching evidence of Cpl R. Owens, Cpl. C Lowrey, And/or Cpl Emsweller falsifying document F-831-6, in violation of AD #13-10, Inmate Disciplinary Manual, IR Sanctions And AR 225 Employee Misconduct Standards 18, A.B.C. As AN INCARCERATED PERSON I AM NOT ALLOWED A COPY OF AR 225, PER SE.

March 20, 2014, I RECEIVED MX-14-422 AND WAS INFORMED THAT MY REFERENCING AD #12-26 AS THE GRIEVANCE MANUAL/POLICY WAS IN ERROR. I countered by writing MX-14-598 REQUESTING CORRECTIVE MEASURES BE TAKEN TO HAVE MX-14-422, MX-14-267, MX-14-296, MX-14-483, ANY AND ALL GRIEVANCES THAT ERRONEOUSLY IDENTIFIED AD #12-16 AS AD #12-26. MX-14-598 DATED MARCH 22, 2014

Also at March 22, 2014, I wrote MX-14-597, complaining of Raymond Naylor, Disciplinary Hearing Administrator/Compliance Officer/Internal Affairs Director Administrator And Acting Ray Hobbs, Director, ADC, neglecting their duties to

maintaining a watchful eye over William "Billy" Strength, MSU Warden, and Steve Outlaw, MSU Asst./Deputy Warden, obligations to report as referee to Naylor, Hobbs, prosecutors, and/or State police any and all violations of falsified documents and/or assault [and battery], excessive, unnecessary, and unreasonable use of force made against my person.

March 25, 2014, I received a memorandum from Sids Lawrence, Assistant to the Director, Central Office, P.O. Box 8707, Pine Bluff, ARK File#1, erroneously alleging that I did not appeal. Had this ABC personnel thoroughly performed her duties, she would have noted that I appealed the denial received from Naylor March 15, 2014 which was dated March 04, 2014. See Attachment dated March 20, 2014. See attached memorandum.

March 26, 2014, in MX-14-483 Warden Strength affirmed that he would continue to neglect his duties to put a stop to AD#12-16 interference with obtaining impeaching statements of Staff Cpl Owens, Cpl C Lowery, and/or Cpl Ensweller's Knowingly falsifying F-831-6 forms 01/28/14, by allowing L.D. Kevin and/or L.S. LBO to refuse from, either neglect their duties of obtaining statements of Cpl Jasmine Smith-Martin, Cpl Kuet, Sgt. Harry Chick-stoe, Cpl Strickland, Sgt. McDonald, and/or Lt. John Spears. I appealed to Marvin Evans, Jr., Deputy Director.

April 25, 2014 I received Marvin Evans, Jr responses to MX-14-483 and MX-14-598.

April 25, 2014, I also received Ray Hobbs, Director's, Affirmance of my disciplinary appeal; in which I complained of Cpl K. Lowery, Cpl. C. Lowery, and Cpl R. Owens, respectively, acting in violation of employee conduct standards which prohibits "falsification of written/verbal statements information", as well as "Falsification of inmate information and/or files," during and in relation to the JAN, 23, 2014 disciplinary (Cpl K. Lowery) alleging I have medical restrictions that are not true, or that I refused to sign.

As a result, I was falsely imprisoned in punitive isolation for twenty (20)

days, on the false premise that I had committed violations of my medical restrictions, having the malicious intent of subjecting me to a work assignment which has the potential to cause substantial risk of physical injury to my right knee, lower back, and left shoulder. I request one hundred dollars per each day spent in positive isolation, equalling to \$2,000 this claim.

CONCLUSION AND RELIEF SOUGHT

In each claim the ADC failed to follow fair procedure in dispensing with the rules and regulations of the State's Department of Corrections, allowing officers to conduct themselves in direct violation of the policies, procedures, standards, and laws of this State.

Claim one: \$3,000⁰⁰ false imprisonment, perjury, falsified documents, etc.

Claim two: \$53,000⁰⁰ assault and battery, use of excessive force, etc., false imprisonment, etc.

Claim three: \$2,000⁰⁰ false imprisonment, falsified documents, perjury, etc.

\$58,000⁰⁰ total

A review of security tapes related to those claims supports each claim's truthfulness.

Including \$10,000⁰⁰ per each ADC employee elemental toward causing interference of developing facts materially related to these respective claims, total amount sought: \$68,000⁰⁰ and an immediate transfer to Cummins Unit, P.O. Box 500, Grady, Arkansas 72644-0500 with an absolute due to rehousing / re-entry to MSH 2501 State Farm Rd, Tuckee, Arkansas 72668

Defendant/Respondent

REPLY BRIEF TO RESPONDENT'S ANSWER

Comes now, Jessie Hill, #104136, Claimant, in propria persona.

Respondent's "ANSWER" ATTEMPTS TO MAKE A FARCE/MOCKERY OF THESE PROCEEDINGS.

A thorough REVIEW of EACH GRIEVANCE SUPPORTS the VERY ALLEGATIONS Respondent denies. Claimant listed the REGULATIONS supporting his GRIEVANCES and DISCIPLINARY APPEALS in the MATTERS TAKEN to the top of the ADMINISTRATIVE "FOOD CHAIN": Director Ray Hobbs and Raymond Naylor, INTERNAL AFFAIRS Division Director-Slash-Compliance Officer-Slash-DISCIPLINARY HEARING Administrator, and Marvin Evans, Jr, Deputy Director-INMATE GRIEVANCE Coordinator. Claimant inquired of EACH that CAUSE/COMPLAINED of REASONS to CONDUCT AN INTERNAL INVESTIGATION. EACH DETERMINED CLAIMANT'S COMPLAINTS DID NOT WARRANT AN INTERNAL AFFAIRS INVESTIGATION MERELY BECAUSE Warden William "Billy" Straughn; Steve Outlaw, Deputy/Assistant Warden; AND/or Maurice Williams, Major, Chief of Building Security; Danny Crook, Major, Chief of Field Security, REFUSED to suggest that AN INTERNAL AFFAIRS INVESTIGATION BE CONDUCTED. Now that Claimant has filed with the CLAIMS COMMISSION Respondent has opted to NOW do its duty. TOO LATE for all that.

Does Respondent intend to subject: Cpl K.V. Richardson; Lt. John Speare; Cpl B.M. Young; Major Williams; Cpl. J. Parkes; Cpl J. Jacks; Cpl K. Lowery; Cpl Ensweller;

Cpl R. OWENS; Cpl. C. LOWERY; Lt Kisha S. LEE, Admin. Specialist I; Linda Ewin, INMATE GRIEVANCE COORDINATOR; Sgt. D.L. Holmes; Sgt. C. GRIFFITH; Sgt. B. HAYES; Cpl. O. GILES; Cpl. A. TYLER; Cpl. K.L. BRECKENRIDGE; Cpl. T. SMITH MARTIN; Cpl. KURT; (Sgt) Cpl. L. CHIDESTER; Cpl. STRICKLAND; Sgt. M. DONALD; WARDEN STEAUGHN; Deputy Asst. Warden OUTLAW; Major D. CROOK; Lt. A. RUH; Lt. B.L. GARDNER, ET AL, to the computerized voice & stress test ANALYSIS / VOICE STRESS ANALYSIS/polygraph? Merely asking these agents, employees, or officials questions related to the grievances, disciplinary, and incidents in question does not suffice with rebutting Claimant's complaints of failure to follow fair procedure, false imprisonment, falsified documents, intentional infliction of emotional distress; perjury; etc. Inclusive of those to be subjected to the polygraph are: Ray Hobbs, Director; Raymond Taylor, Internal Affairs Division Director-Sch-Disciplinary Hearing Administrator; Marvin Evans, Jr, Deputy Director of INMATE GRIEVANCES. The polygraph/voice stress analysis test must be conducted against all aforementioned.

The Steadiest of proof ~~also~~ require the production of the security tape footage shown to the Claims Commission, of July 19, 2013, as complained of against Cpl. K.V. Richardson, Cpl. D. PARKER, Cpl J. JACKS, Lt. J. SPEARS, and Cpl T. BROWN; August 13th and Aug. 17th, 2013, as complained of against Cpl D. PARKER and Cpl B.M. Young; October 24th and 31st, 2013, as complained of against Cpl O. GILES; Sgt. C. GRIFFITH; Sgt. B. COCKRELL; Sgt. D.L. HOLMES; Cpl. A. TYLER; Cpl. W. BLAIR; October 25, 2013 as complained against Sgt. C. GRIFFITH and former Lt. LOWERY; December 02, 2013, as complained of against Cpl K.V. Richardson; January 28, 2014, as complained of against Cpl R. OWENS, Cpl C. LOWERY, Cpl EMSEWELLER, Lt. J. SPEARS. Evidence that will corroborate and substantiate Claimant's complaints addressed in grievances, disciplinary appeals, telephone messages recordings to (870) 247-4033 and (870) 247-2104 -- numbers provided by the Respondent to address complaints addressed in documents submitted in support of Claimant's complaints.

The steadiest proof requires the Respondent to give Claimant a typed & copy of AR 225 Employee Conduct Standards.

Claimant has provided what evidence of proof is available to him for the Claims Commission to find his complaints ARE meritorious and that the Respondent's ANSWER is far no other.

REASON THAN TO BE vexatious AND to delay the proceedings, i.e. requesting abeyance.

Respondent's failure to investigate or take remedial action subjected Respondent to liability, And damages are warranted against Correctional officer And prison director/superintendent. DAVIS v. JELLO, 115 F.3d 1388 (8th Cir. 1997). Prison's official's Knowledge of prison conditions learned from Claimant's communications, could, under appropriate circumstances, constitute sufficient knowledge to require action to investigate, And, if necessary, to rectify offending condition. VANCE v. Peters, 97 F.3d 987 (7th Cir. 1996)

Claimant's complaints evidence Respondent's have/not conducted themselves in A professional manner; [acted with] "conduct unbecoming AN EMPLOYEE; engaged in activity which compromises professional relationships; engaged in any activity with another employee which compromises professional relationships; performing at a level incommensurate with the job specifications, performance, standards, and other duties as assigned; unsatisfactory work performance"; unsatisfactory work performance resulting in injury [ITEM]; [not] maintaining a courteous and respectful demeanor in dealing with [Claimant]; discriminatory treatment of others; "refrain[ing] from any discriminatory conduct referring to race, color, sex, religion, national origins, age, disability, etc."; "deliberate harassment"; "discrimination"; "Retaliation Against [Claimant], who has filed lawsuits or grievances, or have otherwise engaged in protected activity"; "failure or delay in reporting injuries of [Claimant]"; "Employee are expected to perform work assignments within the scope of their descriptions and follow reasonable work requests and instructions..."; "Inattentiveness while on duty"; "Employees are expected to remain alert at all times during business hours..."; "Failure to perform or carry out work related to instructions, when such instructions are reasonable and within the employee's ability to perform..."; "Deliberate refusal to carry out reasonable work"; "Employees must give clear, complete, and accurate information in completing... work records, investigations..."; "falsification of work records... supporting documentation..."; "falsification of written/verbal statements information"; "falsification of ~~information~~ inmate information and/or files"; "Employees shall maintain a courteous and professional demeanor in their association with [Claimant]... At all times, and shall abide by the Department's regulations concerning the relationship to be observed by Employee towards [Claimant]"; "Verbal Abuse"; "Unnecessary or Excessive Use of force"; "Physical abuse used to punish or harass...". VANCE v. Peters, 97 F.3d 987 (7th Cir. 1996).

BEING AWARE of the Complaints specifically laid out, Respondent wasted its Right to RESERVE the right to plead further upon completion of the investigation by INTERNAL AFFAIRS that is also listed as ONE of those inter-agency departments/divisions complained of not performing AT A LEVEL commensurate with job specifications, performance standards, and other duties as assigned to Raymond Naylor, INTERNAL AFFAIRS DIVISION, as is also indicated by the letterhead in which Naylor used to address EACH disciplinary appeal merit sought by CLAIMANT. Finding the CLAIMANT will require AND does require counsel to obtain aforementioned significant copies of evidence, A HEARING IS REQUESTED.

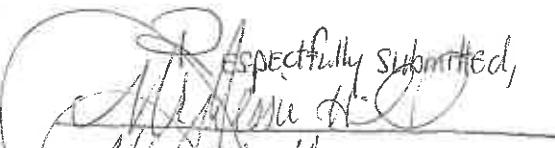

As the Claims Commission may deduce from the complaints raised by CLAIMANT, the CLAIMANT is due to the relief sought on the face of the ~~the~~ claim and shall be AWARDED without delay, AS THERE IS nothing to combat the claims for which Respondent CAN OR WOULD produce.

WHEREFORE, CLAIMANT shall be AWARDED the ~~\$~~ sum requested, and all other relief sought, AND Respondent's answer and contentions in the proceedings shall be dismissed with PREJUDICE.

It is brought in good faith, not meant to vex or delay proceedings

It is sworn under penalty of perjury

ARKANSAS DEPARTMENT OF CORRECTION

Arkansas
State Claims Commission
JUN 05 2014

RESPONDENT'S MOTION TO DISMISS

COMES NOW the Respondent, Arkansas Department of Correction, and for its MOTION TO DISMISS, states and responds as follows:

1. Claimant filed three claims, only claims one and three are accepted by the claims commission and will be responded to herein.

CLAIM ONE: DISCIPLINARY VIOLATION: INDECENT EXPOSURE

2. Claimant alleges that since May of 2007, he has sought help from Deputy Warden Outlaw to testify in a false indecent exposure claim. Since that time he received and false indecent exposure claim and subsequently was subjected to retaliation. He seeks \$3,000.00 in damages.

3. Any causing of action arising from this incident for which no grievance is attached to evidence an exhaustion of his remedies, has been barred by the three year statute of limitations in Arkansas and should be dismissed.

4. Claimant states that he received another indecent exposure charges on September 9, 2010/October 9, 2010. It is unclear by the pleading if that is two charges or if Claimant is unsure of the correct month. In either event, no grievance is attached to evidence an exhaustion of his remedies, has been barred by the three year statute of limitations in Arkansas and should be dismissed.

5. Claimant states that he received another indecent exposure charge on July 19, 2013, by Officer Richardson. He states that he wanted to call four officers as witnesses and the camera at his disciplinary hearing.

6. Claimant attempts to attribute multiple instances of his hearings as evidence of a due process violation.

7. This claims commission does not have jurisdiction over due process claims. See Exhibit "A"

8. Claimant argues that he didn't have time to get witness statements because he was notified on July 22, 2013, that his hearing would be held on July 23, 2013. AD 13-10 VI (E)(2) states "a charged inmate must be given at least twenty-four (24) hours prior notice of a disciplinary proceeding. There was no violation of policy by having the hearing the next day.

9. Claimant wanted to call the camera as a witness. AD 13-10 VI (E)(2) states "the inmate may call witness by giving he serving officer the names of the *individuals* he/she wishes to call. There is no provision which allows for the inmate to call the camera as a witness.

10. Claimant's disciplinary was upheld on all levels of appeal. Claimant cannot bring an action for damages for a properly assessed and upheld disciplinary. "A prisoner cannot pursue the damages claim until the conviction or sentence is reversed, expunged, or called into question by a state tribunal or federal court." *Brown v. Sanders* 2013 WL 5522435 (E.D. Ark.), citing *Heck v. Humphrey*, 512 U. S. 477, 489 (1994). In *Edwards v. Baliso*, 520, U. S. 641 (1997), the Supreme Court extended its holding in *Heck* so as to apply to disciplinary proceedings that resulted in a loss of good time credits.

11. Claimant's disciplinary conviction for the above has not been reversed, expunged or challenged by a court; therefore, his claim should be dismissed.

12. Claimant then alleged the Officer Richardson has retaliated against him on several occasions. Claimant is in the wrong court to allege retaliation against this officer. This claim should be dismissed for lack of jurisdiction under ARCP Rule 12(b)(1).

CLAIM THREE: MEDICAL SCRIPT AND BASKETBALL GAME

13. Claimant states that on January 23, 2014, he was locked up for playing basketball in violation of his medical script. He seeks \$2,000.00 in damages.

14. Claimant does not dispute that he has a medical restriction and describes it on page 42 of his complaint. The script prevents him from an assignment requiring strenuous physical activity for periods in excess of 0 hours, lifting of heavy materials in excess of 10 pounds or overhead work for a period of 0 hours.

15. Interesting, Claimant admits to placing a sick call for a continuing injury and pain associated with an assault and battery and excessive use of force incident just before going to play basketball.

16. Claimant was then placed on DCR, pending his hearing for the disciplinary violation. He alleges that he did not waive his hearing, but the officers will testify that Claimant did in fact waive his hearing by refusing to strip, he waived the hearing. There was no reason to present him with a waiver form, Claimant's actions constituted a waiver.

17. Claimant rambles on and on in great detail about events transpiring throughout his appeal process; the outcome being his appeal was upheld at all levels.

18. Claimant's disciplinary was upheld on all levels of appeal. Claimant cannot bring an action for damages for a properly assessed and upheld disciplinary. "A prisoner cannot pursue the damages claim until the conviction or sentence is reversed, expunged, or called into question by a state tribunal or federal court." *Brown v. Sanders* 2013 WL 5522435 (E.D. Ark.), citing *Heck v. Humphrey*, 512 U. S. 477, 489 (1994). In *Edwards v. Baliso*, 520, U. S. 641 (1997), the Supreme Court extended its holding in *Heck* so as to apply to disciplinary proceedings that resulted in a loss of good time credits.

19. Claimant's disciplinary conviction for the above has not been reversed, expunged or challenged by a court; therefore, his claim should be dismissed.

20. Claimant seeks an immediate transfer to Cummins Unit and an additional \$10,000.00, against each 'employee elemental toward causing interference of developing facts materially related to these respective claims.' However, these employees are not parties to this action, only the Respondent, ADC, is a party.

21. A motion to dismiss is proper when there are no facts upon which relief can be granted. ARCP 12(b)(1)(6). Respondent moves that the commission dismiss this claim.

WHEREFORE, for the reasons stated above and the evidence submitted the Claim must be dismissed.

Respectfully submitted,

Dear Mr. Hill:

This office is in receipt of your letter and attempt to file a "Motion for Reconsideration" a second time on the above-referenced claim. You had forty (40) days (well over a month) from March 13, 2015, to ensure that this office received this pleading. It was your responsibility to mail it in a reasonable amount of time to ensure that the pleading arrived in this office within the forty (40) day deadline. It is not the fault of the Claims Commission that you chose to mail it near the end of the deadline. The Claims Commission will not accept your "Motion for Reconsideration" and is returning it to you.

RE: Denial of Reconsideration.

Ms. Wade,

I find it very unprofessional and inconsistent that you have listed the reason for denying my motion for reconsideration on a matter that is wholly and reasonably beyond my control: the date that you mail or cause delivered my motion to your office. By checking the postmark, you will certainly see that I did mail my motion for reconsideration before the April 27, 2015 deadline. As the inter-state mailing system usually takes one day from the prison to anywhere in Arkansas, you should have received my motion on or about the 27th.

I am including the envelope in which you mailed your denial dated April 23, 2015, post-marked April 23, 2015, that I did not receive until April 27, 2015. Is that your fault that I did not receive your correspondence four (4) days after you mailed it? No. It is the Arkansas mailing system. Something completely external to either of us. I should have received your correspondence on April 24, 2015, if not April 25, 2015.

I am asking you to allow sensible reasoning to direct you to reconsider the grounds of your denial as the post mark is not grounds to be held against me in this matter.

Notice of Appeal

Comes now, Jessie Hill, #104136, Claimant, in proper person,

On March 13, 2015, the Commission unanimously denied and dismissed my claim for failure to prove by a preponderance of the evidence any liability on the part of the Respondent.

The Commission is hereby requested to file this Notice of Appeal:

As to claim one, I presented a grievance response from Steve R. Outlaw, Deputy Warden, stating that he reviewed the security tape footage of July 19, 2013, and the security tape footage could not set me doing what was alleged. I had called Steve Outlaw; Captain K. Feature; Beandy M. Young, Security Camera Operator/Supervisor, and Major M.E. Williams as witnesses to review the security tape footage and provide a statement detailing what the security tape footage showed related to the disciplinary before going to disciplinary case. Beandy M. Young reviewed the tape, saw that it did not show me committing the act Cpl Kendall V. Richardson filed against me; according to Cpl Young, Major M.E. Williams would not allow her to provide such a statement. That is, two (2) ADC personnel were called as witnesses, knew I was favored in security tape footage, i.e. A reliable method to determine whether an infraction actually occurred, see AR 831/AD 13-10 Tom's Disciplinary Manual, and did not provide a statement. The

Respondents claim that there ARE NO SECURITY TYPE FOOTAGE available for/of July 19, 2013 3 BBL #23 cell. THERE IS A RECORDING OF THE DISCIPLINARY HEARING WHEN I DID INFORM DHO WADDELLS OF THE EXONERATING SECURITY TYPE FOOTAGE AND THAT THE REVIEWING STAFF, ONE OF MY WITNESSES, BRANDY M. YOUNG, WAS STANDING RIGHT OUTSIDE OF THE DISCIPLINARY PROCEEDING PER AR 801/AO 13-0 DHO WADDELLS REFUSED TO WEIGH ALL OF THE "PRIMARY EVIDENCE", i.e. THE EXONERATING SECURITY TYPE FOOTAGE AND CP1 BRANDY M. YOUNG'S EQUALLY EXONERATING STATEMENT. I WOULD HAVE YOUNG AS A WITNESS.

CLAIM THREE

On March 13, 2015, AFTER LEAVING THE COMMISSION HEARING, I SPOKE WITH ONE OF MY WITNESSES, CPL KURT/KURT. ACCORDING TO CPL KURT, HE HAS NEVER GIVEN A STATEMENT TO ANYONE, NOR HAS ANYONE EVER ASKED HIM TO PROVIDE A STATEMENT IN ANY REGARDS TO ANY MATTER RELATED TO ME OR THE JAN. 28, 2014 INCIDENT.

ON MARCH 23, 2015, I SPOKE WITH SGT. MCDONALD, AND ASKED HIM IF ANYONE HAS SPOKEN WITH HIM IN REGARDS TO THE JAN. 28, 2014 INCIDENT, OR OBTAINED A STATEMENT FROM HIM IN REGARDS TO SUCH. SGT. MCDONALD, JUST LIKE CPL KURT, AFFIRMS THAT NO ONE HAS REQUESTED ANY STATEMENT FROM HIM, NOR HAS HE EVER GIVEN A STATEMENT IN REGARDS TO THE MATTER.

I HAVE THE WORD OF TWO(2) OF MY WITNESSES THAT LISA WILKINS KNOWINGLY COMMITTED, OR PRESENTED PSEUDOCHESS STATEMENTS TO THE COMMISSION MARCH 13, 2015 FOR THE PURPOSE OF PRECIPITATING THE OUTCOME OF THE HEARING. SHE KNOWS SHE WOULD HAVE LOST HAD MY WITNESSES BEEN ALLOWED TO PHYSICALLY PRESENT THEIR STATEMENTS.

IN FACT, I WROTE A GRIEVANCE ABOUT THIS, INCLUDED IN THE COMPLAINT I ORIGINALLY MAILED TO THE COMMISSION. HAVING MY WITNESSES PRESENT TO STATE THEIR OWN STATEMENTS WOULD PROVIDE THE PREPARENCES OF THE EVIDENCE TO SHOW LIABILITY ON PART OF THE RESPONDENT.

When I wrote a grievance against ~~the~~ Lisa Wilkins for knowingly committing perjury, I was told that I could not have ANY ANC personnel subjected to disciplinary action, in spite of the fact that AR 225, Employee Conduct Standard very strictly holds "discharge" is the only disciplinary action for falsified documents.

Rescheduling a hearing, ordering production of the disciplinary hearing tape of July 23, 2013, presence of Board M. Young, will preoffer proof of preponderance of the evidence, allowing granting me \$3,500⁰⁰ for claim one.

Rescheduling a hearing, requesting personnel — no other alternatives, is statement compiled by Respondent — would preoffer proof of preponderance of evidence, allowing granting me \$2,500⁰⁰ for claim three, preservation of all of my witnesses.

Total amount requested in the claim is \$6,000⁰⁰ (\$100⁰⁰ per day that I did on D.C.R. and in punitive isolation when other methods were available to determine that I had not violated any disciplinary infractions, etc.)

Even more so, there was no security tape footage supporting P.I.K. Lowry's assertions
