Dear Senator Dismang and Representative Jean:

The Office of Personnel Management (OPM) submits the enclosed packet of classification realignment requests for your review and consideration.

The enclosed letters detail classification realignments that have been reviewed and approved by OPM in accordance with the authority granted in Sections 8(n)(1) and 17(d) of Act 499 of 2025. Section 8(n)(1) of the Act states:

"The office may authorize a classification realignment between legislative sessions to ensure proper classification of a position and address operation needs not previously anticipated."

Section 17(d) of the Act states:

"For fiscal year 2026, the Office of Personnel Management may make changes to authorized positions and classifications under subsection (c) of this section as needed to reflect amendments, additions, and deletions to regular salary sections enacted by the Ninety-Fifth General Assembly in the 2025 regular session."

This request is to incorporate the approved realignments into the respective departments' appropriation acts to ensure authorized classifications and positions are accurately reflected.

Your consideration of this request is greatly appreciated.

Sincerely,

A handwritten signature in black ink that reads "Kay Barnhill".

Dear Senator Dismang and Representative Jean:

The Office of Personnel Management (OPM) submits for review a list of classification realignments for the Arkansas Department of Inspector General. These realignments were approved by OPM following the finalization of Act 499 of 2025. Section 17(d) of the Act states the following.

"For fiscal year 2026, the Office of Personnel Management may make changes to authorized positions and classifications under subsection (c) of this section as needed to reflect amendments, additions, and deletions to regular salary sections enacted by the Ninety-Fifth General Assembly in the 2025 regular session."

To ensure the department's appropriation act accurately reflects current position usage and need, OPM respectfully requests that the listed classification realignments be incorporated into the department's appropriation act, thereby providing a complete and accurate representation of all appropriated positions within DIG.
