Dear Senator Dismang and Representative Jean:

The Administrative Office of the Courts (AOC) respectfully presents our Fiscal Year 2027 budget proposal. We have adhered closely to the recommendations provided by the Department of Finance and Administration, making no changes other than two long-overdue appropriation adjustments. This decision reflects our commitment to being sound, conservative fiscal stewards of the relatively modest funding allocated to the AOC.

The two appropriation adjustments are:

- Court Interpreters. This appropriation adjustment is necessary to provide constitutionally-required court interpreters. Rising market costs in mileage, transportation, and lodging necessitate a modest appropriation increase of \$94,750 for Fund Center 343F.
- Substitute Court Reporters. This appropriation adjustment is necessary to provide statutorily required court reporters. Rising market costs in mileage, transportation, and lodging necessitate a modest appropriation increase of \$106,929 for Fund Center N39R.

We sincerely appreciate your ongoing support and understanding, and we are committed to working closely with the Joint Budget Committee to ensure the efficient operation of our court system. Please do not hesitate to reach out if you have any questions or require further information.

My best,
