Contract Summary

Contractor will provide consulting services for the public-private partnership (P3) project to redevelop the 22-acre University Plaza Shopping Center located on the southern border of the University's campus pursuant to the requirements listed in FB-22-015. Expected consulting services shall include, but not be limited to: 1) Broker discussions with the tenants currently leasing space on the University Plaza site; 2) Review the RFP for the project and provide relevant suggestions; 3) Assist with the identification of, and communication with, developers that may be interested in bidding on the project; and 4) Provide general counsel and advice during the project to ensure the best outcome possible for the University, its students and staff, and the surrounding community. Services for this contract will be on an on-call basis and at the rates set forth in the Contractor's Official Bid Price Sheet, attached. The Contractor will not be eligible to bid on the P3 project itself.

Purpose for Amendment

The purpose of this amendment is to extend the contract expiration date for one year. Contractor will provide consulting services for the university's public-private partnership (P3) project to redevelop the 22-acre University Plaza Shopping Center located on the southern border of the university's campus, pursuant to the requirements listed in FB-22-015. This is year three of a potential seven year contract.

Contract Summary

The services to be provided by WAYSTAR include assisting with implementation of clearinghouse services, verifying claim viability, and transmitting EDI (Electronic Data Interchange) compliant claims from Greenway PrimeSuite (or comparable vendor) to applicable pay sources. The verification process includes patient eligibility checks, checking claims for errors, and transmitting if viable or returning reports which clearly note issues with non-viable claims. The clearinghouse will also be responsible for making electronic 835 payment posting files available in Greenway PrimeSuite for ADH staff to post. If there is no electronic 835 payment posting file available, the clearinghouse will be responsible for making sure an EOB is available for manual posting in Greenway PrimeSuite. The clearinghouse is also providing technical assistance (including but not limited to answering queries, making sure the claims are compliant, searching for missing payment data, answering questions or assisting with actions which will allow ADH to create and transmit viable claims). The clearinghouse is also responsible for accurate dashboard reporting.

Purpose for Amendment

Amend to extend the end date to 2/28/2025 and continue Clearinghouse services, verifying claim viability, and transmitting EDI (Electronic Data Interchange) compliant claims. For time only.
