Department of Shared Administrative Services
Governor Sarah Huckabee Sanders
Secretary Leslie Fisken

November 6, 2026

The Honorable Blake Johnson, Co-Chairperson
The Honorable Frances Cavenaugh, Co-Chairperson
Arkansas Legislative Counsel (ALC) Review Subcommittee
State Capitol Building, Room 315
Little Rock, Arkansas 72201

Dear Senator Johnson and Representative Cavenaugh:

Under Arkansas Procurement Law, all non-exempt contracts for "services" must be presented for legislative review if they have an annual contract amount that equals or exceeds fifty thousand dollars ($50,000) in any contract year or a total projected contract amount of three hundred fifty thousand dollars ($350,000) over the term of the contract. *See* Ark. Code Ann. § 19-61-116. With this letter, the Department of Shared Administrative Services, Office of State Procurement (OSP), is presenting for legislative review all such services contracts received this month.

OSP also presents the following:

Ratification Requests

The following ratification requests are presented for review:

- Ozarka College is requesting ratification of costs for services related to the College's Title III grant application and subsequent grant support. A contract was awarded to Cascadia Consulting for grant writing services following a Request for Proposals the College issued in 2024. Personnel turnover and changes in federal guidance regarding the Title III application delayed the application process and the contract was inadvertently not submitted to ALC for review and approval before services began. Under the original contract, Cascadia Consulting is to receive $50,000.00 upon the College's successful receipt of the Title III grant award and an additional $50,000.00 at the conclusion of the five-year grant period for a total of $100,000.00.

- The Department of Finance and Administration, Office of the Controller, is requesting ratification of costs related to shredding services with Rock Doc, LLC for the Revenue Services Division. A renewal request for Fiscal Year 2027 was submitted but was not completed in a timely manner due to administrative oversight, and there are outstanding invoices totaling $21,135.32 for services rendered. The agency is also requesting authorization to continue covering costs.

None of the remaining contracts presented appear, on their face, to have been procured in violation of Arkansas Procurement Law. We request for their favorable review.

Original RFPs

Additionally, as requested during the September 20, 2024, ALC meeting, I also note the date the

original RFPs were issued, and the RFP method (MAP or traditional) utilized for the procurement:

Agency Name	Contract No.	Contractor Name	Date Issued	RFP Method

Subject: Ratification Request for Rock Doc, LLC Contract 4600051714 PO 4502343217

Dear Senator Johnson and Representative Cavanaugh:

The Department of Finance and Administration, Office of State Controller, respectfully requests ratification of expenditures associated with the shredding services contract with Rock Doc, LLC.

A renewal request for Fiscal Year 2027 was submitted: however, with administrative oversight it was not completed timely. Although the contract remains valid through June 30, 2027, and DFA currently owes the vendor $21,135.32 for services rendered. DFA is requesting ratification of these incurred charges, as well as authorization to continue covering costs.

It is important to note that shredding services have been suspended.

DFA respectfully requests approval of this ratification to ensure uninterrupted shredding services and to fulfill the agency's outstanding financial obligations under this contract.

Respectfully,

Andy Babbitt, CPA, CFE
State Controller

Ozarka College

Providing life-changing experiences through education.

Representative Frances Cavenaugh, Co-Chair

RE: Request for Ratification — Cascadia Consulting Contract for Title III Grant Services

Senator Johnson and Representative Cavenaugh:

Ozarka College respectfully requests ratification of its $100,000 contract with Cascadia Consulting for services related to the College's Title III grant application and subsequent grant support.

The contract was awarded following a request for proposals issued in 2024. Personnel turnover and changes in federal guidance regarding the Title III application delayed the application process and disrupted continuity of contract administration. During these transitions, the contract was inadvertently not submitted to the Office of State Procurement (OSP) for the required review and approval before services began. The College acknowledges this oversight and accepts responsibility for the missed submission.

Under the original contract, Cascadia Consulting is to receive $50,000 upon the College's successful receipt of the Title III grant award and an additional $50,000 at the conclusion of the five-year grant period, for a total contract amount of $100,000.

The College received notification of its Title III award in September 2026, triggering the initial $50,000 payment. While reviewing the documentation necessary to process Cascadia Consulting's invoice, the College identified the missing approval and contacted OSP for guidance. No payment has been issued, pending the required review and approvals.

To prevent a recurrence, the College will implement a centralized contract-tracking process documenting required reviews, approvals, effective dates, and payment milestones. Responsibility for monitoring these requirements will be assigned within the Finance Office to maintain continuity during personnel transitions.

P.O. Box 10, Melbourne, AR 72556 870-368-2300 Fax: 870-368-2091

Ratification is in the best interest of the State of Arkansas and Ozarka College because it will allow the College to fulfill its obligations for services provided and received in good faith in support of a successful federal grant application.

Thank you for your consideration of this request.

Sincerely,

Dr. Josh Wilson
President
Ozarka College

OSP Approval Request
Request for Qualifications (RFQ)

Complete all sections of this *OSP Approval Request—Request for Qualifications* form and follow the steps specified in the *Request for Qualifications Procedures*. Email the completed form to the Office of State Procurement review mailbox at osp.review@arkansas.gov to ensure timely review.

Pursuant to Arkansas Code Annotated § 19-65-201(e)(1), if approved by the Office of State Procurement, this RFQ request must be submitted to the Legislative Council for review **prior to** conducting the RFQ. Legislative Council review deadlines apply.

Procurement Unit Requesting the RFQ

Requesting Department: 0125 - Arkansas State University - Jonesboro

Requesting Division: Finance and Administration Purchasing Contact: Lisa Glasco

Phone Number: 870-972-2028 Email: lglasco@astate.edu

General Information

Description of Service/Commodity: Real Estate Services

Anticipated Start Date of Resulting Contract: 10/1/2026

Anticipated Expiration Date of Resulting Contract: Until house has sale

Anticipated Project Amount: Unknown

Why is an RFQ the most suitable method of procurement?

An RFQ is the most suitable method of procurement for real estate services because the selection should be based primarily on the provider's qualifications, experience, and knowledge of the real estate market rather than price alone. Real estate transactions require professional expertise, strategic negotiation, and an understanding of local market conditions, all of which significantly impact the outcome of a purchase, sale, or lease. By using an RFQ, the organization can evaluate firms based on their professional capabilities and past performance, then negotiate fair and reasonable compensation with the most qualified firm. This approach helps ensure the best value and reduces risk in complex real estate transactions.

Why should cost not be considered in the procurement?

Cost should not be considered in the procurement because the compensation for real estate services is typically a commission based on the final sale price of the property rather than a fixed fee. Since the commission is only paid if the property is successfully sold and is usually calculated as a percentage of the sale price, the primary factor in selecting a real estate service should be the firm's qualifications, experience, and ability to effectively market and sell the property. Choosing the most qualified professional increases the likelihood of achieving the best market value for the property, which ultimately provides greater financial benefit than selecting a provider based solely on cost.

How will the cost of the contract be controlled?

The cost of the contract will be controlled by establishing a predetermined commission rate in the contract that will be applied to the final sale price of the property. Because the compensation is based on a

percentage of the sale, the real estate service will only receive payment upon the successful sale of the property. This structure ensures the cost is tied directly to performance and aligns the interests of the service provider with obtaining the best possible market value for the property. Additionally, the commission rate and contract terms will be clearly defined and approved prior to execution to ensure costs remain reasonable and within established guidelines.

Provide additional details as needed.

Ellis House, 2004 E Nettleton, Jonesboro, AR 72401

If this request to conduct an RFQ also includes a request to award to multiple contractors, please note that a multiple award request must include a rationale and basis for the multiple award contract and the number of contractors required to fulfill the need (see Arkansas Code Annotated § 19-61-509).

If a multiple award is desired, provide the rationale and basis for the multiple award contract.

No multiple award will be issued.

For a multiple award request, indicate the number of contractors required to fulfill the need.

Procurement Unit Requesting the RFQ

Requesting Department: 0710 - Arkansas Department of Human Services

Requesting Division: Office of Procurement Purchasing Contact: Damian Hicks

Phone Number: 501-320-6250 Email: damian.hicks@dhs.arkansas.gov

General Information

Description of Service/Commodity: Community Based Services

Anticipated Start Date of Resulting Contract: 7/1/2027

Anticipated Expiration Date of Resulting Contract: 6/30/2034

Anticipated Project Amount: $73,036,841.50

Why is an RFQ the most suitable method of procurement?

The RFQ method of procurement is the most advantageous to the State of Arkansas because the qualifications of the vendors are the most important factors in the selection process.

The Division of Youth Services (DYS) requests a multiple vendor award RFQ for providing Community Based Services in the twenty-eight Arkansas judicial districts for youth and families of youth that have been adjudicated delinquent or who are at-risk of delinquency based on court involvement. The vendors shall provide risk and needs assessments (including field evaluations), case management and casework services, sanction services to address compliance with court orders, and coordination of direct mental health and supportive services. Vendors who provide Community Based Services also strive to reduce delinquency, incarceration, length of stay in insecure and out-of-home placements, and recidivism.

DYS wishes to issue contracts to one (1) vendor within each of the specified regions across the state who demonstrates the ability to implement the expectations of the program and has at least five (5) years of juvenile justice experience providing Family in Need, Diversion, and Supervision services. There are currently ten (10) regions to provide statewide coverage.

Why should cost not be considered in the procurement?

Price competition will not be a factor in selecting the awardees given that they will all be reimbursed at a fixed rate, which will be fairly determined and clearly specified in the resultant RFQ.

How will the cost of the contract be controlled?

In an effort to contain costs, funds will be appropriated by region and distributed monthly. The funding formula for each region will be based on population census and further adjusted for poverty levels within that region. Providers for these must be Medicaid enrolled providers and will be expected to bill Medicaid for all services that qualify, allowing blended funding to be used in a way that maximizes available revenue streams.

Provide additional details as needed.

Click here to enter text.

If this request to conduct an RFQ also includes a request to award to multiple contractors, please note that a multiple award request must include a rationale and basis for the multiple award contract and the number of contractors required to fulfill the need (see Arkansas Code Annotated § 19-61-509).

If a multiple award is desired, provide the rationale and basis for the multiple award contract.

DYS has defined ten (10) regions across the twenty-eight (28) judicial districts. DYS intends to award per region to ensure adequate statewide coverage.

For a multiple award request, indicate the number of contractors required to fulfill the need.

Up to 10 vendors

Amd. 4	469,337.00	538,433.98	Amend to extend end date to 02/28/2028 and to add funds in the amount of $469,337.00 to continue clearinghouse services provided by the vendor which includes verifying claims viability, transmitting EDI (Electronic Data Interchange) compliant claims from Greenway PrimeSuite to applicable pay sources.	02/28/2028
Amd. 3	240,000.00	409,382.00	Amend to extend end date to 2/28/2027 and to add funds in the amount of $240,000 to continue clearinghouse services provided by the vendor which includes verifying claims viability, transmitting EDI (Electronic Data Interchange) compliant claims from Greenway PrimeSuite to applicable pay sources.	02/28/2027
Amd. 2	0.00	245,051.73	Amend to extend the end date to 2/28/2026 and continue Clearinghouse services, verifying claim viability, and transmitting EDI (Electronic Data Interchange) compliant claims. For time only.	02/28/2026
Amd. 1	0.00	91,675.50	Amend to extend the end date to 2/28/2025 and continue Clearinghouse services, verifying claim viability, and transmitting EDI (Electronic Data Interchange) compliant claims. For time only.	02/28/2025
	420,000.00		The services to be provided by WAYSTAR include assisting with implementation of clearinghouse services, verifying claim viability, and transmitting EDI (Electronic Data Interchange) compliant claims from Greenway PrimeSuite (or comparable vendor) to applicable pay sources. The verification process includes patient eligibility checks, checking claims for errors, and transmitting if viable or returning reports which clearly note issues with non-viable claims. The clearinghouse will also be responsible for making electronic 835 payment posting files available in Greenway PrimeSuite for ADH staff to post. If there is no electronic 835 payment posting file available, the clearinghouse will be responsible for making sure an EOB is available for manual posting in Greenway PrimeSuite. The clearinghouse is also providing technical assistance (including but not limited to answering queries, making sure the claims are compliant, searching for missing payment data, answering questions or assisting with actions which will allow ADH to create and transmit viable claims). The clearinghouse is also responsible for accurate dashboard reporting.

Amd. 1	300,000.00	104,966.92	Amended to extend and add funding to continue mobile application (app), online services, and new appointment features allow our citizens to experience great customer service experience.	02/28/2028
	300,000.00		The Department seeks to communicate and inform Arkansas citizens of the services available. The new mobile application (app), online services, and new appointment features allow our citizens to experience great customer service experience. The Department's goal over the next year is to increase visibility of the great services offered at the DFA app and to increase online services usage. The promotion of the app will be crucial to its success. The DFA seeks to maximize the Department's talent and expertise with that of an outside firm. Through the resulting contract, the Department seeks to: increase public awareness of app launching 2026, online services offered, and great customer service experiences with all DFA offices; enhance DFA's brand identity and positioning; and develop and implement effective, integrated, multi-channel marketing strategies that reach target audiences, maximize Arkansas' online offerings, and increase visibility of services offered.
