

600,000.00

This contract is to provide on-call cabling and installation services for the requirements listed in FB-21-009, on an as-needed basis. The contractor will be responsible for professional quality, technical accuracy and timely completion and submission of all deliverables or services required to be provided under the contract. Additionally, the contractor will, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its deliverables and other services in a timely manner. Finally, the contractor has a flexible organization capable of performing multiple assignments simultaneously for emergency and non-emergency calls.
