A tele-stroke system will allow a large tertiary hospital to communicate through a video-conferencing network with a smaller hospital for the purpose of providing professional assistance in the treatment of critically ill stroke patients. PO Box 2940  
Little Rock, AR 72203-2940

Dear Ms. Rogers,

In accordance with §22-8-102, we respectfully request your permission to initiate the bid process for a three-year lease of a semi truck and trailer. This vehicle will be utilized by our CDL program for educational training purposes only. In our current lease, the company includes normal maintenance and wear and tear on the tires as part of the agreement. They also provide a loaner truck should the initial vehicle be out of commission for repairs or servicing. This is a valuable service that eliminates any delay of classes due to inoperable equipment.

We appreciate your consideration of our request. If you need further information please contact me at 479-788-7073 or Larry Putman at 479-788-7071.

Sincerely,

Rhonda Caton

### Memorandum

**To:** Sen Horn, Rep. Dunn, Co-Chairs,  
 Review Sub-Committee, Arkansas Legislative Council

**From:** Robin Rogers

**Date:** April 30, 2008

**Subject:** **Special Procurements—Arkansas Department of Correction; Agricultural Fertilizer and the Ouachita Special Needs Unit**

Under the provisions of the State Procurement Law, Section 19-11-263, Special Procurements, this report of use of the provision is made for the Department of Corrections for March 2008:

Based on justification provided by the Arkansas Department of Correction (ADC), it is my determination that an unusual or unique situation exists that makes the application of all requirements of competitive bidding, competitive sealed bidding, or competitive sealed proposals contrary to the public interest. The provisions of this section of the Procurement Law, ACA 19-11-263, will be used in the procurement of agricultural fertilizer for ADC farms units due to the volatility in the market due to uncertainty in the petroleum industry and the construction of the Ouachita Special Needs Unit. Other provisions of the Procurement Law did not allow the flexibility required by ADC to properly purchase those items in a timely manner or at a cost most beneficial to the State.
