Dear Secretary Walther:

On behalf of the Department of Human Services (DHS), I respectfully request a release of Restricted Reserve Funds for Senior Citizens Centers to assist in their mission to provide a comprehensive and coordinated service system for persons aged 60 and older within the established service area.

DHS is requesting funds in the amount of \$3,000,000 to cover operational costs of the Senior Citizen Centers recognizing the hardship the continued public health emergency has placed on their revenue. Amounts for the various Senior Citizen Centers would be distributed to the local Area Agencies on Aging (AAA), then passed through in its entirety to the centers based on their standard funding formula determined by population served.

DHS also requests Various Temporary Appropriation in the amount of \$3,000,000 in fund PWE 2300 on behalf of the Division of Aging, Adult, and Behavioral Health (DAABH). This appropriation request will allow the Division to facilitate the payment to the AAAs for the benefit of the Senior Citizen Centers.

Thank you for your assistance in this matter. Please feel free to call me if you need additional information to support this request.

Sincerely,
