Dear Senator Dismang and Representative Gray:

The Arkansas Court of Appeals respectfully requests Various Temporary Appropriation authorized under Section 33 of Act 199 of 2022 in the amount of \$375,000 to be funded from State Central Services. The amount requested will be used to replace the Court's carpet and paint the walls.

The Court of Appeals occupies approximately 30,000 square feet inside the Justice Building. The current carpeting is over 20 years old, which is well past its anticipated lifespan. Also, the carpet was exposed to the elements for several months during the construction of the current Justice Building expansion and reroofing project. The carpet is now very soiled and stained in areas. On the Court of Appeals walls issue, they have not been updated in many years and now show wear and tear to a degree that justifies the cosmetic procedure of a good painting.

The Arkansas Court of Appeals strives to operate in a fiscally conservative manner. For that reason, we historically request modest operating-expense allocations from the Legislature, but this results in our Court not having the funds in our annual budget to afford these maintenance and repair issues that have arisen. In making our request, we have sought counsel from the Arkansas Building Authority and understand that \$375,000 is an appropriate amount to request based on the scope of the project.

We appreciate the Committee's consideration. If there are any questions regarding this request or if additional information is required, please contact Anne Solomon, the Court's Chief Staff Attorney, or me at (501) 682-7460.

Sincerely,

Re: FY2023 Conservation Tax Appropriation Increase Request – SPT0100

Dear Secretary Walther:

I respectfully request your approval for additional appropriation of \$3,494,507 under Section 33 of Act 199 of 2022 to the Division of State Parks for design and construction efforts for the Division's Capital Improvement Program for the Department of Parks, Heritage and Tourism.

The significant increase in Conservation Tax revenues, of which this program receives a share, has created additional funding that can be utilized to complete repair, renovation and new construction projects to improve state park operations and guest experiences.

The Department is requesting an increase of \$3,494,507 in Commitment Item 05, Fund Center 500, Fund SPT0100 and Business Area 0900 for FY2023 to increase our ability to undertake and complete needed Capital Improvement Program Projects.

Please contact me at 501-324-9155, or Cynthia Dunlap at 501-682-2039, [cynthia.dunlap@arkansas.gov](mailto:cynthia.dunlap@arkansas.gov) if you have any questions.
