RE: American Rescue Plan Act Funding - Act 199 of 2022 & Act 796 of 2023

Dear Secretary Walther:

Phillips Community College has been fortunate to benefit from funding through the American Rescue Plan Act authorized in Section 37 of Act 199 of 2022 and hereby submits a supplemental appropriation revision request and detail plan for the final expenditure of the institutional portion of these funds during FY2023 and the supplemental appropriation of certain funds for FY2024. A no-cost extension has been filed with the US Department of Education for the requested extension.

Phillips Community College of the University of Arkansas respectfully requests review of appropriation requests to (1) provide direct grants to students for emergency relief under the provisions provided by the US Department of Education, (2) reimburse PCCUA for payroll related COVID-19 related expenses, and (3) for other COVID-19 related expenses for PPE, student aid, and technology-related expenses as allowed for by federal regulations.

▪ **Higher Education Emergency Relief Fund Formula Grants – Institutional Funds**

For the institutional portion, PCCUA intends to use the funds for purposes outlined in the American Rescue Plan Act of 2021. The following table outlines the intended purposes for the use of grant funds consistent with the requirements of the grant. The guidance accompanying the American Rescue Plan Act of 2021 states that institutions must use a portion of their funds to implement evidence-based practices to monitor and suppress coronavirus in accordance with public health guidelines and conduct direct outreach to financial aid applicants about the opportunity to receive a financial aid adjustment due to the recent unemployment of a family member or independent student, or other circumstances. Through the following plan, PCCUA intends to accomplish both of these directives.

Student Aid	-27.15
• Zero out this budgeted line item	
Operating Expenses	27.15
• Increase budgeted amounts to provide funds for purchasing educational material and equipment.	
TOTAL	\$00.00

▪ **Strengthening Predominantly Black Institutions (PBI)**

PCCUA intends to re-appropriate these funds in FY24 for purposes outlined in the American Rescue Plan Act of 2021. The following table outlines the intended purposes for the use of grant funds consistent with the requirements of the grant. Through the following plan, PCCUA intends to accomplish these directives. The use of these grant funds will focus particularly toward the minority population on all three campuses.

Capital Outlay	124,200.00
<ul style="list-style-type: none">• Improve and upgrade the MLT/Phlebotomy laboratory to allow for social distancing, improved virtual/simulated learning, and enhanced hygienic and cleanable surfaces.	
TOTAL	\$124,000.00

Thank you for the opportunity to submit this supplemental appropriation request revision and spending plan. Please feel free to reach out to Stan Sullivan, Vice Chancellor for Finance and Administration by email at ssullivan@pccua.edu with any questions.

Respectfully,

Dr. G. Keith Pinchback
Chancellor

Program Title: Emergency Aid Relief to Hospitals

Granting Organization: ARP Steering Committee

CFDA #: State Fiscal Recovery Funds (SFRF)

Effective Date of Authorization: Beginning: 7/1/2022

Ending: 6/30/2023

Purpose of Grant / Reason for addition or change (include attachments as necessary to provide thorough information):

Hospitals continue to experience severe financial strain due to the economic impacts of the ongoing COVID-19 pandemic. Increased costs and labor shortages have resulted in lesser revenues for the hospitals. This means that several hospitals across the state, particularly those that serve rural populations, are at immediate risk of closure.

Use of these funds will allow hospitals to maintain operations to ensure patients receive the care they need during and between the pandemic disease "surges." The purpose of these payments is to assist hospitals to offset extraordinary costs related to mitigating and preventing COVID-19 and retaining and acquiring frontline staff that have occurred as a result of the COVID-19 pandemic.

Re: Release of ARPA Funding – Hospital Assistance

Dear Secretary Walther,

On behalf of the Department of Human Services, I respectfully request release of a portion of the American Rescue Plan Act of 2021 (ARPA) State Fiscal Recovery Funds (SFRF) Arkansas Allotment to address the negative impacts of the public health emergency due to the COVID-19 pandemic (PHE), such as staffing and bed shortages; extraordinary costs of providing COVID-19 mitigation, prevention, and treatment; and disruptions in utilization of health care services across payers.

Participating hospitals have undergone an independent study and are developing and implementing a sustainability plan. The agency is requesting \$4,926,897 in ARPA funding and appropriation which will be disbursed through the Arkansas Medicaid payment system to Drew Memorial Health Center in support of their efforts to provide rural healthcare to Arkansans.

Thank you for your assistance. If you need additional information, please contact Misty Eubanks, DHS CFO, at 501-320-6327.

Sincerely,

Kristi Putnam, Secretary
Arkansas Department of Human Services
