 Granting Organization: FEMA CFDA #: 97.047
 Effective Date of Authorization: Beginning: 7/1/2026 Ending: 6/30/2027

Purpose of Grant / Reason for addition or change (include attachments as necessary to provide thorough information):
 The Building Resilient Infrastructure and Communities grant program makes federal funds available for hazard mitigation activities. It does so with a recognition of the growing hazards associated with climate change, and of the need for natural hazard mitigation activities that promote climate adaptation and resilience with respect to those hazards. These include both acute extreme weather events and chronic stressors which have been observed and are expected to increase in intensity and frequency in the future. This request is for additional appropriation to align with the updated grant award budget which includes additional funds for subgrants and administrative costs including personnel costs, travel expenses, supplies, and IT equipment as needed.

 Granting Organization: U.S. Environmental Protection Agency CFDA #: 66.817
 Effective Date of Authorization: Beginning: 7/1/2026 Ending: 6/30/2027

Purpose of Grant / Reason for addition or change (include attachments as necessary to provide thorough information):
 The purpose of this award is to enhance the capacity of the DEQ's brownfield program to meet the Section 128(a) elements. DEQ will oversee and perform planning, assessment, and cleanup of brownfield sites throughout the state. In addition, DEQ is committed to engaging directly with community stakeholders to ensure they are meaningfully involved in determining program benefits. DEQ requests a portion of the award in the 'other' commitment item to allow for flexibility in completing site cleanup. Most agreements are professional services contracts but some sites may require technical services contracts or even more agency staff onsite.

 Granting Organization: U.S. Department of Homeland Security CFDA #: 97.137
 Effective Date of Authorization: Beginning: 7/1/2026 Ending: 6/30/2027

Purpose of Grant / Reason for addition or change (include attachments as necessary to provide thorough information):
 The Arkansas Division of Emergency Management is requesting IJA appropriation in the amount of \$4,831,568.00. This appropriation would allow ADEM, along with DIS, to continue to work with local governments to assess risks and combat the threat of cyber attacks across the state. The State and Local Cybersecurity grant program enables DHS to make targeted cybersecurity investments in state and local government agencies, thus improving the security of critical infrastructure and resilience of the services that state and local governments provide to their community.
